INTRODUCTION

The Creation Story:

When God created the world and all we see around us, He **spoke** all things into being.

He very carefully and lovingly prepared this world and **all** that is in it like parents would prepare a **nursery** for the new born baby.

He did it all for man to enjoy all his days upon the earth. God spoke to the **earth** and the trees and all vegetation came into being. If you take a tree out of the soil – its source – it dies. God did the same with the fish in the sea – He spoke to the **waters** and created all the sea / water creatures and plants. Again, if you take the fish out of its source, it dies.

When God made **man**, He spoke to **Himself**: “Let **Us** make man in Our Image.” He took out of Himself **LIFE** which belongs to Him only, and placed it into man. Man was created from God – God is man’s **Source**. If man walks away from God, He is cut off from his Source and will die!

The purpose of this book is to help man find his way back to God and to be restored to his Source. May God give us His grace as we journey back into His **Presence** through the Door, **Yeshua**, and by His **Blood** alone, this has been made possible!!

HALLELUJAH!!

In The Beginning...

“In the beginning” God has this plan to create something special **out of chaos** and goes on to make the Earth **and Man**.

Man is unique, He is made in God’s own Image, i.e. we carry the unique identity of being a spirit man – but although we are of the same spirit, we are **given** freedom of choice – we each make a choice as to whether we will serve God or not.

To enable man’s existence on earth to be blessed, God gives him access to the Tree of Life.

Gen. 2:9 “9 And out of the ground the Lord God made to grow every tree that is pleasant to the sight or to be desired—**good** (suitable, pleasant) for food; the **tree of life** also in the center of the garden, and the tree of the knowledge of [the difference between] good and evil and blessing and calamity.”

The Tree of Life is a **permanent** part of God’s plan for man.

Rev. 2:7 “7 He who is able to hear, let him listen to and give heed to what the Spirit says to the assemblies (churches). To him who overcomes (is victorious), I will grant to eat [of the fruit] of the **tree of life**, which is in the paradise of God.”

When Adam and Eve sin by disobeying God’s commandments – they are **exiled** from the Garden of Eden and from the benefits of the Tree of Life. God’s plan for man to reconcile with Him is:

- a life of faith by choice
- a life of faith by obedience
- the application of the blood of a sacrificial lamb.

Man lives in a physical world. His ability to communicate, understand and have intimacy with God has been significantly reduced / changed, from daily intimacy face to face to – as Paul describes it – looking through a darkened mirror.

In order that Man has some means to determine the **boundary** of the **covenant**, God gives us the Ten Commandments, the prophets and the Holy

Spirit to set the physical boundary. In this way we can interpret where / when / how the spiritual boundary is formed.

It is essential that believers come to understand the **nature** of God and the fact that since the very beginning of time He has been waiting expectantly for each one of us to “return” to Him.

God’s nature and desire is that when we choose to follow Him, that this covenant should be the foundation of our lives – in this way we will **stand** when the storms of life **and** the words of deceit from foreign gods are spoken all around us.

a) God’s Covenantal Boundary for His people:

The physical boundaries that define my lifestyle as a **free-will offering** of sacrifice to God will cause:

- me to experience His blessing;
- me to be protected at all time;
- others to see and come to know God.

I want to highlight the first 3 of the Ten Commandments – those that relate to Who God is and how we relate to Him.

The other seven Commandments reflect my **inter-personal reaction** within the community of believers and other neighbours here on earth.

Commandment No. 1:

Ex. 20:2 *“2 I am Yahweh, Who has brought you out of the land of Egypt, out of the house of bondage.”*

We accept here the proclamation that there is only **One God**.

Commandment No. 2:

We accept here the Commandment that we will have no other **interest** that we will **passionately** follow hard after God. Therefore **anything** which competes with God for our time, energy, passion **is an idol**.

Ex. 20:3-6 *“3 You shall have **no other gods** before or besides Me.
4 You shall not make yourself any graven image [to worship it] or any likeness of anything that is in the heavens above, or that is in the earth beneath, or that is in the water under the earth;
5 You **shall not bow down yourself to them** or serve them; for I the Lord your God am a jealous God, visiting the iniquity of the fathers upon the children to the third and fourth generation of those who hate Me,
6 But showing mercy and steadfast love to a thousand generations of those who love Me and keep My commandments.”*

Col. 3:5 *“5 So kill (deaden, deprive of power) **the evil desire** lurking in your members [those animal impulses and all that is earthly in you that is employed in sin]: sexual vice, impurity, sensual appetites, unholy desires, and all greed and covetousness, for that is idolatry (the deifying of self and other created things instead of God).”*

1 Cor. 8:5-6 *“5 For although there may be **so-called gods**, whether in heaven or on earth, as indeed **there are many of them, both of gods and of lords and masters**,
6 Yet for us there is [only] one God, the Father, Who is the Source of all things and for Whom we [have life], and one Lord, Jesus Christ, through and by Whom are all things and through and by Whom we [ourselves exist].”*

1 Cor. 5:11 *“11 But now I write to you not to associate with anyone who bears the name of [Christian] brother if he is known to be guilty of immorality or greed, or **is an idolater** [whose soul is devoted to any object that usurps the place of God], or is a person with a foul tongue [railing, abusing, reviling, slandering], or is a drunkard or a swindler or a robber. [No] you must not so much as eat with such a person.”*

Eph. 5:5 *“5 For be sure of this: that no person practicing sexual vice or impurity in thought or in life, or one who is covetous [who has lustful desire for the property of others and is greedy for gain]—for he [in effect] **is an idolater**—has any inheritance in the kingdom of Christ and of God.”*
Acts 17:16 *“16 Now while Paul was awaiting them at Athens, his spirit was grieved and roused to anger as he saw that the city was **full of idols.**”*

Commandment No. 3:

Ex. 20: 7 *“7 You shall not use or repeat the name of the **Lord your God in vain** [that is, lightly or frivolously, in false affirmations or profanely]; for the Lord will not hold him guiltless who takes His name in vain.”*

We accept here the principle that my lifestyle/role-model will reflect the character of God. This commandment to not use/say God’s Name lightly encompasses far more than just the speaking of a name, but includes the principle that my value, integrity, relationships, etc, will positively reflect God’s Image.

b) Virtue of the Tree of Life:

The Tree of Life is planted in the Garden of Eden for Adam and Eve’s use and pleasure. It seems that you would continue **to live forever** while you ate of this fruit.

As soon as Adam and Eve had eaten of the fruit of **disobedience**, God exiles them from the Garden of Eden. In a way it seems that He protects them – if they had eaten of the tree of life again, they would have lived **for eternity in condemnation.**

Gen. 3:22-24 *“22 And the Lord God said, Behold, the man has become like one of Us [the Father, Son, and Holy Spirit], to know [how to distinguish between] good and evil and blessing and calamity; and now, lest he put forth his hand and take **also from the tree of life and eat, and live forever**—
23 Therefore the Lord God sent him forth from the Garden of Eden to till the ground from which he was taken.
24 So [God] drove out the man; and He placed at the east of the Garden of Eden the cherubim and a flaming sword which turned every way, to keep and guard the way to the tree of life.”*

When Yeshua is crucified and is resurrected, we find that the “tree” becomes the **means for us to find a way back to God**, at that very moment when we are covered by the Blood of the Lamb on the Cross.

2 Tim. 1:10 *“10 [It is that purpose and grace] which He now has made known and has fully disclosed and made real [to us] through the appearing of our Savior Christ Jesus, Who **annulled death** and made it of no effect and brought life and immortality (immunity from eternal death) to light through the Gospel.”*

The believers that call on God's Name **and** who are obedient to His Commandments will see, touch and eat of this Tree of Life once again:

Rev. 14:12 *“12 Here [comes in a call for] the steadfastness of the saints [the patience, the endurance of the people of God], those who [**habitually**] keep **God's commandments and [their] faith in Jesus.**”*

Rev. 22:1-2 *“1 THEN HE showed me the river whose waters give life, sparkling like crystal, flowing out from the throne of God and of the Lamb
2 Through the middle of the Broadway of the city; also, on either side of the river was the **tree of life** with its twelve varieties of fruit, yielding each month its fresh crop; and the leaves of the tree were for the healing and the restoration of the nations.”*

Consequences of our Disobedience to God's Commandments:

We will look at what constitutes disobedience / rejection of God's Commandments later on, suffice to say God's Word is clear – there are **consequences** to the **choices** that we make.

God's treatment / judgment of Man is always fair and consistent. He has also defined a process of **restitution** for us so that we can return to Him and be restored.

God's Word on Idolatry and His Promise:

Hos. 2:7b-16 "7... Then shall she say, **Let me go and return** to my first husband, for then was it better with me than now.
8 For she has not noticed, understood, or realized that it was I [the Lord God] **Who gave her the grain and the new wine and the fresh oil, and Who lavished upon her silver and gold** which they used for Baal and made into his image.
9 Therefore will I return and take back My grain in the time for it and My new wine in the season for it, and will pluck away and recover My wool and My flax which were to cover her [Israel's] nakedness.
10 And now will I uncover her lewdness and her shame in the sight of her lovers, and no one shall rescue her out of My hand.
11 I will also cause to cease all her mirth, her feastmaking, her New Moons, her Sabbaths, and all her solemn feasts and appointed festive assemblies.
12 And I will lay waste and destroy her vines and her fig trees of which she has said, These are my reward or loose woman's hire that my lovers have given me; and I will make [her plantations] an inaccessible forest, and the wild beasts of the open country shall eat them.
13 And I will visit [punishment] upon her for the feast days of the Baals, when she burned incense to them and decked herself with her earrings and nose rings and her jewelry and went after her lovers and forgot Me, says the Lord.
14 Therefore, behold, **I will allure her** [Israel] and bring her into the wilderness, and **I will speak tenderly and to her heart.**
15 There I will give her her vineyards and make the Valley of Achor [troubling] to be for her a **door of hope and expectation.** And she shall sing there and respond as in the days of her youth and as at the time when she came up out of the land of Egypt.
16 And it shall be in that day, says the Lord, that **you will call Me Ishi [my Husband],** and you shall no more call Me Baali [my Baal]."

Restoration in relationship however does not mean that we will not suffer the consequence of our choice.

God's pattern set out for us in the example of Adam and Eve is:

Commandment	Disobedience	Consequence
Gen. 2:17 "17 But of the tree of the knowledge of good and evil and blessing and calamity you shall not eat , for in the day that you eat of it you shall surely die."	Gen 3:6b "...she took of its fruit and ate ; and she gave some also to her husband, and he ate."	Gen 3:23-24 "23 Therefore the Lord God sent him forth from the Garden of Eden to till the ground from which he was taken. 24 So [God] drove out the man; and He placed at the east of the Garden of Eden the cherubim and a flaming sword which turned every way, to keep and guard the way to the tree of life. "

The Tree of Life – a Symbol of God's Kingdom:

God emphatically uses the tree as metaphor for the **kingdoms of the world**. Under the prophet Ezekiel He brings forth a word of promise to King David that the Messianic Kingdom will arise:

Ezek. 17:22 "22 Thus says the Lord God: I Myself will take a twig from the lofty top of the cedar and will set it out; I will crop off from the topmost of its young twigs a tender one and will plant it upon a mountain high and exalted."

The highest branch stands for the **restoration** of the Kingdom of Israel and the Messiah who will rebuild David's kingdom so that this house will rule forever.

Is. 9:6-7 "6 For to us a Child is born, to us a Son is given; and the government shall be upon His shoulder, and His name shall be called Wonderful Counselor, Mighty God, Everlasting Father [of Eternity], Prince of Peace.
7 Of the increase of His government and of peace there shall be no end, upon the **throne of David** and over his kingdom, to establish it and to uphold it with justice and with righteousness from the [latter] time forth, even forevermore. The zeal of the Lord of hosts will perform this."

Yeshua is the tender branch that is chopped off (crucified). This Kingdom gets established – i.e. the tree is planted on the **highest** mountain.

Ezek. 17:23 “23 On the **mountain height of Israel will I plant it**, that it may bring forth boughs and bear fruit and be a noble cedar, and under it shall dwell all birds of every feather; in the shade of its branches they shall nestle and find rest.”

This Tree (Yeshua) will become a Mighty Tree that brings forth good fruit and brings shelter to many.

Ezek. 17:24 “24 And all the trees of the field shall know (understand and realize) that I the Lord have brought **low the high tree**, have exalted the low tree, have dried up the green tree, and **have made the dry tree flourish**. I the Lord have spoken, and I will do it.”

God brings down the **high** trees of this world, the kingdoms of Israel, but makes a promise that it (Israel) will flourish again.

Dan. 4 “1 **NEBUCHADNEZZAR THE king**, to all people, nations, and languages that dwell on all the earth: May peace be multiplied to you!
2 It seemed good to me to show the signs and wonders that the Most High God has performed toward me...
10 The visions of my head [as I lay] on my bed were these: I saw, and behold, [there was] a **tree in the midst of the earth**, and its height was great.
11 The tree grew and was strong and its height reached to the heavens, and the sight of it reached to the end of the whole earth.
12 Its leaves were fair and its fruit abundant, and in it was food for all. The living creatures of the field found shade under it, and the birds of the sky dwelt in its branches; and all flesh was fed from it.
13 I saw in the visions of my head [as I lay] on my bed, and behold, a watcher, a holy one, came down from heaven.
14 He cried aloud [with might] and said, **Cut down the tree** and cut off its branches; shake off its leaves and scatter its fruit. Let the living creatures flee from under it and the fowls from its branches.
15 Nevertheless leave the stump of its roots in the earth, bound with a band of iron and bronze, in the midst of the tender grass of the field. Let him be wet with the dew of the heavens, and let him share the lot of the living creatures in the grass of the earth...
20 The tree that you saw, which **grew [great] and was strong**, whose height reached to the heavens and which was visible to all the earth,...
22 **It is you, O king, who have grown** and become strong; your greatness has increased and it reaches to the heavens, and your dominion to the ends of the earth...

27...let my counsel be acceptable to you; **break off your sins** and show the reality of your repentance by righteousness (right standing with God and moral and spiritual rectitude and rightness in every area and relation) and liberate yourself from your iniquities by showing mercy and loving-kindness to the poor and oppressed...

Luke 1:52 "52 He has put down the **mighty from their thrones** and exalted those of low degree."

The green tree represents the present kingdom of the world (at that stage Babylon). God promises to give the worldly Kingdom of David back its glory as a representative of the most High God and causes the dry tree to flourish at the same time it gives us a glimpse of the end-time revelation period when God's Kingdom on earth is restored.

The Tree of Life in a Nutshell – my lifestyle of doing God's Will:

The prophet Ezekiel comforts King David with words of promise that the Messiah will come from his lineage and that the Kingdom of God will be established forever.

Once again God declares that all men are **equal**:

Ezek. 18:3-4 "3 As I live, says the Lord God, you shall not have occasion any more to use this proverb in Israel.

4 Behold, **all souls are Mine**; as the soul of the father, so also the soul of the son is Mine..."

- all men who sin shall pay the consequence, i.e. die:

Ezek. 18:4b "4...the soul that sins, it shall die."

- the deeds of a righteous (believing) man are:

1) He will be just:

Ezek. 18: 5, 9 "5 But if a man is [uncompromisingly] righteous (upright and in right standing with God) and does what is lawful and right,
9 Who has walked in My statutes and kept My ordinances, to **deal justly**; [then] he is [truly] righteous; he shall surely live, says the Lord God."

2) He does that which is **lawful** and **right**.

Ezek. 18: 5, 9 “5 But if a man is [**uncompromisingly**] **righteous** (upright and in right standing with God) and **does what is lawful and right**,

3) He **has not been involved** in **idol worship**.

Ezek. 18:6a “6 And has not eaten [at the idol shrines] upon the mountains nor lifted up his eyes to the idols of the house of Israel...”

The Tree of Life in a Nutshell – Knowing and Conforming to God’s Will for Your Life:

The Torah is clear that we should search out and establish what God wants us each to be and do and then go forth and do this in loving **obedience**.

John 4:34 “34 Jesus said to them, My food (nourishment) is to **do the will** (pleasure) of Him Who sent Me and to accomplish and completely finish His work.”

John 17:3 “3 And this is eternal life: [it means] to **know** (to perceive, recognize, **become acquainted** with, and understand) You, the only true and real God, and [likewise] to know Him, Jesus [as the] Christ (the Anointed One, the Messiah), Whom You have sent.”

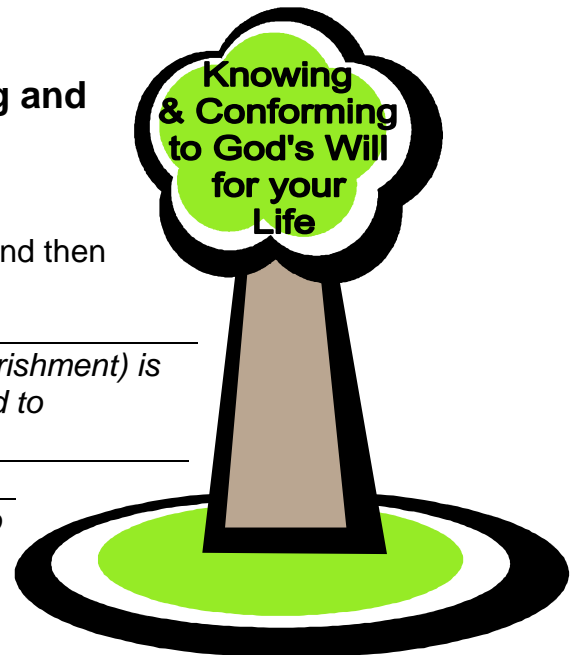

1 John 5:13 “13 I write this to you who believe in (adhere to, trust in, and rely on) the name of the Son of God [in the peculiar services and blessings conferred by Him on men], so that you **may know** [with settled and absolute knowledge] that you [already] have life, yes, eternal life.”

2 Pet. 1:1-8 “1 SIMON PETER, a servant and apostle (special messenger) of Jesus Christ, to those who have received (obtained an equal privilege of) like precious faith with ourselves in and through the righteousness of our God and Savior Jesus Christ...”

5 For this very reason, **adding your diligence** [to the divine promises], employ every effort in exercising your faith to develop virtue (excellence, resolution, Christian energy), and in [exercising] virtue [develop] knowledge (intelligence),

6 And in [exercising] knowledge [develop] self-control, and in [exercising] self-control [develop] steadfastness (patience, endurance), and in [exercising] steadfastness [develop] godliness (piety),

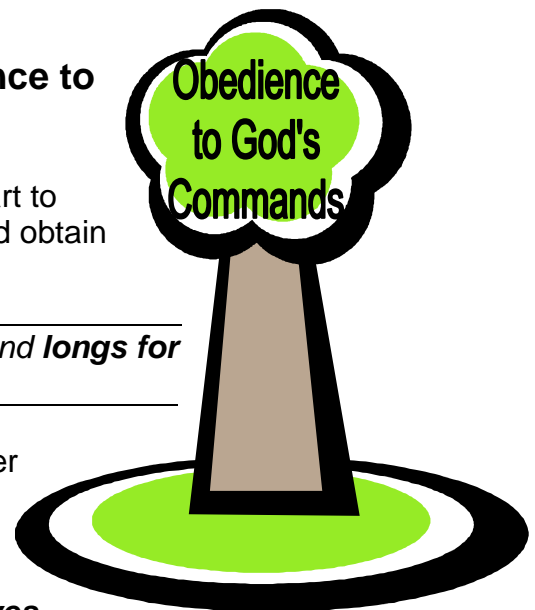

7 And in [exercising] godliness [develop] brotherly affection, and in [exercising] brotherly affection [develop] Christian love.

8 For as these qualities are yours and increasingly abound in you, they will keep [you] from being idle or unfruitful unto the [full personal] knowledge of our Lord Jesus Christ (the Messiah, the Anointed One)."

The Tree of Life in a Nutshell – Obedience to God's commands will give us long life.

As we walk in God's path for our lives, we will start to exercise the attributes of a servant of Yeshua and obtain the reward.

Ps. 34:12 *"12 What man is he who desires life and longs for many days, that he may see good?"*

1) He **has not been** involved in adultery and other sexual impurity:

Ezek. 18:6b *"6 And has not eaten [at the idol shrines] upon the mountains **nor lifted up his eyes to the idols** of the house of Israel, has not defiled his neighbor's wife nor come near to a woman in her time of impurity,"*

2) He has not oppressed any man / caused the people of slavery to be apposed.

Ezek 18: 7-8 *"7 And has not wronged anyone but has restored to the debtor his pledge, **has taken nothing by robbery** but has given his bread to the hungry and has covered the naked with a garment,
8 Who **does not charge interest** or percentage of increase on what he lends [in compassion], who withholds his hand from iniquity, who executes true justice between man and man,"*

3) He has done good deeds (mitzvahs):

Ezek. 18: 7 *"7 And has not wronged anyone but **has restored** to the debtor his pledge, has taken nothing by robbery but has given his bread to the hungry and has covered the naked with a garment,"*

4) He has kept God's Commandments fully.

Ezek. 18:9 *"9 Who has walked in My statutes and **kept My ordinances**, to deal justly; [then] he is [truly] righteous; he shall surely live, says the Lord God."*

These principles are confirmed in:

Gal. 3:8 *“8 And the Scripture, foreseeing that God would justify (declare righteous, put in right standing with Himself) the Gentiles in consequence of faith, proclaimed the Gospel [foretelling the glad tidings of a Savior long beforehand] to Abraham in the promise, saying, In you shall all the nations [of the earth] be **blessed**.”*

Heb. 4:2 *“2 For indeed we have had the glad tidings [Gospel of God] proclaimed to us just as truly as they [the Israelites of old did when the good news of deliverance from bondage came to them]; but the message they heard did not benefit them, because it was not mixed with faith (with the leaning of the entire personality on God in absolute trust and confidence in His power, wisdom, and goodness) by those who heard it; neither were they united in faith with the ones [Joshua and Caleb] who heard (did believe).”*

More importantly we understand that it is only when we are:

- a) a son of God;
- b) covered by the Blood of Yeshua;
- c) empowered by the Holy Spirit;

that we can achieve this degree of “Tree of Life” status:

2 Cor. 3:3 *“3 You show and make obvious that you are a letter from Christ delivered by us, not written with ink but with [the] Spirit of [the] living God, not on tablets of stone but on **tablets of human hearts**.”*

God expects man to teach His children in the ways of God:

Prov. 6: 20-23 *“20 My son, **keep your father’s [God-given] commandment and forsake not the law of [God] your mother [taught you]**.
21 Bind them continually upon your heart and tie them about your neck.
22 When you go, they [the words of your parents’ God] shall lead you; when you sleep, they shall keep you; and when you waken, they shall talk with you.
23 For the commandment is a lamp, and the whole teaching [of the law] is light, and reproofs of discipline are the way of life,”*

The Tree of Life in a Nutshell – The Four-fold fruit.

Prov. 3:1-35 “1 MY SON, forget not my law or teaching, but let your heart keep my commandments;
2 For **length of days** and years of a life [worth living] and tranquility [inward and outward and continuing through old age till death], these shall they add to you...
5 **Lean on, trust in, and be confident** in the Lord with all your heart and mind and do not **rely on your own insight or understanding**.
6 In all your ways know, recognize, and acknowledge Him, and He will direct and make straight and plain your paths...
13 Happy (blessed, fortunate, enviable) is the man who **finds skillful and godly Wisdom**, and the man who gets understanding [drawing it forth from God’s Word and life’s experiences],
14 For the gaining of it is better than the gaining of silver, and the profit of it better than fine gold.
15 Skillful and godly Wisdom is more precious than rubies; and nothing you can wish for is to be compared to her.
16 Length of days is in her right hand, and in her left hand are riches and honor.
17 Her ways are highways of pleasantness, and all her paths are peace.
18 She is a **tree of life** to those who lay hold on her; and happy (blessed, fortunate, to be envied) is **everyone who holds her fast**.
19 The Lord by skillful and godly Wisdom has founded the earth; by understanding He has established the heavens.
20 By His knowledge the deeps were broken up, and the skies distill the dew.
21 My son, let them not escape from your sight, but keep sound and godly Wisdom and discretion,
22 And they will be life to your inner self, and a gracious ornament to your neck (your outer self).
23 Then you will walk in **your way securely** and in confident trust, and you shall not dash your foot or stumble.
24 When you lie down, you shall **not be afraid**; yes, you shall lie down, and your sleep shall be sweet...”

1) The Fruit of Righteousness

Prov. 11:30 “30 The **fruit of the [uncompromisingly] righteous is a tree of life**, and he who is wise captures human lives [for God, as a fisher of men—he gathers and receives them for eternity].”

Is. 61:3 “3 To grant [consolation and joy] to those who mourn in Zion—to give them an **ornament** (a garland or diadem) of **beauty** instead of ashes, the oil of joy instead of mourning, the garment [expressive] of praise instead of a heavy, burdened, and failing spirit—that they may be called oaks of righteousness [lofty, strong, and magnificent, distinguished for uprightness, justice, and right standing with God], the planting of the Lord, that He may be glorified.”

The seed of life in this fruit is:

- Path of life:

Ps. 16:11 “11 You will show me the **path of life**; in Your presence is fullness of joy, at Your right hand there are pleasures forevermore.”

Prov. 5:6 “6 She loses sight of and walks not in **the path of life**; her ways wind about aimlessly, and you cannot know them.”

- Spirit of life:

Rom. 8:2 “2 For the law of the **Spirit of life** [which is] in Christ Jesus [the law of our new being] has freed me from the law of sin and of death.”

- Ways of life:

Acts 2:28 “28 You have made known to me the **ways of life**; You will enrapture me [diffusing my soul with joy] with and in Your presence.”

Prov. 10:17 “17 He who heeds instruction and correction is [not only himself] in the way of life [but also] is a **way of life** for others...”

Prov. 15:24 “24 The **path of the wise** leads upward to life, that he may avoid [the gloom] in the depths of Sheol (Hades, the place of the dead).”

2) The fruit of Hope fulfilled:

Prov. 13:12 “12 **Hope** deferred makes the heart sick, but when the desire is fulfilled, it is a **tree of life**.”

The seed of life in this fruit is:

- Justified:

Titus 3:7 “7 [And He did it in order] that we might be justified by His grace (by His favor, wholly undeserved), [that we might be acknowledged and counted as conformed to the divine will in purpose, thought, and action], and that we might become heirs of eternal life according to [our] hope.”

- Promise of Life:

2 Tim. 1:1 “1 PAUL, AN apostle (special messenger) of Christ Jesus by the will of God, according to the **promise of life** that is in Christ Jesus,”

- Bread:

John 6:35 “35 Jesus replied, I am the **Bread of Life**. He who comes to Me will never be hungry, and he who believes in and cleaves to and trusts in and relies on Me will never thirst any more (at any time).”

3) The fruit of Wholesome tongue

Prov. 15:4 “4 A **gentle tongue** [with its healing power] is a **tree of life**, but willful contrariness in it breaks down the spirit.”

The seed of life in this fruit is:

- Grace

1 Pet. 3:7 “7 In the same way you married men should live considerately with [your wives], with an intelligent recognition [of the marriage relation], honoring the woman as [physically] the weaker, but [realizing that you] are **joint heirs of the grace (God’s unmerited favor) of life**, in order that your prayers may not be hindered and cut off. [Otherwise you cannot pray effectively.]”

- Fragrance

2 Cor. 2:15-16 “15 For we are the **sweet fragrance of Christ** [which exhales] unto God, [discernible alike] among those who are being saved and among those who are perishing:
16 To the latter it is an aroma [wafted] from death to death [a fatal odor, the smell of doom]; to the former it is an **aroma from life to life** [a vital fragrance, living and fresh].”

- Word

Phil. 2:16 “16 Holding out [to it] and offering [to all men] the **Word of Life**, so that in the day of Christ I may have something of which exultantly to rejoice and glory in that I did not run my race in vain or spend my labor to no purpose.”

John 1:11 “11 He came to that which belonged to Him [to His own—His domain, creation, things, world], and they who were His own did not receive Him and did not welcome Him.”

4) The fruit of Wisdom and Understanding

Prov. 12: 12 “12 The wicked desire the booty of evil men, but the **root of the [uncompromisingly] righteous yields [richer fruitage].**”

Prov. 13: 14, 20 “14 The **teaching of the wise is a fountain of life**, that one may avoid the snares of death.
20 He who walks [as a **companion**] with wise men is wise, but he who associates with [self-confident] fools is [a fool himself and] shall smart for it.”

The seed of life in this fruit is:

- Prince of Life

Acts 3:15 “15 But you killed the **very Source** (the Author) of life, Whom God raised from the dead. To this we are witnesses.”

- Fountain

Ps. 36:9 “9 For with You is the **fountain of life**; in Your light do we see light.”

Prov. 13:14 “14 The teaching of the wise is a **fountain of life**, that one may avoid the snares of death.”

- Well of life

Prov. 16:22 “22 Understanding is a **wellspring of life** to those who have it, but to give instruction to fools is folly.”

- o Water

Rev. 22:17 “17 The [Holy] Spirit and the bride (the church, the true Christians) say, Come! And let him who is listening say, Come! And let everyone come who is thirsty [who is painfully conscious of his need of those things by which the soul is refreshed, supported, and strengthened]; and whoever [earnestly] desires to do it, let him come, take, appropriate, and **drink the water of Life without cost.**”

The blessing of this wisdom:

Gal. 3: 17-18 “17 This is my argument: The Law, **which began 430 years after the covenant** [concerning the coming Messiah], **does not and cannot annul the covenant previously established (ratified) by God, so as to abolish the promise and make it void.**

18 For if the inheritance [of the promise depends on observing] the Law [as these false teachers would like you to believe], it no longer [depends] on the promise; however, God gave it to Abraham [as a free gift solely] by virtue of His promise.”

MAN’S ATTEMPT TO RETURN TO GOD:

The Torah is clear – there is **only one way to God’s Throne room** that is under the Blood of the Lamb **and** in obedience to His Commandments.

Rev. 14:12 “12 Here [comes in a call for] the steadfastness of the saints [the patience, the endurance of the people of God], those who [habitually] keep God’s commandments **and** [their] faith in Jesus.”

Ex. 19:5 “5 Now therefore, **if you will obey My voice in truth and keep My covenant**, then you shall be My own peculiar possession and treasure from among and above all peoples; for all the earth is Mine.”

Man accepts fairly readily the need to worship God as Father and King and makes a commitment in much the same way as the Israelites do at Mount Sinai.

Ex. 19:6-8 “6 And you shall be to Me a kingdom of priests, a holy nation [consecrated, set apart to the worship of God]. These are the words you shall speak to the Israelites.

7 So Moses called for the elders of the people and told them all these words which the Lord commanded him.

8 And all the people answered together, and said, All that the Lord has spoken we will do. And Moses reported the words of the people to the Lord.”

Lev. 22:29 “29 And when you sacrifice an **offering of thanksgiving** to the Lord, sacrifice it so that you may be accepted.”

However, man often tries to place his own interpretation on the obedient part of the process, i.e. my own way on how we should do this.

Many churches preach the “easy” way out, confession brings immediate restoration, however few want to accept or deal with the consequences and teach that God will lift these off of us in love if we return to Him and **REPENT!**

Many believers want an easy life – the fundamentalist nature of God’s Torah makes life difficult – it’s a choice to lead a separate life – not apart but distinct – while most people want to blend in with the masses.

Ex. 19:6 “6 And you shall be to Me a kingdom of priests, a holy nation [consecrated, **set apart** to the worship of God]. These are the words you shall speak to the Israelites.”

This lifestyle of standing out uniquely as the servant to the King of Kings costs a price – most are **not willing** to pay.

Adam and Eve ate the fruit of the tree of the knowledge of good and evil.

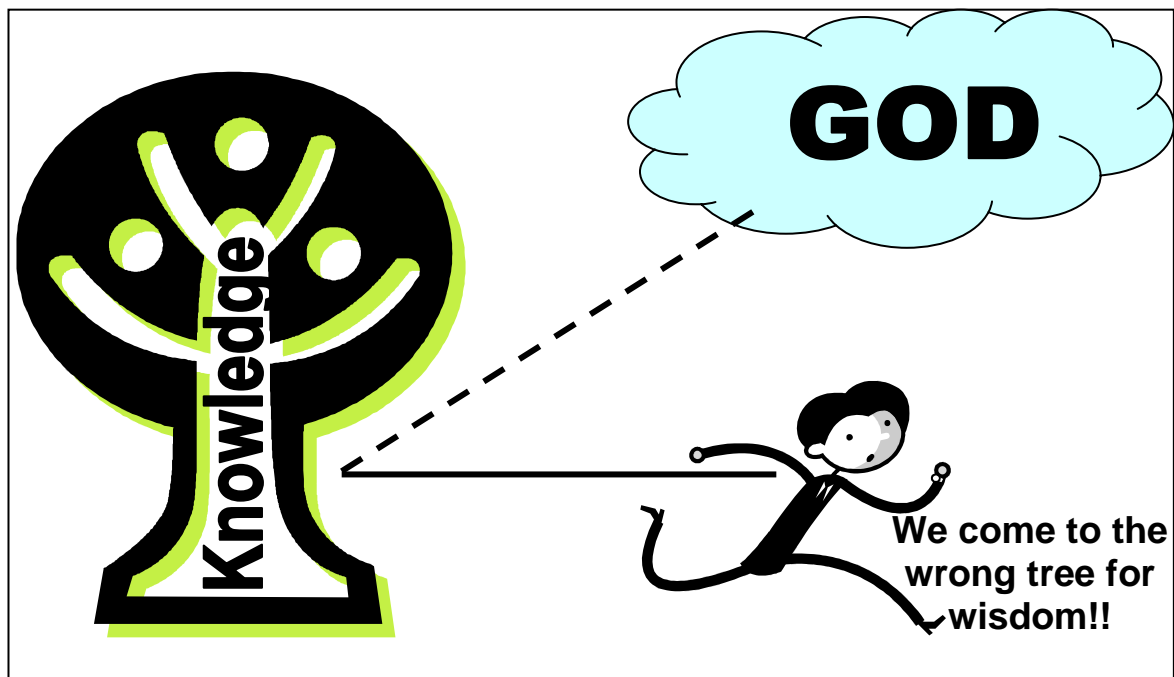

Gen. 3:6-7 “6 And when the woman saw that the tree was good (suitable, pleasant) for food and that **it was delightful to look at**, and a tree to be desired in order to make one wise, she took of its fruit and ate; and she gave some also to her husband, and he ate.
7 Then the eyes of them both were opened, and they knew that they were naked; and they sewed fig leaves together and made themselves apronlike girdles.”

As a result they:

- Exercised the choice to be disobedient.
- Created marital conflict
- Focused on self without realizing that they exposed themselves (both are nude).

Today, many in the church still live with the Greco-Roman mindset, i.e. of my own needs, how I do things, etc. and so often we try to “return” to God from the **basis of the tree of knowledge** and do not understand why “religion does not work”.

Man turns to Idol Worship

Many men have exercised their God-given free will to make the choice to **reject** God and to go into one or other form of idolatry. Our impression, based on teaching from the Torah, is that an idol **is a thing** – wood, stone, covered with silver or gold – we are seldom confronted with the demonic spiritual world which **guards the foundation of that idol**.

To many in the Western World, especially due to our Greco-Roman based thinking, we can be gods in our own right and the spiritual world is far from a reality.

God gives us a benchmark to measure from, i.e. how I can make sure that I am not misled:

- 1) if a preacher, prophet predict a sign which **comes to pass to lead you away** from Jahweh:

Deut. 13:1-5 *"1 IF A prophet arises among you, or a dreamer of dreams, and gives you a sign or a wonder,
 2 And the sign or the wonder he foretells to you comes to pass, and if he says, **Let us go after other gods**—gods you have not known—and let us serve them,
 3 You **shall not listen to the words of that prophet** or to that dreamer of dreams. For the Lord your God is testing you to know whether you love the Lord your God with all your [mind and] heart and with your entire being.*

4 You shall walk after the Lord your God and [reverently] fear Him, and keep His commandments and obey His voice, and you shall serve Him and cling to Him.

5 But that prophet or that **dreamer of dreams** shall be **put to death**, because he has **talked rebellion** and turning away from the Lord your God...”

2) if any man **entices you to serve** other gods:

Deut. 13:6-11 “6 If your brother, the son of your mother, or your son or daughter, or the wife of your bosom, or your friend who is as your own life **entices you secretly**, saying, Let us go and serve other gods—gods you have not known, you nor your fathers,

7 Of the gods of the peoples who are round about you, near you or far away from you, from one end of the earth to the other—

8 You shall not give consent to him or listen to him; nor shall your eye pity him, nor shall you spare him or conceal him.

9 But you shall surely kill him; your hand shall be first upon him to put him to death, and afterwards the hands of all the people.

10 And you shall **stone him to death** with stones, because he has tried to draw you away from the Lord your God, Who brought you out of the land of Egypt, from the house of bondage.

11 And all Israel shall hear and [reverently] fear, and shall never again do any such wickedness as this among you.”

3) if any inhabitant of a city seeks to **lead you astray** to serve a foreign God:

Deut. 13:12-18 “12 If you hear it said in one of your cities which the Lord your God has given you in which to dwell

13 That certain base fellows have gone out from your midst and **have enticed away the inhabitants** of their city, saying, Let us go and serve other gods—gods you have not known—

14 Then you shall inquire and make search and ask diligently. And behold, if it is true and certain that such an abominable thing has been done among you,

15 You shall surely smite the inhabitants of that city with the edge of the sword, **destroying it utterly** and all who are in it and its beasts with the edge of the sword.

16 And you shall collect all its spoil into the midst of its open square and shall burn the city with fire with every bit of its spoil [as a whole burnt offering] to the Lord your God. It shall be a heap [of ruins] forever; it shall not be built again.”

The Form of idol Apostasy:

Pagan men have made **images out of anything** – frogs, dogs, bulls, snakes, mountains, trees, etc. These images are the **root of the licentiousness** of man when they allow their passions to be used in perversity as a representation of worship to these idols.

As a result the incorruptible image of God in man is **made corruptible**.

Rom. 1:23-24 “23 And by them the glory and majesty and excellence of the **immortal God were exchanged for and represented by images**, resembling mortal man and birds and beasts and reptiles.
24 Therefore God gave them up in the lusts of their [own] hearts to sexual impurity, to the dishonoring of their bodies among themselves [abandoning them to the degrading power of sin],”

The Stupidity of Idolaters:

1) The very fact that an idolater makes an **image for himself** reveals his own vanity.

Jer. 10:14-15 “14 Every man has become like a brute, **irrational and stupid**, without knowledge [of God]; every goldsmith is **brought to shame by his graven idols**; for his molten images are frauds and falsehood, and there is no breath in them.
15 They are devoid of worth, usefulness, or truth, a work of delusion and mockery; in their time of trial and punishment they shall [helplessly] perish.”

Is. 44:9 “9 All who **make graven idols** are confusion, chaos, and **worthlessness**. Their objects (idols) in which they delight do not profit them, and their own witnesses (worshippers) do not see or know, so that they are put to shame.”

Is. 44:18 “18 They do not know or understand, for their eyes God has let become besmeared so that they cannot see, and their minds as well so that they cannot understand.”

2) The idolater knows that he worships a **dead** (being a wood / stone image which can neither see, hear, or speak) thing, therefore knows that he will not benefit or prosper and yet he continues in this senseless practice.

Is. 41:29 “29 Behold, these [pagan prophets and priests] are all **emptiness** (falseness and futility)! Their works are **worthless**; their molten images are empty wind (confusion and waste).”

Is. 44:10-11 “10 Who is [such a fool as] to fashion a god or cast a graven image that is **profitable for nothing**?
11 Behold, all his fellows shall be put to shame, and the craftsmen, [how can they make a god?] they are but men. Let them all be gathered together, let them stand forth; they shall be terrified, they shall be put to shame together.”

3) The idolater willingly chooses to **shut his mind and heart to the validity / reality** of their deeds so that they do not understand what the consequences are for themselves **or** their family.

Matt. 13:14-15 “14 In them indeed is the process of fulfillment of the prophecy of Isaiah, which says: You shall indeed hear and hear but never grasp and understand; and you shall **indeed look and look but never see and perceive.**

15 For this nation’s heart has grown gross (fat and dull), and their ears heavy and **difficult of hearing**, and their **eyes they have tightly closed**, lest they see and perceive with their eyes, and hear and comprehend the sense with their ears, and grasp and understand with their heart, and turn and I should heal them.”

Is. 44:19-20 “19 And no one considers in his mind, nor has he knowledge and understanding [enough] to say [to himself], I have burned part of this log in the fire, and also I have baked bread on its coals and have roasted meat and eaten it.

And shall I make the remainder of it into an abomination [the very essence of what is disgusting, detestable, and shamefully vile in the eyes of a jealous God]? Shall I fall down and worship the **stock of a tree** [a block of wood without consciousness or life]?

20 That kind of man **feeds on ashes** [and finds his satisfaction in ashes]! A deluded mind has led him astray, so that he cannot release and save himself, or ask, Is not [this thing I am holding] in my right hand a lie?”

4) The idolater sets his own image / idol in a **place from which it can’t move** and then prays for deliverance from troubles which materializes.

Is. 46:6-7 “6 They lavish gold out of the cup or bag, weigh out silver on the scales, and hire a goldsmith, and he **fashions it into a god**; [then] they fall down, yes, they worship it!

7 They **bear it upon their shoulders** [in religious processions or into battle]; they carry it and set it down in its place, and there it stands. It **cannot move** from its place. Even if one cries to it for help, yet [the idol] **cannot answer or save him out of his distress.**”

What is idolatry?

Idol worship is not **merely the making of a wooden or stone image; it’s the lifestyle of immorality / perversity which goes with the practice.** One of the important elements of idolatry is **secrecy.** The Torah instances describe all of these as events that take place “in high places” or “groves”.

Judg. 6:25-30 “25 That night the Lord said to Gideon, Take your father’s bull, the second bull seven years old, and pull down the altar of Baal that your father has and cut down the Asherah [symbol of the goddess Asherah] that is beside it;

26 And build an altar to the Lord your God on top of this stronghold with stones laid in proper order. Then take the second bull and offer a burnt sacrifice with the wood of the Asherah which you shall cut down.

27 Then Gideon took ten men of his servants and did as the Lord had told him, but because he was too afraid of his father's household and the men of the city to do it by day, he did it by night.

28 And when the men of the city arose early in the morning, behold, the altar of **Baal was cast down, and the Asherah was cut down** that was beside it, and the second bull was offered on the altar which had been built.

29 And they said to one another, Who has done this thing? And when they searched and asked, they were told, Gideon son of Joash has done this thing.

30 Then the men of the city commanded Joash, Bring out your son, that he may die, for he has pulled down the altar of Baal and cut down the Asherah beside it.”

Paul gives us a clear idea of the perversity of this practice:

1 Cor. 10:6-8 “6 Now these things are examples (warnings and admonitions) for us not to desire or **crave** or **covet** or **lust** after evil and **carnal things** as they did.

7 Do not be worshipers of false gods as some of them were, as it is written, The people sat down to eat and drink [the sacrifices offered to the golden calf at Horeb] and **rose to sport (to dance and give way to jesting and hilarity)**.

8 We must not gratify evil desire and indulge in immorality as some of them did...”

The change of the demeanor of the individual who is involved in idolatry at whatever level is also visible to the disarming eye:

- to mock at / to laugh at (means “in scorn”)

Gen. 19:14 “14 And Lot went out and spoke to his sons-in-law, who were to marry his daughters, and said, Up, get out of this place, for the Lord will spoil and destroy this city! But he seemed to his sons-in-law to be [only] **joking.**”

Ezek. 16:15-16 “15 But you trusted in and relied on your own beauty and were unfaithful to God and **played the harlot** [in idolatry] because of your renown, and you poured out your fornications upon anyone who passed by [as you worshiped the idols of every nation which prevailed over you] and your beauty was his.

16 And you took some of your garments and made for yourself **gaily decorated high places or shrines and played the harlot on them—** things which should not come and that which should not take place.”

Judg. 19:2, 22 “2 And his concubine was untrue to him and went away from him to her father’s house at Bethlehem of Judah and stayed there the space of four months.

22 Now as they were making their hearts merry, behold, the men of the city, certain worthless fellows, beset the house round about, beat on the door, and said to the master of the house, the old man, **Bring forth the man who came to your house, that we may have intercourse with him.**”

- to make sport of (means to “belittle”)

Judg. 16:23-25 “23 Then the Philistine lords gathered together to offer a great sacrifice to Dagon their god and to rejoice, for they said, Our god has given Samson our enemy into our hands. 24 And when the people saw Samson, they praised their god, for they said, Our god has delivered into our hands our enemy, the ravager of our country, who has slain many of us.

25 And when their hearts were merry, they said, Call for Samson, that he may **make sport for us**. So they called [blind] Samson out of the prison, and he made sport before them. They made him stand between the pillars.”

- to “play” which means “to play the whore”

Jer. 3:1-8 “1 **THAT IS** to say, If a man puts away his wife and she goes from him and becomes another man’s, will he return to her again? [Of course not!] Would not that land [where such a thing happened] be greatly polluted? But you have **played the harlot** [against Me] with many lovers—yet would you now return to Me? says the Lord [or do you even think to return to Me?]

2 Lift up your eyes to the bare heights and see. Where have you not been adulterously lain with? By the wayside you have sat **waiting for lovers [eager for idolatry]**, like an Arabian [desert tribesman who waits to plunder] in the wilderness; and you have polluted the land with your vile harlotry and your wickedness (unfaithfulness and disobedience to God)...

6 Moreover, the Lord said to me [Jeremiah] in the days of Josiah the king [of Judah], Have you seen what that **faithless and backsliding** Israel has done—how she went **up on every high hill** and under **every green tree** and there **played the harlot**?

8 And I saw, even though [Judah knew] that for this very cause of committing adultery (idolatry) I [the Lord] had put faithless Israel away and given her a bill of divorce; yet **her faithless and treacherous sister** Judah was **not afraid**, but she **also went and played the harlot** [following after idols].”

Ezek. 16:15-16 “15 But you trusted in and relied on your own beauty and were unfaithful to God and **played the harlot [in idolatry]** because of your renown, and you poured out your fornications upon anyone who passed by [as you worshiped the idols of every nation which prevailed over you] and your beauty was his.
16 And you took some of your garments and made for yourself gaily decorated high places or shrines and played the harlot on them—things which should not come and that which should not take place.”

We can clearly see that the fruit of this behaviour is **totally opposite** to that of the fruit of the Spirit set out in:

Gal. 5:23-26 “22 But the fruit of the [Holy] Spirit [the work which His presence within accomplishes] is love, joy (gladness), peace, patience (an even temper, forbearance), kindness, goodness (benevolence), faithfulness,
23 Gentleness (meekness, humility), self-control (self-restraint, continence).
Against such things there is no law [that can bring a charge].”

The Nature of Idolatry:

For many believers there is an attitude of “leave everyone to his own thing” and “it does not seem to harm anyone”. It is obvious that each type / branch of idolatry will have its own set of rules but the issue here is not whether one is worse or better than another, it is that it’s an **abomination to God at any level**.

Some of the elements of idolatry are:

- Human sacrifice:

Lev. 18:21 “21 You shall **not give any of your children to pass through the fire and sacrifice them to Molech [the fire god]**, nor shall you profane the name of your God [by giving it to false gods]. I am the Lord.”

Micah 6:7 “7 Will the Lord be pleased with thousands of rams or with ten thousands of rivers of oil? Shall I give my firstborn for my transgression, **the fruit of my body for the sin of my soul?**”

- Other offering:

Ex. 32:6 “6 And they rose up early the next day and **offered burnt offerings** and brought peace offerings; and the people sat down to eat and drink and rose up to play.”

Is. 57:6 “6 Among the smooth stones of the valley is your portion; they, they [the idols] are your lot; to them you have poured out a drink offering, you have offered a cereal offering. Should I be quiet in spite of all these things [and leave them unpunished—bearing them with patience]?”

Jer. 44:17-19 “17 But we will certainly perform every word of the vows we have made: to **burn incense to the queen of heaven** and to pour out drink offerings to her as we have done—we and our fathers, our kings and our princes—in the cities of Judah and in the streets of Jerusalem; for then we had plenty of food and were well off and prosperous and saw no evil. 18 But since we stopped burning incense to the queen of heaven and pouring out drink offerings to her, we have lacked everything and have been consumed by the sword and by famine. 19 [And the wives said] When we **burned incense to the queen of heaven and poured out drink offerings to her**, did we **make cakes [in the shape of a star]** to represent and honor her and pour out drink offerings to her without [the knowledge and approval of] our husbands?”

- Incense worship offering:

Jer. 1:16 “16 And I will utter My judgments against them for all the wickedness of those who have forsaken Me, **burned incense to other gods**, and worshiped the works of their own hands [idols].”

Jer. 44:17-25 “21 The incense that you burned in the cities of Judah and in the streets of Jerusalem—you and your fathers, your kings and your princes, and the people of the land—did not the Lord [earnestly] remember [your idolatrous wickedness] and did it not come into His mind? 22 The Lord could no longer endure the evil of your doings and the abominations which you have committed; because of them therefore has your land become a desolation and an [astonishing] waste and a curse, without inhabitants, as it is this day. 23 Because you have **burned incense [to idols]** and because you have sinned against the Lord and have not obeyed the voice of the Lord or walked in His law and in His statutes and in His testimonies, therefore this evil has fallen upon you, as it is this day. 24 Moreover, Jeremiah said to all the people, including all the women, Hear the word of the Lord, all you of Judah who are in the land of Egypt, 25 Thus says the Lord of hosts, the God of Israel: You and your wives have both declared with your mouths and fulfilled it with your hands, saying, We will surely perform our vows that we have vowed to burn incense to the queen of heaven and to pour out drink offerings to her. [Surely] then confirm your vows and [surely] perform your vows! [If you will defy all My warnings to you, then, by all means, go ahead!]”

- Worship, Music and Dance:

Dan. 3 “1 **NEBUCHADNEZZAR THE king** [caused to be] **made an image of gold, whose height was sixty cubits or ninety feet and its breadth six cubits or nine feet**. He set it up on the plain of Dura in the province of Babylon...

5 That **when you hear the sound of the horn, pipe, lyre, trigon, harp, dulcimer or bagpipe, and every kind of music, you are to fall down and worship the golden image** that King Nebuchadnezzar has set up.
6 And whoever does **not fall down and worship** shall that very hour be cast into the midst of a burning fiery furnace.
7 Therefore, when all the peoples heard the sound of the horn, pipe, lyre, trigon, dulcimer or bagpipe, and every kind of music, all the peoples, nations, and **languages fell down** and worshiped the golden image that King Nebuchadnezzar had set up.”

2 Kings 5:18 “18 In this thing may the Lord pardon your servant: when my master [the king] goes into the **house of [his god] Rimmon to worship** there, and he leans on my hand and I bow myself in the house of Rimmon, when I **bow down myself in the house of Rimmon**, may the Lord pardon your servant in this thing.”

- Tithes:

Amos 4:4-5 “4 Come to **Bethel [where the golden calf is]** and transgress; at **Gilgal [another idol worship center]** multiply transgression; and bring **your sacrifices every morning** and your tithes every three days.
5 And offer [by burning] a sacrifice of thanksgiving of that which is leavened, and proclaim and **publish freewill offerings**, for this you like to do, O children of Israel! says the Lord God.”

- Prayer:

Judg. 10:14 “14 Go, **cry to the gods** you have chosen; let them deliver you in your time of distress.”

Is. 44:17 “17 And from what is left [of the log] he makes a god, his graven idol. He falls down to it, he worships it and **prays to it** and says, Deliver me, for you are my god!”

- Mutilation – cutting of flesh:

1 Kings 18:28 “28 And they cried aloud and **cut themselves** after their custom with knives and lances until the blood gushed out upon them.”

- Emotion – Kissing:

Hosea 13:2 “2 And now they sin more and more and have made for themselves molten images of their silver, even idols according to their own understanding [as it pleased them], all of them the work of the craftsmen. To these [very works of their hands] they speak or pray who sacrifice to them; **they kiss and show homage to the calves [as if they were alive]!**”

- Feasts:

1 Kings 12:32 “32 And Jeroboam **appointed a feast** on the fifteenth day of the eighth month, like the feast kept in Judah, and he offered sacrifices upon the altar. So he did in Bethel, sacrificing to the calves he had made. And he placed in Bethel the priests of the high places he had made.”

Ezek. 18:10-13 “10 If he begets a son who is a robber or a shedder of blood, who does to a brother either of these sins of violence,
11 And leaves undone all of the duties [of a righteous man], and **has even eaten [the food set before idols] on the mountains and defiled his neighbor’s wife,**
12 Has wronged the poor and needy, has taken by robbery, has not restored [to the debtor] his pledge, has lifted up his eyes to the idols, has committed abomination (things hateful and exceedingly vile in the eyes of God),
13 And has charged interest or percentage of increase on what he has loaned [in supposed compassion]; shall he then live? He shall not live! He has done all these abominations; he shall surely die; his blood shall be upon him.”

Dan. 3:3 “3 Then the satraps, the deputies, the governors, the judges and chief stargazers, the treasurers, the counselors, the sheriffs and lawyers, and all the chief officials of the provinces were **gathered together for the dedication of the image** that King Nebuchadnezzar had set up, and they stood before the image that Nebuchadnezzar had set up.”

If we study these actively, we see a direct “**copycat**” by the kingdom of darkness of the principle set out by God’s Kingdom which His royal priests should do.

The Consequence of Idolatry:

Idolaters will be **cut off** from the Kingdom of God.

Gal. 5:19-21 “19 Now the doings (practices) of the flesh are clear (obvious): they are immorality, impurity, indecency,
20 Idolatry, sorcery, enmity, strife, jealousy, anger (ill temper), selfishness, divisions (dissensions), party spirit (factions, sects with peculiar opinions, heresies),
21 Envy, drunkenness, carousing, and the like. I warn you beforehand, just as I did previously, that those who do such things **shall not inherit the kingdom of God.**”

Gal. 6:8a “8 For he who sows to his own flesh (lower nature, sensuality) will from the **flesh reap decay and ruin and destruction...**”

Cure from the Sin of Idolatry:

Return to me...We are encouraged to repent and return to God and He will restore us.

Hos 2:7, 14, 16-17, 19, 23 “7 And she shall follow after her lovers but she shall not overtake them; and she shall seek them [inquiring for and requiring them], but shall not find them. Then shall she say, Let me go and return to my first husband, for then was it better with me than now.

14 Therefore, behold, **I will allure her [Israel] and bring her into the wilderness, and I will speak tenderly and to her heart.**

16 And it shall be in that day, says the Lord, **that you will call Me Ishi [my Husband],** and you shall no more call Me Baali [my Baal].

17 For I will take away the names of Baalim [the Baals] out of her mouth, and they shall no more be mentioned or seriously remembered by their name.

19 **And I will betroth you to Me forever; yes, I will betroth you to Me in righteousness and justice, in steadfast love, and in mercy.**

23 And I will sow her for Myself anew in the land, and I will have love, pity, and mercy for her who had not obtained love, pity, and mercy; and I will say to those who were not My people, You are My people, and they shall say, You are my God!”

We are encouraged to deal with the old man / flesh and to walk in the Spirit.

Gal. 5:16a; 6:1, 9-10 “16 But I say, **walk and live [habitually] in the [Holy] Spirit** [responsive to and controlled and guided by the Spirit]; then you will certainly **not gratify the cravings and desires of the flesh** (of human nature without God).

1 BRETHREN, IF any person is overtaken in misconduct or sin of any sort, you who are spiritual [who are responsive to and controlled by the Spirit] should set him right and restore and reinstate him, without any sense of superiority and with all gentleness, keeping an attentive eye on yourself, lest you should be tempted also.

9 And let **us not lose heart and grow weary** and faint in acting nobly and doing right, for in due time and at the appointed season we shall reap, if we do not loosen and relax our courage and faint.

10 So then, as occasion and opportunity open up to us, **let us do good** [morally] to all people [not only being useful or profitable to them, but also doing what is for their spiritual good and advantage]. Be mindful to be a blessing, especially to those of the household of faith [those who belong to God's family with you, the believers].”

We have shown from the Torah / Bible that any process or belief system that captures our passion and **takes us away** from the paths of Jahweh is: **IDOLATRY.**

We have attempted to research the thinking / belief system behind the world of kundalini so that we can explain to believers the subtle effects of this thinking which mixed with the normal Greco-Roman thought pattern of the western world has created havoc on followers of the Messiah. Those who are not **disciples of Yeshua** – not **grounded in His Word** will not be able to sift the “wheat” from the “tares” when presented with this belief system. This is not an exhaustive study, it is meant to provide an easy to understand foundation from which you can develop your own stronghold of Biblical Truth.

THE FOLLOWING INFORMATION IS OBTAINED FROM VARIOUS SOURCES TO HELP BELIEVERS UNDERSTAND THE SOURCE AND BELIEF SYSTEM ON WHICH THE KUNDALINI SPIRIT IS BASED:

1 Corinthians 6:19-20 *“19 Do you not know that your **body is the temple (the very sanctuary) of the Holy Spirit** Who lives within you, Whom you have received [as a Gift] from God? You are not your own, 20 You were bought with a price [purchased with a preciousness and paid for, made His own]. So then, **honor God and bring glory to Him in your body.**”*

A temple is a sacred place. It is either a container of the Glory of the Lord, or it is a container of darkness and the counterfeit glory and false holy spirit.

We are designed to **be forerunners** and the goal and vision of the enemy is to disable our faith, our spiritual walk, our physical bodies and our finances to make us limp, lame, emotionally, physically, spiritually and financially so we become “spineless” against demonic forces, principalities and powers and against the agents and powers of darkness – witchcraft. So there is a master plan from Lucifer to take over our bodies, our minds, wills and emotions to turn us into temples of darkness.

We need to become temples of Light – carrying the Glory of the Lord. The desire of the Lord is that we should run the race and finish it to win the prize (**Phil. 3:14**).

The master plan of satan is to take our backbone and as the spine is the main “highway” of the **central nervous system** – attached to every organ and function of our bodies – if he can take our spines into darkness, the whole body will be affected – even the smallest cells.

So too is the Lord’s true plan – to claim our backbones and see the Light of the Glory of the Lord fill His temple. When the Light fills our spines it will also fill the temples of our brain. So our body and minds are flooded with the Light of God and the darkness will have to flee.

Isaiah 50:6 *“6 I gave My **back** to the smiters and My cheeks to those who plucked off the hair; I hid not My face from shame and spitting.”*

Jesus gave His back to those who whipped him. He received thirty-nine stripes – one for every major illness.

He was braised for our iniquities, and by His stripes we are healed!

Kundalini forms the backbone of all Eastern religions. It is called the tree of life – this is the false tree. The true Tree of Life is Rev. 22.

Revelation 22:2 *“2 Through the middle of the Broadway of the city; also, on either side of the river was the tree of life with its twelve varieties of fruit, yielding each month its fresh crop; and the leaves of the **tree were for the healing and the restoration of the nations.**”*

This tree brings healing to the nations.

The Eastern Tree

The tree of Eastern religions is the tree that **kundalini** resides just as the serpent in the tree of the knowledge of good and evil in the Garden of Eden. The roots of this Eastern tree are underground. These roots hide this Kundalini spirit very well so that it can be released in the iniquities of our family lines.

Iniquity means:

- unrighteousness,
- wickedness
- gross injustice.

It produces a **twisted nature – a perverse, lawless attitude, a weakness and a fault in our personality.**

Jam. 4:1 *“1 **WHAT LEADS** to strife (discord and feuds) and how do conflicts (quarrels and fightings) originate among you? Do they not arise from your sensual desires that are ever **warring in your bodily members?**”*

Eph. 2:3 *“3 Among these we as well as you once lived and conducted ourselves in the passions of our flesh [our behavior governed by our corrupt and sensual nature], obeying the impulses of the flesh and the thoughts of the mind [our cravings dictated by our senses and our dark imaginings]. **We were then by nature children of [God’s] wrath** and heirs of [His] indignation, like the rest of mankind.”*

Separating the Precious from the Vile

We must be determined to **separate the vile from the precious**: the Kingdom of Light from the kingdom of darkness. This is the true mandate for the Priesthood of Yeshua.

Jeremiah 15:19-21 *“19 Therefore thus says the Lord [to Jeremiah]: If you return [and give up this mistaken tone of distrust and despair], then I will give you again a settled place of quiet and safety, and you will be My minister; and **if you separate the precious from the vile** [cleansing your own heart from unworthy and unwarranted suspicions concerning God’s faithfulness], you shall be My mouthpiece. [But do not yield to them.] Let them return to you—not you to [the people].
20 And I will make you to this people a fortified, bronze wall; they will fight against you, but they will not prevail over you, for I am with you to save and deliver you, says the Lord.
21 And **I will deliver you out of the hands of the wicked**, and I will redeem you out of the palms of the terrible and ruthless tyrants.”*

The kundalini is vile – it produces death and it will kill the body.

(Please note: you do not have to be a yoga practitioner to be bound by Kundalini).

Kundalini means "divine power". The **backbone or spine** is the **vehicle** for this demonic “divine” power.

It is the vehicle for false power, false passion, false ecstasy, false signs and wonders, false fire, the vehicle of magic power called “the force” by occultists.

Kundalini is the power of the “**great mother**” – not the father, the power of the **mother goddess** who releases energy like an atomic bomb which **activates the rebirth cycle** that transforms people into **the sun god or goddess fuelled by “mother power”**.

Kundalini is at the core of New Age. She is the “great mother and the great lover” and behind her disguise lies kundalini Kali, the goddess of Black Death, murder, rage, vengeance and war that causes chronic illness and ultimately death by magic.

This is the power behind New Age “to take over the body as a temple for Lucifer” and fill us with **false dunamis power** to produce **false prophets, prophetesses and priesthoods** that use the **eyes of divination – the third eye of witchcraft** and the occult instead of the eyes of the spirit.

We need to discern the difference for the kundalini is the opposite of Jesus – it is the:

- false holy spirit
- false tongues
- false fire

- false shekinah glory
- false grace
- false humility
- false dynamis or the dynamite power of Acts
- false signs and wonders.

The kundalini serpent births people into:

- clairvoyancy
- psychic realms and powers
- false visualization
- magic and the worship of the zodiac, the sun, moon and stars
- death, destruction and chronic pain and illness.

It is the opening of the third eye and the false prophetic which has become the norm on a world-wide level.

Kundalini declares that:

- It creates the universe.
- SELF is the creator.
- it is the face of god, the face to adore, absolute wisdom - the false face of Jesus.
- the lotus flower is the power and energy of the sun.
- the **lotus position** releases kundalini in a person. (It is the chosen position of most false gods shown in their images – Buddha, **Cernunnos**, etc.)

Family involvement plus any one of the following awakening mechanisms is enough to awaken the serpent and false power.

The Kundalini spirit or fire can be activated through the following things:

- Automatically (if the person is born into trans-generational **Satanism** or trans-generational **fertility cults**.)
- Familiar spirits.
- **Unrepented generational sins** – there are people who are sincerely seeking the grace of God (When occultic callings have not been renounced and bloodlines dealt with, then people can go into a place in the spirit where they are seeking God but haven't understood that there can be other spirits that they can get in contact with – they then can be activating the kundalini power.)
- **Devotional practices**, e.g. meditation, chanting.
- **Trauma, shock, a hard knock** – When a person goes very fearful traumatic experiences then adrenaline is released and one is unguarded at that moment – **all gates (senses) are opened** which makes one **very vulnerable** for an evil spirit to enter you.

- Occult accidents.
- Massage (Reiki, Hot Stone massage / occultic alternative healing methods where they are working on the spine – even the hands and the feet.)
- Yoga.
- Sex outside of marriage or ungodly sex in marriage: sexual penetration or stimulation by any means – includes tantric sex. (When occultic callings have not been renounced and bloodlines dealt with.)

- Awakened breathing.
- Childbirth (When occultic callings have not been renounced and bloodlines dealt with)
- Occult surgery.
- Fun fair rides e.g. “big dippers” / Cobra at Ratanga Junction – it is structurally built to represent the DNA spirals / Caduceus.

- Through all the senses – sight, sound, taste, touch, smell. (all the gates, e.g. Hitler listened to Wagner music / smell: perfumes / anything that touches the senses – makes you feel passionate – anything that stimulates)

- Witchcraft initiations, books, movies.
- Trance dancing / Rave parties.
- Dread locks
- Impartation of kundalini guru.

- Tattoos
- Tying of the knot of the Freemason’s apron.

- Satanic dedications.
- the awakening can occur in a Christian without dabbling at all in New Age, Hinduism and false religions.

- Incest, rape and sodomy¹.
- Occult dedication.

Exodus 7:9-12 “When Pharaoh says to you, “Prove your authority by a miracle,” then tell Aaron. “Throw down your rod before Pharaoh, that it may become a serpent”.

So Moses and Aaron went to Pharaoh and did as the Lord had commanded; Aaron threw down His rod before Pharaoh and his servants and it became a serpent.

Then Pharaoh called for the wise man, skilled in magic and divination and the sorcerers, wizards, jugglers. And they also, these magicians of Egypt did similar things with their enchantments and secret arts.

For they cast down every man his rod and they became serpents; **but Aaron’s rod swallowed up their rods.**”

The power of Yahweh was greater than all the serpents and magic of Egypt.

Ecclesiastes 12:6 “Remember your creator earnestly now, before the **silver cord** of life is snapped apart, or the **golden bowl** is broken, or the **pitcher** is broken at the **fountain** or the **wheel** broken at the cistern and the **whole circulatory system** of the **blood** ceases to function.”

This is a description of:

- the **silver cord** of the spine .
- the **golden bowl**,
- the **pitcher at the fountain**, (the so called crown charka)
- The **wheel**
- the **charkas**,
- and the whole human **circulatory system**

that is used in the yogic process, but they were created by **The Creator, Yahweh**.

Revelations 13: 2-5, 12-13.”And the beast which I saw was like unto a leopard, and his feet were of a bear, and his mouth as the mouth of a lion: and **the dragon gave him his power, and his throne, and great authority.** And I saw one of his heads as though it had been smitten unto death; and his death stroke, a fatal wound was healed: and the whole earth followed after the beast in amazement; and they worshipped the dragon because he gave his authority unto the beast; and they worshipped the beast saying ” who is like the beast? Who can fight against it?” It was given a mouth speaking arrogant blasphemies; and it was given authority to act for 42 months...

Then I saw another beast coming up out of the earth. It had two horns like those of a lamb but it spoke like a dragon.

¹ See “The Defiled Bride – Sodomy and Sexual Abuse” available from Kanaan Ministries.

*It exercises all the authority of the first beast in its presence; and makes the earth and all its inhabitants worship the first beast, the one whose wound had been healed. **It performs great miracles even causing fire to come down from heaven.***

It deceives the people living on earth by the miracles it is allowed to perform in the presence of the beast and tells them to make an image honouring the beast that was struck by the sword but came alive again. It was allowed to put breath into the image of the beast so that the image of the beast could even speak; and it was allowed to cause anyone who did not worship the image of the beast to be put to death.

KUNDALINI YOGA

This is a quote from: '*The Book of Symbols*'...

"Humanity has been bound to see itself as a **symbol** - in many traditions, including even the most primitive.

Man is described as a **small scale copy** of the universe, a **microcosm** or synthesis of the world. **Man is the centre of the world symbols.**

From wise men of the Upanishads², to Christian theologians and those who seek out the secrets of alchemy, men have drawn analogies and seen correspondences between the **elements** which make up the human frame and those which make up the universe and between **principals** which control human emotions and those which govern the universe.

Some saw:

- the **bones** of man as linked to the **earth**,
- his **blood** to **water**,
- his **lungs** to **air**,
- his **head** to **fire**,
- the respiratory system to air,
- the **circulatory** system to **water** and
- the digestive system to earth.

Man is in touch with the **three levels**,

- his **feet** with the terrestrial,
- his **chest** with the atmospheric,
- his **head** with the celestial.

In the Athrarva –Veda, man was originally regarded as the **cosmic pillar**, a sort of **Atlas**, with the duty of holding earth and heaven together.

Genesis. 1 : 26; 2: 7.

"and God said let Us make man in Our image after Our likeness..... and the Lord God formed man out of the dust of the ground and breathed into his nostrils the breath of life; and man became a living soul."

Pagans have corrupted this principle set out in Genesis namely of welding the relationship between the **microcosm** (man), the macrocosm (the universe) and the power of God to become the **cornerstone** of all idolatry / astrological teachings.

² The **Upanishads** are regarded as part of the **Vedas** and as such form part of the **Hindu scriptures**. They primarily discuss **philosophy**, **meditation**, and the nature of **God**; they form the core spiritual thought of **Vedantic Hinduism**. Considered as **mystic** or **spiritual** contemplations of the **Vedas**, their putative end and essence, the Upanishads are known as **Vedānta** ("the end/culmination of the Vedas").

The **god-universe-man** was expressed as a **sphere**, the traditional image of the world. (The wheels of the chakras echo these spheres or circles.)

Chinese physicians evolved the interrelatedness between the cosmos and the human body in the Ying/Yang (black / white):

- The round head: the sky.
- The hair: the stars and constellations.
- The eyes and ears: the sun and moon.
- The breath: wind.
- The blood: rain.
- The bodily vessels and humours: streams and waters.
- The apertures and veins: valleys and rivers.

The four bodily seas are:

- Stomach – the sea of water.
- Aorta: the sea of blood.
- Mediastinum of the lungs;
- Brain and bone marrow.

The **body**: the element earth.

The **skeleton**: mountains.

The **heart**: the Great Bear. (Connects to the goddess and to the constellation Ursa Major)

The **seven apertures** in the heart: the 7 stars in the Great Bear. (Connects to the 7 chakras of Yoga.)

The 5 internal organs: the 5 elements.

The 8 parts of the body: the 8 trigrams.

The 9 apertures in the body: the 9 gates of heaven.

The four limbs: the four seasons.

The 12 principal joints: the 12 months.

The 360 minor joints: the 360 days of the year (Chinese).

Pagan man has always understood that he was made in the image of the 'world' and by a 'creator'.

This principal is the same in all forms of Yoga.

YOGA

The term '**Yoga**' means: '**unification**' or '**union with the divine spirit.**'

The English word yoke is the root which means:

- '*joining*' or '*junction*,
- *a frame or crossbar fitting over the necks of two oxen and attaching them for ploughing.*

This bar was fastened to the foreheads of the cattle at the root of the horns or projected down on the shoulders of them held in position by thongs and bonds and fastened under their throats.

It is a symbol of **enslavement**. The Athenian law-giver Buzyges invented the yoke which allowed cattle to be controlled and harnessed.

The **Roman** custom of making the vanquished 'pass under the yoke' is self explanatory. In the *Caudine Forks* a Roman army defeated by the Samites were forced to crawl under a spear stuck into the ground called the *jugum Ignominiosum*, **the yoke of shame**.

In Rome there was the '*sisterly beam*' under which all murderers has to pass before their crimes were expiated. This formed the ancient purificatory custom and was essential if the person was to regain his place in society again – *you had to pass under the yoke.*

It symbolized a survival of the **secret or artificial gateways** through which an initiate had to pass from the supernatural world in which he had undergone his ordeal back into the everyday world and re-integration into society. This forms the same principle as yoga chakras - gates.

In **Matthew 11:29,30** True Jesus says:

"Take My yoke upon you, and learn from Me; for I am meek and lowly: and you will find rest for your souls, for it is easy. For My yoke is easy and My burden is light."

The **yoke of Yoga** is very **heavy** for it requires:

- ritual,
- self denial,
- pain and
- a never ending cycle of paying obeisance to deities
- The never ending burden of the worry of the process of reincarnation.

There are many different types and techniques of **Yoga** –

- *Raj or Raja Yoga,*
- *Hatha Yoga,*
- *Tantra,*
- *Karma Yoga,*
- *Jnana Yoga,*

- *Integral Yoga,*
- *Patanjali Yoga,*
- *Bhakti Yoga ,*
- *Shiva Yoga* as well as
- *Kundalini Yoga.*

Hatha means HA- the sun, THA – the moon.

The **union** of these **two energies** is called **Yoga**. These are not merely physical exercises as is commonly believed, but are aimed at **unifying human nature with the divine**, to **the false tree of life** within all humans. It is the internal union of kundalini and the eternal union of man – sun, woman – moon in tantric yoga sexual union.

The Kundalini is released to nourish the false tree of life within us. The spine – the pathway of kundalini is even referred to as' *the tree of life*' that triggers spiritual rebirth and evolution in Hinduism.

Kundalini is called *serpent power*, 'the mother of Yoga' and 'bestower of Yoga'³.

HUMAN ANATOMY

In the **human anatomy** there are other areas also called **the tree of life** – the **ARBOR VITAE**. One is in the **cerebellum** of the brain the other in the **female cervix**.

The Latin word **Arbor** means:

- a tree,
- a main shaft or axle,
- a cutting or milling tool,
- something that rotates in a machine. (this connects to the yogic understanding of the rotating charkas, energy centers in the spine)
- a shady retreat,
- a place of shelter,
- a harbour or refuge,
- a mast of the trunk or a mast of a tree,
- a ship,

but also

- a gallows, gibbet – a place to be hanged.
- a grove – a place of pagan worship.

³ See Prayer of Renunciation on Yoga available from Kanaan Ministries.

The Latin word **Vitae** means:

- life,
- life as a period of time,
- the course of life a form of existence but also
- a *ghostly being*.

This is the root of the word **vitality**.

The **Arbor Vitae** in the **brain** is a tree-like section of the **cerebellum**. The other is within the cervix of the **uterus** – the **Plica Palmatae**.

It is significant that in the Latin definitions of the words **Arbor Vitae**, there is the **potential capacity for both death and life**.

The **Arbor** can be:

- a place of life or death – hanging, or a place of life,
- the place of a ghostly being (demon.) or of the true Holy Spirit.

So the Arbor also has the potential for being used for **good** and for **evil, life** or **death**, a place of shelter. God describes Himself as a Refuge from the storm.

The Garden was a place of intimacy, safety with God. **The Druids** who **worshipped Diana**, corrupted this concept and used **a grove of trees** as a place of bloody sacrifice to the goddess. The **worship of the oak** is an external manifestation of the **Hindu roots of Druidism**.

Genesis 2:16 “The Lord “commanded, gave the person (Adam) this order: You may freely eat from every tree in the garden
17 “except the tree of the knowledge of good and evil. You are not to eat from it, because on that day that you eat from it, it will become certain that you will die.” This was the very first commandment given to man from God.

Genesis 3: 1 “Now the serpent was more crafty than any wild animal which Adonai, God had made. He said to the woman “did God really say. You may not eat from any tree in the garden?”
5 Because God knows that on the day that you eat from it, your eyes will be opened and you will be like God knowing good and evil.
6 When the woman saw that the tree was for good for food and it had a pleasing appearance and that the tree was desirable for making one wise she took of its fruit and ate. She also gave some to her husband who was with her and he ate.
7 Then the eyes of both of them were opened...
(Something happened to their capacity to see. They saw something that they had never seen before.)
13 The woman answered “the serpent tricked me, so I ate.”

For centuries, in our rebellion and ignorance, we have continued to be tricked by the serpent, we have been tapping into the wrong **power of the serpent** trying to find answers, through the soul power of Yoga and the occult instead of being guided by the Holy Spirit.

Occult power blinds and causes us to be in darkness..

The very word **Occult** means '**hidden**'; so it is quite literally 'out of sight.' When Adam and Eve's eyes were opened was it the ability to see the occult, the hidden things of Satan's kingdom, that God had protected them from before?

Genesis. 1:27 "God says "so God created man in His own image; in the image of God He created him: male and female He created them."

Often we only perceive this as an external form, but the interior parts of God's Image, our **human anatomy**, is even more remarkable.

These are the very mechanisms of how we as human beings operate. Even in this day of such incredible technology, scientists still don't fully understand the functioning of our human brain, nor exactly how it affects the way we react.

Yet we were created according to the very likeness of God that is God's Word. That includes everything, internal and external.

God never gets anything wrong so every part of us is made according to the original design made in Heaven and we are made like Him, our Father, for we are His children.

Inside us is the potential for good or for evil,

- in our **brain**, the place of **understanding**,
- in the **cervix** of a woman, the place of **giving birth**,
- our bodies to be the container for good and bad.

So we have the potential to both **understand** and the **capacity to birth** both good and evil.

Originally we were designed to walk and talk with God. Eve said that she had been tricked by the '**subtle serpent**.'

In Yoga they refer to the Yoga powers as 'subtle' energies - the aura - as the subtle body.

Subtil: STRONGS 6175 is **Aruwm**: cunning in a bad sense, crafty, but also prudent, wise.

STRONGS 6191 **ARAM** : to be made bare, nude, to be cunning in a bad sense, to take crafty counsel, but also to be prudent.

Serpent : STRONGS 5175 is **NACHACH** : a snake from its hiss.
STRONGS 5172 **NACHACH** : to hiss, whisper a magic spell, to prognosticate, divine, enchant, to use enchantment but also to learn from experience to diligently observe.

The word **Tricked** also means **beguiled**.

STRONGS 5377 it is **NASHA** : to lead astray, mentally delude, to morally seduce, to greatly deceive, but also...

5378 **NASHA** to lend interest, to dun for debt, to exact, to give usury...

5379 of 5387 **NASI** - an exalted one, a chief, a king, a sheik a rising mist, a cloud, ruler or vapour (this is so close to the German word for NAZI!!)

So right from the earliest times in the Garden the Godly system of nakedness without shame, intimacy with God, have been corrupted.

The counterfeit system of the serpent: It was put in place where we are:

- made naked,
- divination,
- money,
- taxed,
- ruled over.

Our God-given abilities and anatomy have been hi-jacked by the 'serpent' and we need to redeem them.

Revelation. 22:1 "Next the angel showed me the river of life, sparkling like crystal flowing from the Throne of God and the Lamb,
2 Between the main street and the river was a Tree of Life producing twelve kinds of fruit, a different kind every month; and the **leaves** of the tree were for healing the nations – no longer will there be any curses."

In Latin the word **FOLIATUS** means: Leaved, leafy, an unguent or oil made from the leaves of Spikenard the oil called Nardium or Nard-oil.

Mary Magdalene poured this oil over the feet of our Messiah Jesus Christ of Nazareth.

Mary was a type of the repentant, delivered Bride, who Jesus delivered of seven demons (seven chakras – could this be the deliverance from occult power?)

Lucifer too was made in the pattern of God. He was beautiful, dressed in jewels, he walked on God's Holy Mountain, everywhere he went, music was made.
(Ezekiel 28: 13- 19)

He was perfect in all his ways – verse 15, but he became an object of terror, verse 19. He also knew somehow he had to get inside man to be able to control him to set up the **luciferian system** of the **antichrist** in the world.

As the serpent, he began to talk to the **woman**. He knew that she was the God-designed **door** to give **birth** here on earth, the one with the womb.

The interesting fact that one of the trees of **life in the human anatomy** is in the **birth canal**. Lucifer needed a **womb** to birth things through, just as God did with Mary the mother of Jesus.

He first tempted her with her eyes and created the desire for her to eat. This is the counterfeit process that the Word of God describes in **Ezekiel 1 & 2**.

Ezekiel got a vision from God – a picture, he was shown something.

Ezekiel 2: 2 *“The Spirit entered into me when He spoke to me and set me upon my feet, and I heard Him speaking to me.”*

A WORD OF WARNING TO ARTISTS

We don't always associate the **creative process** with the **spirit world**, but we can be exposed to a form of 'channeling' and unless we understand **soul power** we can be channeling the wrong spirits, spirits that lead us to idolatry and away from God. The passion of kundalini is the **false creativity** of our Father, the Creator – the God who created all there is.

Innervision is the process that Lucifer has used ever since that very first encounter in the Garden. The **very earliest images** of the Garden that have been drawn from the inner pictures of men and women - the **artists** - have been of the **serpent as a woman**.

Lilith

The half-woman / half-serpent coiled around the tree, called by the Jews the demon **Lilith**. This serpent/woman who now sits painted in the **tree** at very centre of the **Sistine chapel in Rome**, regarded by millions as one of the **most sacred places** on earth.

(The famous Sistine chapel ceiling painted by Michael Angelo) She holds one of the very central positions in the Church of Rome.

What is an image of the serpent Lucifer/ Lilith doing in the church and given such a place of adoration?

Our Father Yahweh, warns us very clearly in the Second Commandment of His Word not to make images of anything in the heavens above or on the earth beneath.

Why have we elevated a figure acknowledged by the Jewish faith as a demon or called the '*first wife*' of Adam, to this position?

The description of **Lilith** from the **Zohar** describes her uncannily like the whore of Babylon that the Apostle John saw in the book of **Revelations 17**.

“She adorns herself with many **ornaments**, like a despicable **harlot**, and takes up her position at **crossroads** to seduce the sons of man. When a fool approaches her, she grabs him, kisses him and pours him wine of **viper’s gall**.

As soon as he drinks it, he goes astray after her. When she sees that he has gone astray after her from the path of truth, she divests herself of all her **ornaments** which she put on for the fool.

Her **ornaments** for the seduction of the sons of man are:

- her **hair**, long and red like the rose,
- her **cheeks** are white and red,
- from her **ears** hang six Egyptian cords and
- all the ornaments from the land of the East hand from her **nape**
- Her **mouth** is like a narrow door, comely in its décor,
- her **tongue** sharp like a sword,
- her **words** are smooth like oil,
- her **lips** red like a rose and sweetened by all the sweetness of the world.

She is dressed in **scarlet** and adorned with forty ornaments less one. Young fools go astray after her and drink from the cup of wine and commit fornication and strays after her. What does she thereupon do?

She leaves him asleep on the couch and flies up to heaven and denounces him, takes her leave, and descends. That fool wakes up and deems that he can make sport with her as before, but she removes her ornaments and turns into a menacing figure.

She stands before him clothed in garments of flaming fire, inspiring terror and making body and soul tremble, full of frightening eyes, in her hand a drawn sword dripping bitter drops. And she kills the fool and casts him into gehenna.”

This is an amazing description of the deception of **goddess worship** and the '*power of the goddess within*' the Goddess Kundalini activated and awakened by the Kundalini Yoga. This is the beautiful seductress who transforms into a murderous crone.

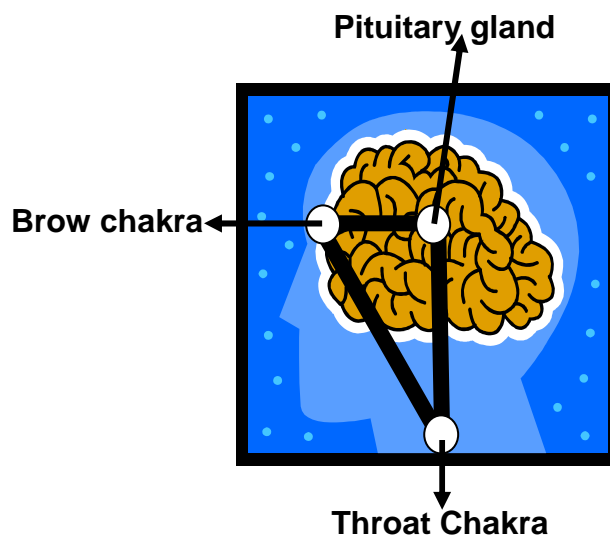

Venus:

The very earliest archeological images found all over the world, made by humans, have been of women, figures called **Venus**. **Venus is a name for the female form of Lucifer**. She is called Diana Lucifera or Mary Lucifer.

The power of imagery is generated in our brain. Images are an internal process first.

The inner sanctuary of yoga is the golden triangle, the “holy of holies”, the pyramid or throne is in the brain. It is the mid brain.

The Golden Triangle:

Inside the pyramid or throne is the:

- hypothalamus
- thalamus
- hippocampus
- amygdala
- pituitary gland.

All these are located in the mid brain in the seat of the **golden pyramid throne**.

The golden triangle sets us up for psychic powers and witchcraft to be released to the inner brain to render the brain at the top of the tree powerless.

The entrance is through the **third eye** – all the energy of the **sun, psychic power, the latent power of the soul** is released in the opening of the third eye. This is the occultic eye and it opens the eye to the false. The eye of false visions, the false prophet, false imaginations, and often the mouth of the false prophet.

The Mid Brain:

From the third eye into the mid brain the psychic power flows into the **hippocampus** known as the limbic system – **storehouse of sensory memory**.

This plus the **pituitary gland** and the **hypothalamus** affects almost every function of the body.

The **five senses** are affected and the third eye will affect spiritual seeing, hearing, smelling, touch, taste and discernment.

The psychic power affects the five senses and the five lobes of our brain and the kundalini serpent powers aim to render us powerless in the mid brain into the negative.

The mid brain is impacted by emotions, feelings of anger, fear, depression, sexual arousal, pleasure and sadness.

The Hippocampus:

This is the **temporal lobe** of the brain and as psychic power hits the middle brain, severe **mental illness** can occur. Schizophrenia, depression, mood disorders, Alzheimer's disease, autism, Tourets syndrome, epileptic seizures, memory disorders and trauma, loss of consciousness can occur.

If the Hippocampus is damaged, a person can become a prisoner of the past.

This is the organ targeted by **satanic mind control programmers**. In many of these issues there are no medical answers except to medicate or sedate with medication.

We need to expel and drive out all psychic intrusion and power out of the golden triangle and out of the specific lobe.

Command the serpent to be driven out in the Name of Jesus and bruise his head by the power of the Blood of the Lamb and the victory of the Cross.

The kundalini serpent is the golden glow of the sun; the energy force of great evil; of Lucifer himself. The serpent must be driven out of our minds and our homes.

We need to declare healing of all unhealed memories that are bound in a prison of the occult and witchcraft and break the paralyzing powers of the past.

The Hypothalamus:

This is the **temporal lobe**. It is also inside the golden pyramid, the throne, and can be rendered powerless by the psychic powers of the serpent. It is the **temperature control centre** of hot and cold sweats, hunger, appetites, weight gain or loss, sleep, shivers, hearing, memory, visual capacity and reading. The Hypothalamus affects the secretions of our Endocrine systems and can be affected by the serpent power on the throne of our endocrine systems.

Eph. 4:23 *“23 And be constantly **renewed in the spirit of your mind** [having a fresh mental and spiritual attitude],”*

The serpent comes to kill and destroy the Mind of Christ. He spoke to man in the Garden and he still has a voice to rendered us powerless and deceive us.

He wants to rendered powerless our brains into not functioning – malfunctioning – into being passive, believing the false and to loose our God-given capabilities. Our inheritance is that we have been given the Mind of Christ.

1 Cor. 2:16 *“16 For who has known or understood the mind (the counsels and purposes) of the Lord so as to guide and instruct Him and give Him knowledge? But **we have the mind of Christ (the Messiah)** and do **hold the thoughts (feelings and purposes) of His heart.**”*

The serpent wants to steal from our minds our full potential, to rendered us powerless, cripple us physically and emotionally, to rendered us powerless and make us loose our full potential and to kill the true apostolic / prophetic mind, voice and visions.

He comes to “bruise our heads”, blank-out our minds, and send us into a dream / sleep-walking state. We must drive out the serpent from our minds, bruise his head and destroy his assignment to render powerless the mind, head and body of the Body of Christ.

It is stated that the average person only uses 10% capacity of their brain; we need to activate the other 90%!

The Throne / Crown Chakra

The throne or seat of the serpent satan is in the head or brain of the person.

The doorway to the throne room, the holy of holies and false glory and vision is to open the third eye or the occultic eyes. This eye is situated in the middle of the forehead between the eyebrows.

Many of us has had our third eye opened, the eyes of the prophetic, just as Adam and Eve's were.

Our fallen nature opens our third eye, we can inherit occultic vision and then we become "illuminated" and perceive ourselves as gods, goddesses or those who have access to "secret" knowledge.

Self-realization, illumination and consciousness occur at the top of the tree of knowledge – the false tree. The expression the "light goes on" originated from this process.

The eyes and vision of the false prophet are opened and we become one with the serpent, the false prophet of all false prophets.

In **sex magic – tantric yoga** – the female releases her secretions on a leaf and the male seed is placed on the third eye. The ceremony is called the five part or five-fold eucharist and is carried out in a circle (the ouroboros, the tail-eating serpent).

The head is the place of authority. Jesus bruised the head of the serpent. The head of the serpent is his place of so-called perfect illuminated wisdom, but the tree of knowledge in fact opens the eye to the worst knowledge of the occult.

This level of wisdom and knowledge of Lucifer is the knowledge of the magi and magicians. It brings the unleashing of the latent power of the soul which Yonghi Cho wrote about in his book of the same title.

If we are to be true clean, pure prophets and priests, we must cleanse the throne of satan in our brain with the Blood of Jesus.

When our eyes are opened to perversion and evil, satan's eyes of illumination will take us into the inner sanctuary, the pyramid throne and into false visions, false revelation and false glory.

Tantric rituals called Tantric yoga means sexual energy. It releases kundalini serpent power into the paranormal or supernatural realm that is evil and false. Tantrism, sexual energy and yoga is part of the pagan religious system and part of the sex cult. **YOGA CANNOT BE CHRISTIANIZED!**

This is the true origin of Goddess worship, Lucifer in the guise of the beautiful goddess of love who for centuries has activated:

- the “fires of creativity”
- the “fires of inspiration”
- the “fires of worship”
- the “fire of love” *but also*
- the “fires of destruction, hate anger and death and war, mayhem and destruction”.

Her dark side is the killer of men and children through **abortion, rape, war and poverty** – the goddess who demands blood sacrifice.

Man’s Creative Ability:

The images produced came from man’s inspiration and has formed the world we see.

The word **inspiration** means:

- to stimulate,
- activate, especially **creative** activity,
- from the Latin *inspirare*: to **breathe**.

When God created man by breathing into him, He imparted the capacity for good or evil.

Creativity is a God-given gift, but Lucifer has **perverted** our creativity, our worship and has turned us blind, willing slaves to his **idolatrous system**.

Yoga, especially *Kundalini Yoga* and all New Age teaching, perverts our creativity when they activate the Kundalini force.

This same force is behind the **women’s liberation, lesbianism** and the awakening the “*goddess within*” movement. This is what Watchman Nee calls Soul power, the ‘**latent power of the soul**’.

It is passing through this channel of the **Sushumna** that the person leaves his physical body at will (astral travel) in such a manner that he can retain full consciousness on higher planes and brings back into his physical brain a clear memory of the experience.” This is often the root of false visions and experiences.

The union with the ‘divine’ is the *Kundalini*, the **serpent fire** which is activated through Kundalini and other forms of Yoga, from where we get the cute little ‘**Yogi Bear**’ of Walt Disney cartoons, which is rooted in New Age and Eastern Kundalini Yoga.

Yogi: a teacher of Yoga,

Bear: a form of the goddess. (Goddess Beara. The Great Bear – Usa Major.)

Kundalini is a form of *Tantric Yoga* and is the “supreme” form in all Yogas. It is Yoga activated by sexual practices.

Pagan followers regard Kundalini as the seat of absolute knowledge.

I quote:

*“It is described as one of the greatest energies, where the whole body starts glowing because of the rising of the **Kundalini**, because unwanted impurities in the body start to disappear with its fire. The body of the seeker looks proportionate, the eyes look bright and attractive and the eyeballs glow,”*

The meaning of the word **Kundalini** quite literally means “*serpent power*” or “*serpent fire.*”

The word comes from the Indian word ‘**Kundal**’ which means: “*coiled up*” or “*the lock or coil in the hair of the beloved.*” (The Beloved is the name of the Bride in the Bible.)

The uncoiling of the hair or serpent, is the awakening of Kundalini. This loosened hair was the symbol of the priestess / prostitute in ancient religions.

In Greek mythology the goddess **Medusa**, the terrifying form of the goddess has **snakes for hair**, symbolizing to fully manifested, dark, malevolent power of the **Gorgon** whose head was on the shield of the Greek goddess **Athena**. This was the image whose gaze paralyzed the enemy.

In the very earliest images of **Venus** the female figure is also shown as having **coiled, braided hair**, the forerunner of the modern hair braids and of Rastafarians.

This is the hair style of both the **white and black images** of the goddess – good and evil. *Kundalini* is also called the ‘**coil of rope**’, described as the thickness of a boars hair – this is a manifestation of **VASUKI** *the ‘great snake’ the ‘jute rope’* - origin of the **Indian rope trick** used by both **devatas** (gods) and **Asuras** (demons) and performed in India daily.

In **Nepal** this snake deity is known as **JANGULI** who appears at the **hub of the wheel of Samsara** and is the symbol of **unprovoked or uncontrolled anger**.

It is the **dual aspect** of great ‘**bliss**’ (good) and great **anger** (evil) that form the very nature of the Kundalini. This power is activated by all forms of mind control, labeled ‘*the internal controls*’ especially by the **military**.

The Nazi’s called it the ‘*force of the VRIL*’.

In Sanskrit the word means “**circular power**” from the word Kundala is a “**coil or ring**” or “**that which is coiled up.**”

This is the origin of the **ouroboros**, the tail eating serpent who formed the **Uraeus** crown of the Pharaohs of Egypt.

This serpent was called the **AAR, AART, AARTU** one of the roots from where we get the word **art** (creative Kundalini energy).

It was the symbol of secret initiation and the sign of the full manifestation of occult sight through the **third eye** of the *Kundalini serpent* on the forehead of the pharaoh. It revealed the full activation of occult knowledge.

It was called the **Kundalini crown** which manifested as the Pharonic serpent.

This is also the symbolic meaning behind the **plumes** on the helmets of **Athena, Britannia**, and many other goddesses, but also in the ancient headdresses worn by the **Tibetans** and **Hawaiians** still being worn today and echoed by the 'punk' hairdos of the today's youth.

This Kundalini serpent coils at the base of the **human spine** in a triangular bone called the **Sacrum**. The Latin name is ' **OS SACRUM**' - the holy or sacred part of the body.

In the human anatomy, the **SACRUM** is the **triangular bone** situated between the dorsal and caudal, two ilia between the **5th lumbar vertebrae** and the **coccyx**. It is formed of **5 united vertebrae**.

Sacrum in Latin means from the root word *Sacer*:

- a place *consecrated to a deity*.
- A *sacred thing*,

- *Holy* or **devoted to a deity for destruction,**
- **an offering,**
- **a victim for sacrifice .**

Here too is the double meaning for good or for bad.

The coccyx is called the cuckoo bone named by Galen the Greek physician who thought it resembled a bird. “*Kokkus*” is the Greek word for bird.

The sacrum is better known as the “sacred bone of witchcraft”. This is connected to kundalini activation through **sodomy**. Any form of trauma causes a major awakening of the serpent to release psychic energy force through **sex magic**. This explodes magic to open up the “royal highway” starting at the back passage going up the backbone to the throne pyramid in the mid brain. The sacrum has five parts – the first, second, third, fourth and fifth sacral segments.

(Please see *The Defiled Bride – Sodomy and Sexual Abuse* available from Kanaan Ministries.)

The ancient **Greeks** were aware of this and called it **HIERON OSTEON**, noting that it was the **last bone to be destroyed when a body was burnt** and thus attributed supernatural powers to it.

In the **West** it was associated with the sign of **AQUARIUS** (the new Age) as the **Holy Grail**, the container of the water of life and thus to water spirits.

In **Egypt** it formed the **DJED pillar**, the **Erica tree** in which Osiris was contained, this pillar formed the image of the tree (spine) with the branches lopped off.

The image became fused with **the sacrum of Osiris** which corresponded to the **immortal seat of the god’s vitality** and forms the ‘**root chakra**’ where the Kundalini vital energy resides coiled up in Yoga. This energy can be either male or female as it channels up the sun or moon channels and can be androgynous.

The female energy is a manifestation of the goddess **Kunda** or *Kundalini*, called by a myriad of names, some of whom are:

- *the first born Shakti, or Sakti,*
- *Isis,*
- *the fire witch,*
- *Kali who is the black Venus,*
- *the black Madonna,*
- *the black queen – black being black magic, evil, occult power.*

but she can also be:

- *the Virgin Mary,*
- *the Great Mother,*

- *the grandmother –Baba Yaga,*
- *the Queen of heaven with her divine child,*
- *or the angel of light – white, “good”, benign, healing but still occult power.*
- *the dove – false holy spirit.*

She is known by a myriad of names from every culture and nationality. This **female side of Lucifer is either black or white** as in the **checkered floor** of Freemasonry and the Ying-Yang of China.

This is Diana Lucifera – black / white / dual / the pure virgin / killing crone which the Bible calls the queen of heaven.

Please also work through Prayer of Renunciation – Kabala available from Kanaan Ministries.

KUNDALINI = DRAGON POWERS (Dragon is another term for serpent)

The **dormant female / male psychic energy** contained within a person is symbolized as a serpent coiled in the base of the human spine and stands for the **dragon**.

This is very clearly seen in the **art of China** and in the **dragon powers of Feng Shui and Chinese religions**.

One of the roots of the word “**dragon**” in the **Greek DERKEIN** means: – ‘**seeing**’, the dragon was attributed with **very keen sight**.

The word “dragen” forms the root word to draw or sketch connecting it to the arts.

Just as the **dragons guard temples and treasures**, so too it is believed that they guard our **spines**. Kundalini emanates from the **sun** and lies at the core of the earth mother and is the power behind her worship – goddess worship.

It is described as **the ‘force’ that calls us to home** and **the force that can transform our earth vessels into vessels that can make that journey**.

Satanist’s refer to the power of ‘*the force*’ through which contact is made between the infinite, kundalini energy and the finite, physical **sexual energy is its vehicle**.

The soul gains its highest spiritual potential while incarnated in the physical form, when the **great mass of kundalini energy locked in the root chakra** is released to travel up to the crown chakra in the head. It is said to join in union with the infinite.

The **root chakra** at the base of the spine represents our connection to the **feminine goddess** manifest in the body of the **planet earth**, mother nature or Gaia.

The **crown chakra** at the top of our head, represents the **masculine or female or androgynous god or goddess** energy that exists as **pure potential** in the heavens in the non-physical dimensions and radiates to earth within the **Prana** (breath) and Kundalini emanations from the sun.

When the Kundalini has traveled up the spine to meet her divine mate, the **union of spirit and matter** are consummated. The Goddess Kundalini sweeps her followers up in her tremendous passion to reunite with her lord **Shiva** in the crown chakra in climax.

This same technique is used by the **world of advertising** to activate us to buy, to feed the world of commerce today. Kundalini can be activated through the eyes, hence the term the ‘evil eye’, the force behind all witchcraft.

The manifestation of this feminine power is the primary aim of Kundalini yoga. So what is it and how does it work? We need to go back and look at the origins.

THE CADUCEUS

There are thousands of image variations of the Caduceus, but the ancient symbol has remained one of the most recognized **medical services symbols**.

The symbol that became most associated with the cosmic process of integration and the sacred marriage was the image of a **pair of snakes intertwined in union around the “tree of life.”** When they unite, it releases poison in the spirit as exploding magic which actually can kill a person.

The quickest way to activate kundalini is through:

- **incest**

- **rape – sodomy** (William Schnoebelen speaks about the highest secret orders of the occult – they believe that to rape a child anally gives them powers for eternal life – they suck the very life force out of the child. The child later reports memories of searing pain up their spine and a bright light that washes over their brain – kundalini has been activated.)

- or **dedication**.

The caduceus rod is the symbol of the male phallic and rape opens up the spine to become the “royal highway” to the throne of Lucifer – the serpent in the golden pyramid of the brain, to come into his full glory at or over the crown of the head like a cobra’s hood.

So the fire of the serpent is released up the spine to take our bodies into false baptisms of fire and false physical experiences.

The power of the serpent is thus released into the:

- electrical system,
- nervous system,
- endocrine system,
- immune system

to begin to destroy a person’s body.

Ironically, it is used as the symbol of healing power over many hospitals. It is a perverted image of the bronze serpent in the wilderness.

Num. 21:6-9 *“6 Then the Lord sent fiery (burning) serpents among the people; and they bit the people, and many Israelites died.
7 And the people came to Moses, and said, We have sinned, for we have spoken against the Lord and against you; pray to the Lord, that He may take away the serpents from us. So Moses prayed for the people.*

8 And the Lord said to Moses, Make a **fiery serpent** [of bronze] and set it on a pole; and everyone who is bitten, when he looks at it, shall live.
 9 And Moses made a serpent of bronze and put it on a pole, and if a serpent had bitten any man, when he looked to the serpent of bronze [attentively, expectantly, with a steady and absorbing gaze], he lived.”

Throughout the Bible the Lord warns about the **worship of trees**, being the worship of the goddess – **Asherah**.

The **Caduceus** first appears as entwined snakes on an engraving on a Sumerian cup, called the *Liberation cup of Gudea* dated about 2,000 BC in which the Prince of Lagas dedicates it to his personal god *Ningiszida* from whose shoulders a horned snake arises. So its earliest images connect it to the human body (spine). It is the cross of Freemasonry, the cross of Lucifer as represented as the serpent on the pole – symbol of ambulance services.

The **worship of the serpent** is as old as man. In the cult of *IRHAN* a deity of the city of Ur, out of which the Lord called Abraham, this deity was a god representing the **river Euphrates**, one of the rivers of Eden.

This deity was later synchronized with the cult of the god *NIRAH* and it is possible that these snakes represent the ancient god *Ea/ Oannes* out of whose shoulders flowed the **Tigris** and **Euphrates**.

Ea is the forerunner of the gatekeeper god **Janus** whose keys now sit on the back of the garments of the pope - **The keys of Cybele and Janus – the male and female called the keys of Peter**. This is the false Peter, Peter of Rome and not the Peter of the Bible.

The **origin** of the **caduceus** can be traced as early as 2,600BC to **Mesopotamia**. It was used by the priests in the Eleusinian Mysteries of ancient Greece where it was called the:

Kerykeion,

- the *staff of the god Hermes / Mercury* the messenger of the gods,
- creator of magical incantations,
- conductor of the dead and
- Protector of merchants and thieves.

It was originally a **herald’s staff**, sometimes with **wings** (the image of the caduceus at hospitals) or with two white ribbons attached. These ribbons eventually evolved into snakes in the intertwined figure of eight of the caduceus.

In the 7th century the caduceus came to be associated with a precursor of medicine and alchemy, based on **hermetic spells**, and became interchangeable with the rod or staff of the god **Asclepius the god of healing**.

This god was worshipped with snakes in his temple because of a myth that he had received a **divine healing herb** at the mouth of a serpent.

In this corruption of the Bible Truth the serpent is not the deceiver and destroyer **but** the *saviour/healer* who replaces the Messiah, a type of the **antichrist** and by whom the **Hippocratic oath** is sworn by doctors:

“I swear by *Apollo*, by *Asclepius*, by *Hygeia*, and *Panacea* and by all the gods and goddesses...”

In early **Egypt** they called Satan the great serpent **SATA**, the dweller in the uttermost parts of the earth, who was regenerated every day in the womb of the goddess.

This corresponded to Apollo’s underground serpent form the **PYTHON**, who the Jews called **Appollyon**, *spirit of the pit* and who was cast out of the servant girl by Paul.

It was the ‘**pythia**’ **priestesses** who were the **Delphic oracles** (the prophetess consulted by political leaders). The ‘winged staff’ is the origin of the images of winged angels and **fairies** that in Babylon were referred to as demons.

The **winged disc of Babylon** which is the root image was a symbol of the solar god, the counterfeit god of light – the fallen angel **Lucifer**.

Kundalini power can be activated by all the **5 senses** – there is some evidence to suggest that we actually have other senses.

It is activated through,

- *speaking,*
- *sight,*
- *smell,*
- *touch,*
- *hearing,*

but it is also activated by:

- *memory,*
- *light,*
- *dancing,*
- **meditation,**
- *fasting and rituals,*
- *ceremonies,*
- *festivals,*
- *theatre, movies,*

- *the media,*
 - *gym exercises,*
 - ***perfumes,***
 - *colour,*
 - *literature,*
 - *sex,*
 - *rituals,*
 - *intense forms of spirituality,*
 - *art,*
 - in fact by the whole creative process and
 - very powerfully by *symbols,*
- of which the caduceus is one of millions.

These 'senses' activate subliminal responses within us that often we are not even aware of. Much of the activation is linked through the **Limbic system** of the **brain**.

The Fastest Way to Activate the Kundalini Spirit:

There is evidence that **shock – accidents, trauma, near death experiences, childbirth, menopause** etc.; cause shock to the body that allows the Kundalini to be opened – this is important to understand when dealing with **child molestation, rape and sodomy**.

For thousands of years the snake was a symbol for **dynamic** and **regenerative energies** and of the **creative life force**. The caduceus shows us a pair of snakes representing the male and female polarity united, usually depicting the sexuality of the snake.

Significantly this union takes place around the **tree of life**, which traditionally unites the three worlds:

- *the underworld,*
- *the earth* and
- *the heavens.*

In many cultures the **tree** was the **connecting point** between **heaven and earth** and the **roots** to the **underworld**, it was the **world pole which united**.

The **image of caduceus** represents the **union of the male and female polarity**, into one whole and the restored harmony of three worlds.

The Caduceus was found in many diverse cultures of the world; **Sumer, Egypt, Greece, India, Europe (Druids) and even in the Americas**.

It is an archetypal symbol, a multi-dimensional image with its roots deep within the **psychic** and conceptual foundations of the human species.

As this symbol evolved between 2,000-1,000 BC it became increasingly associated with the *internal* processes of the individual, rather than with *external* rituals of religion.

No one is exactly sure where this new interpretation of the Caduceus and the **Sacred Marriage** began, but more evidence points to **India** than anywhere else, although it could have originally developed in Mesopotamia and gradually diffused along the trade routes between them. **India is one of the places left on earth where the ancient heritage of the goddess still remains.** This sacred marriage was re-enacted at various festivals in the year by a chosen male and female representative of the god and goddess to ensure fertility through sexual union.

For thousands of years this **Yogic knowledge** was carefully handed down by oral tradition from master to disciple. Kundalini Yoga was always kept very **secret.**

The ancient knowledge merged with more recently created **SIKH DHARMA** about 500 years ago, but it was never taught publicly until 1969 when Yogi Bhajan challenged the age old tradition of secrecy and declared **enlightenment** was the birthright of all living souls and not just royal houses. (Raj yoga)

He saw the world was ready for the '**dawning of the Aquarian age**' in **2010**, and he believed his destiny was to reveal the technology of Kundalini Yoga in order to prepare **millions** for the 'great changes' of the 'new age.'

However, this process had already been set in motion in the 1960's with the **hippie movement**, the awakened **drug culture** and the popularization of eastern philosophy through the music of the **Beetles** and other 'pop' music groups. The musical '**Hair**' (one meaning of Kundalini is the '*coil of the hair of the beloved*') ushered in the **Age of Aquarius** with the hit song of that name. This production has been re-released recently.

In history, the **temples** of the goddess served as places where individuals in the community could participate in **sexual sacraments**. There were priests and priestesses whose sole function was to provide **sexual services** to the community.

Most women before marriage had to offer themselves to these representatives of the deities as a **sacred act.**

Chosen members of the community in **fertility rituals** climbed the **sacred mountain (Ziggurats)** to the **sacred chamber** and became **incarnations** of the gods and goddesses in the act of sexual congress to ensure the **fertility of the land.**

Within this spiritual context over a span of several thousand years gradually the **external rituals of the Sacred Marriage** took on a new dimension, meaning and interpretation and gradually it became **internalized.**

That is, instead of seeing the god and the goddess only in terms of external manifestations as being 'out there' the conscious process of mythic association turned inwards, to inside the individual.

This process of **internalization** served as a true breakthrough in consciousness, for now the god and goddess were perceived as **symbols** within the **psychic structure** of each human being.

Followers of this system believed that *within each person reside an inner male and inner female and INNER GOD and GODDESS who through sacred sex became united in ecstasy.*

This is the basis of all **Tantric Yoga**, and become manifested through illicit **sex and pornography**. It is also the root of most forms of ecstatic worship not governed by the True Holy Spirit. God has given us such a perfect gift in the Godly union of man and wife but it has become so perverted.

The Caduceus became the perfect symbol to reflect this new internalization, the pair of serpents intertwined around the **tree, covered by the wings of lucifer**, became associated with the **life energy around the human spine** and eventually symbolized our **DNA structure**.

In mythology of old, the goddess on **earth** would ascend the holy mountain **IDA** (in Mesopotamia/ Babylon called the **Ziggurat**) to meet her Lord and Lover, the **Sky god**.

These were human representatives incarnating the god and goddess, so, this story began to be internalized in the human body as the **Ida** and **Pingala**, channels of Yoga.

It is interesting that the major centre of **Cybele's worship** was **Mount IDA**, in **Crete** which was also associated with the worship of **Zeus**.

Mt. IDALIUM in Cyprus was sacred to **Venus**, who was also called **IDALIE**. She is a form of **Diana/Venus**, to whom Paul refers to in the book of **Ephesians** - the Queen of Heaven for whom the women baked cakes and refused to stop worshipping in the book of Jeremiah.

THE FEMININE CHANNEL - IDA

This is the **ascending feminine** (named after the goddess **Venus**) current of energy described as within the person activated by Kundalini yoga, called the **IDA channel**.

The name **IDA** means:

- 'god *like*,'
- to work or
- perform.
- Old English: 'protection *or* possession'

Ida is a variation comes of the name **AIDA**. It is a form of **IDES** (the Ides of March).

In Gaelic the name **AIDEN** means :” *little fire or the firey one*” from the Middle English. **EYEDEN** which is the root of the word Aden or **EDEN** which connects it right back to the garden of *Eden*.

The **stronghold** of **Freemasonry** is *Edenburgh* or **Edinburgh**. (Also called the “Athens of the north”. Athens named after the goddess Athena.)

AIDA –WEDO is the **Voodoo Loa of fertility**, which connects it to both the serpent and to fire.

From the word comes **ADA** “*of noble birth*” but also **ADAMAS** “*hard, adamant, unyielding, inflexible, hard as stone, the diamond.*”

According to the book “Africa Through the Mists of Time”, **diamonds** were sacred to the Moon goddess. Diamonds are the stones of Venus.

ADAMOS, ADAMAS, ADAMASTOS, the ‘*invincible, unconquerable, the inexorable*’ which became the ‘spirit of **Table Mountain.**’

Table Mountain and the strongman **Adamastor** sitting over Cape Town and the Kundalini power. This explains why the New Age opened the stargate on Table Mountain.

Adamastos in Greek means ‘**untamed**’ - the very nature of **Lilith** and the spirit of **Jezebel**. Interestingly, it starts with the name “Adam,” the first human creation of God.

The Female Channel IDA:

This energy is perceived to **ascend** from the base of the spine through the **Ida** channel into the head where it unites with the masculine energy, the **Pingala** channel in a state of rapture (**sexual or ecstasy or ecstatic climax**).

IDA the **left cord**, is:

- **feminine,**
- goddess,
- ascending energy (the goddess climbing the mountain to the god)
- it is connected to the **Moon,**
- to cooling,
- the colour blue,
- to the negative,
- lethargy,
- grossness and
- insensitivity.
- It is negatively charged.

The word *Ida* means also a ‘*cool refreshing drink,*’ which connects it to nectar (the nectar of the gods). It flows through the left side of the spine. It carries the **Apana vitality.**

Ida also stands for **RAHU** – the **DRAGON’S HEAD**, the **CAPUT**.

Caput is the Latin word for:

- the head,
- the top of anything,
- the fountainhead,
- the source,
- *chief*,
- *the seat of understanding*,
- but also sometimes means the *root*.

(In French it is the word CHEF, which links kundalini to cooking.)

It is the **north node of the moon**, connected to *Saturn / Gemini*, it is the cool, lunar channel. This corresponds in the human anatomy to the **PIA MATER** or ‘**soft mother**’ in the human anatomy.

In Yogic terms this is called a **NADI** or channel of energy. It begins on the left hand side of the **root Chakra** and ends in the **left nostril**.

THE MASCULINE CHANNEL – PINGALA

This **masculine** energy (‘god’) is then felt to **descend** from the head to the base of the spine and is known in Sanskrit **PINGALA** which means ‘*fiery or red*.’ The fiery or red serpent.

This may have some association with the **holy mountain** and the **fire** running down its sides as in a **volcanic eruption**. (Sexual climax). Both the Ida and Pingala are described as being “fiery” and “red.”

PINGALA, the **right cord**, is:

- masculine,
- god,
- descending energy (the god coming down)
- is connected to the *sun*,
- *positive*,
- *to heating*,
- *poison*,
- *deviousness to the right side*
- *and the colour yellow*.
- It stands for positively charged.
- It stand for **KETU** – the **DRAGONS TAIL** – the **CAUDA**.

Cauda is the Latin word meaning: ‘*the tail of an animal, a boar’s tail, to flatter, fawn upon, to have a tail stuck on*’ (could it be the root of **sodomy**? The coccyx is the tailbone root chakra of kundalini.)

This represents the **south node of the moon** and is connected to **Mars**. It corresponds to the **Dura Mater** or “**hard mother**” in the human anatomy.

The nerve channel called a **NADI** is the carrier of **solar energy or Prana** and begins on the **right hand side of the root chakra** and ends in the **right nostril**.

These two channels wind their way around the **Sushumna (the central channel)** from the root chakra to the **nose** meeting at the **6th chakra** and polarizing each chakra in between.

Sacred marriages were specifically re-enacted at the conjunction of the sun and moon so the marriage was consummated when the **lunar** and **solar** currents are united through the **spinal chakras**.

The Ketu and Rahu are the head and tail of the lunar dragon.

The Tail the South node, the Head the North node.

In **astrology** the dragon's **head** pours down or bestows benefits, while the dragon's **tail** stores up spiritual darkness.

In ancient times the **solar** and **lunar eclipses** were thought to be caused by dragons or serpents swallowing up the bodies of the sun and moon.

The central channel or rod is the **SUSHUMNA**, the grounding neutral cord of the three parts of the rising Kundalini:

- the **ida**,
- **pingala** and
- **susushumna**.

The kundalini energy resides, and the **Kundalini Dragon** is activated in this central channel (the **Arachnoid layer meaning SPIDER**), in the **human spine**.

These two nerve channels intertwine around the central nerve of the spinal column, each of them makes two and one-half turns around the central column of the spine the **Sushumna** or **Shushumna**, as they spiral upward from the base of the spine.

In **Yoga** the **Spinal column** is known as **Meru Danda**. This is the **axis** of the body just as **Mt. Meru** is considered the **axis of the earth or world**.

It is through the minute canal of the spinal column called the **Canalis Centralis** known to Yogis as **Brahmanadi** that the Kundalini arises.

This is the corruption of God's given design of man:

Ecclesiastes 12:6 "6 [Remember your Creator earnestly now] before the **silver cord [of life]** is snapped apart, or the **golden bowl is broken**, or the **pitcher is broken at the fountain**, or the **wheel broken at the cistern** [and the whole circulatory system of the blood ceases to function];"

- the '**silver cord**'
- the three-fold cord.
- symbol of the Holy Trinity, the Father, Son and Holy Spirit,

The Biblical explanation of this scripture is:

Death in old age is compared to the breaking of a lamp, extinguishing the flame and loosing of the silver "chebher" or chain by which the lamp is suspended in an Arab tent.

Yogi's believe that the Kundalini energy flows in everyone with a vast untapped reservoir stored under the **fourth vertebrae** of the spinal column. In the **Perineum** in **men** and in the **cervix** in women (the site of the tree of life in the **female cervix** – the **plica palmatae**)

This energy is called *Kundalini*

- or *Kundalini-Shakti*,
- *Bhujangini* or
- *Avadhuti*,
- the psycho-spiritual energy or force,
- which is called the **GODDESS**,
- who lies asleep as a small bulb of energy which is dormant in early life,
- but is awakened when we turn inwards to source,
- to uncover who we are and where we came from,
- and where our true home is.

So when we turn to God, we find Him as Source. When we turn to Yoga, we find satan as source.

This kundalini energy connects to the '**silver cord**' frequency '**bridge**' forming a main current of vertical spiraling energy to the **Pineal gland** at the brain centre, called the 'pillar of light.'

Followers of Kundalini / Yoga receives the light of "someone" called:

- the '*soul light*' or
- '*radiance*'
- the '*I AM*'.

(This is the name of the New Age programming called 'I Am'. It is done in South Africa and Israel, an off shoot of Est programming [New Age programming in America.]

In:

- *Hatha*,
- *Raja*,
- *Tantra* and
- *Kunadlini yoga* ,

Kundalini is seen as the individual's form of **universal feminine life force** or **PRANA-SHAKTI** (*goddess power.*) In the ascent to the brain it awakes dormant areas where it can unite through the **Sushumna nadi** with the **masculine** force of **SHIVA**.

In **Tantra** the Kundalini is visualized as a **coiled serpent** *covering her face WITHIN* the opening of the **Sushumna nadi (spine)** where she lies coiled **three and a half, five or eight times**, depending on the teaching, in an area called the **KUNDA** or cavity – the fourth vertebrae.

The **fire pit** used in Tantric and New Age and **Indian fire walking rituals** is called the **KUNDA**. Counterfeit of the stones of fire of the Bible.

This serpent represents the unlimited potential for **action** and **creativity** within us. This is the **origin** of the '**fire of inspiration**' in the **arts**, '**the consuming passions which drive us**'. Many famous artists such as Vincent van Gogh were driven **insane**.

This fire does not come from Yahweh!

The New Agers and Yoga practitioners describe the effects of uncontrolled Kundalini awakening as likened to an **electrical surge blowing** up your PC or sensitive electrical equipment.

"Only when one attempts to rouse the energy latent in the inner layers, does the dangerous serpent fire begin to show itself. This is the serpent fire as a ball or sphere of fire or energy, the ball made up of layers, like a ball within a ball, within a ball". (Remember the song: 'Great balls of fire'?)

In **Kabbala**, this is the image of the '*world of spheres*' the '*husks*'.

In the **Babushka dolls** from **Russia**, *the doll is within a doll*. They represent the great mother.

Kabbala (Cabala) is just the same as eastern Yoga; one is **Hindu** the other **Hebrew**.

They are in essence the same. This fire travels up the spinal column using the three lines of **Sushumna**, **Ida** and **Pingala** simultaneously.

KALI

In Tantra this uncontrolled force is described as

- the goddess *Kali*,
- the *terrifying aspect of the feminine force*,
- the *black goddess with bulging eyes*,
- the *destructive/ creative aspect of the goddess*.

“**Kali** in her negative aspect as **CHAMUNDA/ CHINNAMASTA/ SHYAMA**. She is one of the most important Tantric **DASAMAHAVIDYAS**.

She is the symbol of the active cosmic power of **eternal time KALA**. The **Celtic** version of the **black kali** is called **Caiileach** or **Bridget** the **BRIDE**. (*this is the false bride – Kala in Hebrew means bride.*) She is called the spirit of sovereignty – the one who reigns over all.

Kali is the very power of annihilation, through **death** and **destruction** through which her seeds of life emerge.

Just as the destruction of the seed leads to the birth of the tree, so Kali is the embodiment of creation, preservation and annihilation.

She is a moon goddess, the queen priestess Isis, wife of Shiva.

She inspires love and awe at the same time.

She is ‘**Black**’ so all names and forms disappear into her (**MAHANIRVANA Tantra** - where we get the word **NIRVANA** the full manifestation of her power through the **crown chakra**.)

This deity of **blackness** is identified with ‘**pure consciousness**’

In Tantric hymns she is described as ‘**DIGAMBARI**’ – garbed in space – her nakedness.

She is free from all covering of illusion. Her disheveled **hair “ELOKESHI”** forms a **curtain of death** (the hair connects to the name of Kundalini ‘the uncoiling of the hair of the beloved’.)

- She is the black goddess of death, she holds a cup of blood in her hand.
- She stands with her foot on her husband, Shiva’s body.
- Kali has the sickle of Druidism, the decapitator of heads of authority.
- Decapitation of the thirtieth degree of Freemasonry.

Yet she is **full-breasted**, her motherhood a ceaseless creation (she also appears as emaciated a manifestation of **Anorexia**.)

Her garland of **fifty human heads** represents each one of the letters of the **Sanskrit alphabet**, which symbolized her repository of **power** and **knowledge**. The letters are **sound-elements** through the power of **mantras**.

She wears a **girdle of ‘human hands’**: hands the principal instruments of human work so they signify the **action** of **karma** or accumulated deeds to be enjoyed in subsequent births and constantly remind one that freedom is conditioned by the fruits of one’s actions.

She has snake bands of a priestess around her arms.

Her **blood red tongue** signifies the power of **RAJA –GUNA** the kinetic force which gives impetus to all activities.

Her sacrificial **sword** and **severed heads** symbols of dissolution and annihilation directing to us 'shed ego.' She cuts off heads of demon – the false deliverer.

Her **three eyes** govern the forces of creation, preservation and destruction (two eyes plus the third eye.)

Her **white teeth** symbolic of *Sattva*, intelligence 'stuff', which suppresses her lolling tongue, are indicative of *Rajas*, a determinate level of existence leading downwards to **TAMAS – INERTIA**.

She carries the **sword** of physical extermination with which she cuts the *thread of bondage*, her two hands dispel fear and exhort physical strength.

She is the changeless primordial power **ADYASAKTI** acting in great drama to awake the unmanifested **SHIVA**, a passive onlooker.

SHIVA:

He is part of the **trinity** of **Brahma, Vishnu** and **Shiva**.

Shiva is the ruler over the **head**. His consort is **Kali** (inama of Sumeria).

Shiva consummates with **Kali kundalini** – they form the **serpents of death** or **Shakti**. They are the "divine couple".

Shiva is the destroyer BUT he has reproductive power. He is represented by the phallic. So he is the life-taker and life-giver.

His **cult vehicle** is the **white bull**. He is similar to Osiris of Egypt.

In **Egypt Osiris and Isis** form the "divine couple".

At consummation the **lightning bolt** of the bull is released.

At consummation the **lightning bolt of Baal** is released to each chakra.

- he is in the lotus and cobra positions of Yoga.
- he is adorned with snakes and the crescent moon.
- he is consumed poison to save the world.
- he has three eyes, four arms, a garland of skulls and snakes around his neck like a Masonic noose.
- there are snakes on his armlets.
- his body is sneared with ashes.

If his foot is placed on a person's head, they will be reduced to ashes. The union with Shiva is sex alchemy or sex chemistry or sex magic followed by occult miracles.

Matt. 24:24 "24 For **false Christs** and **false prophets** will arise, and they will **show great signs** and **wonders** so as to **deceive** and **lead astray**, if possible, even the elect (God's chosen ones)."

Their inseparable union reflects non-duality.

In Hindu mythology there are four ages:

KRITA – YUGA the 'golden age' the age of joy or innocence of man.

TRETA-YUGA: (Yug is the Indo-European root of yoke.) The age of **silver** or that of **fire**, the supremacy of man and of the giants 'sons of god'

DWAPARA-YUGA: the age of bronze, a mixture of impurity and purity, the age of doubt and at last our own

KALI –YUGA: or age of **iron**, darkness, misery and sorrow. In this age Vishnu had to incarnate himself in Krishna to save humanity from KALI.

This is the false Christ. As consort of Shiva, goddess of death and human misery, **Kali represents the 'fall of man.'**

I quote from the article "We have to rid ourselves of Kali before we can ever reach peace."

This all sounds quite ludicrous until we realize that this feminine goddess energy is the exact form of the '**owl**' goddess **Lilith** that the **Illuminati** and **Governmental elite worship** in **Bohemian Grove**, America, and in whose image the streets of **Washington** was laid out.

This is the female 'demon,' assigned to the central position in Jewish demonology, but who is now heralded as the '**Voice of Jewish women**' throughout the world by the magazine, **Lilith**.

This is the goddess, who as **LILLAKE** squats in the tree of the Babylonian goddess **Inanna** hence her name the 'squatter' (squatter camps?)

This is the whore **LILITH** called the '*left hand of the goddess*' **Inanna** who stands in the doorway of the temple luring men to have sex with the goddess.

She is called **ERISHKIGAL** the goddess of the great below, **Lila of Sumeria** who formed part of the **Lilu** or *evil croucher demons*.

These '**crouchers**' in **Europe** are called **SHEELA-NA-GIG** from where we get the **Australian** word '**sheela**' describing a woman.

These demons that crouch at the door are called '*women who expose themselves.*'

They sit over the door ways of sacred places and in churches all over Europe in male and female form called 'images of lust'.

In **Genesis 4:7** the Lord warns **Cain** about '**sin who crouches at your door: its desire is to master you, but you must master it.**' In Biblical translation the phrase is sin is a "*rbs*" (**rabisum**) – *Hebrew root word meaning to crouch.*

The **Akkadian** word is '**rabisum**' a term for "demon." "The vagabond" – an evil vampiric spirit who lurks to attack people at entrances. They are demons of hell who live in the desert of anguish and attack newly arrived souls as they travel down the bone road to the city of the dead. They are called "seizers" in Gen. 4:7 this demon is called **SIN**.

Gen 4:7 "7 If you do well, will you not be accepted? And if you do not do well, **sin crouches at your door; its desire is for you, but you must master it.**"

This is:

- the Kali,
- black Crone,
- the Cailleach ,
- the 'night hag '
- succubus,
- Scotia after whom **Scotland** is named.

ISLAM AND KALI:

She is incarnate in the **black stone of Mecca**, - **EL KA'BA** means goddess, '**the old woman**' who is served by the *Beni Sheybah*, - **sons of the old woman, the hereditary guardians of her shrine in Mecca.**

The '*hidden initiatrix- the blackness that births the 'light of Islam'* whose '**yon**' is the **black meteorite stone** kissed by millions in ignorance that it is the '**vulva of the goddess**' and they are in fact performing cunnilingus (female oral sex) to her and to whom they pray and fast every day.

The name **Shaybah** comes from the root **SHEBA, the Queen** who came to Solomon (2 Chronicles 9)

This is **Lilith, Queen of Smargard** also called '**queen of the south**' – **basilissa notou**' according to the Bible and to Jewish Mythology.

It was she who brought and brought **666** – 120 talents of gold.

- **666** is the number of **ISIS** the goddess, the 'white form'
- the *Maiden/ mother/ Madonna* form of black Lilith,
- the black *Matronit* of the Jewish faith, worshipped by millions,
- both, as the pure '*virgin mary*' and
- the '*black Madonna.*'

Raphael Patai in his book the '**Hebrew Goddess**' states:

“She started out in **Sumeria** and **Kabbalistic** faiths lowly as a she-demon whose activities were confined to the nether realms of existence, which was associated with impure nocturnal animals that pulled man down to her own base levels.

Then in both religions and many others she succeeded in working herself up as it were to the higher rungs on the scale of numina until she became an undoubted goddess in Sumer and the consort of God in kabbalism as the black Matronit. - **The false bride.**”

In Rome St. Peter’s basilica of the Roman Catholic Church was built on what was called in Latin “Vaticanus Collis” – the “hill or mountain of prophecy”. Collis means hill or mountain.

Vatic is the L. Vates – the Druid word for prophet.

Vaticanor means “to foretell or prophecy, to rant, rave or talk wildly.”

Vates were “tellers of the future”.

Anus means an old woman or hag. This is the Crone / Kali – the kundalini.

Old women were the “sybils”, the ones who “knew”. The four “sybils” sit enthroned on the ceiling of the Sistine chapel painted by **Michael Angelo** alongside the image of Lilith – the serpent woman of the tree of knowledge.

Anus is the anatomical term for the back passage through which the kundalini is activated by **sodomy**. It is called the “gate of the old woman”.

According to the **Indian guru Muktananda**, the Kundalini has **two aspects**:

1. “One aspect is perceived as the outer ‘cosmic’ energy of spiritual life force. In **China** this is known as **CHI**, in **Japan** it is known as **KI**, in **India** it is known as **Prana** and in the **west** as the **holy spirit – the false holy spirit**.”

He says we all have limited forms of Kundalini running through us for it truly is the ‘life force’ the Kundalini energy that pervades the world.

2. The second aspect is the part that lies asleep...the goddess within...”

The kundalini lies ‘asleep’ as a small bulb of energy stored at the base of the spine, when this Kundalini awakens it is a dramatic transformational force, that flows through the **Nadis**, the nerve channels of the body, and rises up from the base of the spine via the **sushumna**, as this force reaches the chakras it increases their **spin**, which in turn spews out toxins which raises the resonance **frequency** of each chakra.

This process is likened to changing our wiring from 110V to 220V. The experience is a mixture of joy, terror and rage (the rage of kali). **Each memory and emotion trapped within each chakra must be cleared.**

This process can be very painful both physically and emotionally, but as we complete it we can experience life with a new peace.

It is called the '**call of the goddess.**' This in reality the call of Lucifer - Dianalucifera.

It is the same '**call of Inanna**' experienced thousands of years ago by priest and priestesses in **Babylon, Greece, China, India** and about every other nation, who emasculated themselves in ecstatic worship of her, becoming **transsexual eunuchs**, bound by sadistic ritual pain and sexual perversion. It is the counterfeit of the True Calling of the Lord.

In the book of **Revelation 13:5** it is the **Dragon** that gives the power to the image of the **beast** whose number **is like 666** so," *that the statue can actually talk and cause to be put to death those who would not bow down and worship the image of the beast.*"

Revelations. 16:13 *"and I saw three loathsome spirits like frogs leaping from the mouth of the dragon and from the mouth of the beast and from the month of the false prophet"*

Exodus 8:3 *"3 And the river shall swarm with frogs which shall go up and come into your house, into your bedchamber and on your bed, and into the houses of your servants and upon your people, and into your ovens, your kneading bowls, and your dough."*

1 Kings 22:21-23 *"21 Then there came forth a spirit [of whom I am about to tell] and stood before the Lord and said, I will entice him.
22 The Lord said to him, By what means? And he said, I will go forth and be a lying spirit in the mouths of all his prophets. [The Lord] said, You shall entice him and succeed also. Go forth and do it.
23 So the Lord has put a lying spirit in the mouths of all these prophets; and the Lord has spoken evil concerning you."*

Frogs are symbols of unclean 'water' spirits. The '**mandala**' the **Yantras** of **Yoga**, are sometimes called '**the frog**' - symbol of the '**great frog Mahamanduka**' - who was said to uphold the universe and was a symbol of **enlightenment**.

Interestingly, in the centre of each **mandala** is the '**star of David**' which is the **star of Venus**. So the whole link to Cabala, to the goddess to the New World Order symbolism (all internalized Yogic systems.) It is the root of Magen David or Star of David.

In Europe, the “*sheelas*” are called **Gargoyles**.

The current **French** word **GARGARISER** to ‘gargle’ is the term both, to gargle and GARGOYLE. The stem is not from gargariser but from **GARGOUILLE** and old French word meaning ‘**gullet**’ or ‘**throat**’, out of which the frogs or false prophecies or revelations leap – the throat is a major chakra.

According to myth in the 7th century a **DRAGON** rose up out of the river **Seine** but rather than breathing fire, it gushed forth water. (The river **Seine** was sacred to **Isis**).

His Name was **GARGOUILLE** or **THROAT**. He proceeded to drown the towns around Paris until confronted by **St. Romain**, the archbishop of **Rouen**, who made the sign of the cross with his two index fingers.

Throat was then led tamely back to Paris his head cut off and mounted on a building hence the word **GARGOYLE**. These became ugly – black crones called women (and men) who expose themselves – immortalized in stone as the waterspouts in cathedrals.

The Calleach / Kali. The Word **Cailleach** comes from *Caledonia*, the ‘land ruled by **Cale / Kali**, which forms central **Scotland**. After whom **California** is named.

Gullet comes from the word **Gully**, which means in Middle English **GOLIATH** a **GIANT**.

From the Hebrew name **GOLYAT, GOLIATH**. A dweller who lives by a gullet or Old French: **GOULET** the neck of a bottle.

From this we get the word **GOLLY**. (Images of **KALI** look just like those of the black **Golly-wog** dolls.) Golly was the word used by **negroes** meaning ‘by God.’

The medical condition called **Agromelia** is a physical condition which causes *giantism- gigantism*, from the Greek **GIGAS** a *giant*.

It is caused by an excessive production of **homones** from the **Pituitary gland** one of the glands affected by *Kundalini energy*. Could there be a connection to the Goliath that David slew, the ‘**dragon** who roared’ and Kundalini activation.

The **Gaelic** root of the word **Goll**, is **Gall**, *Gall* is ‘**wormwood**’ the bitterness of the plant **Artemesia**, named after the goddess **Artemis**, and which formed the base for the toxic alcoholic beverage **Absinthe** which ruined the lives of so many **artists**.

Absinthe means to “rot the brain”. **Wormwood** is also called **Chernobyl** and also **Apollyon**. Cherno means black. “Byl” means white in Russia. This means “black plant”.

Chernobyl – the site of the nuclear disaster.

The **star** called “**wormwood**” of **Revelations 8:11**.

Rev 8:11 “11 And the name of the star is **Wormwood**. A third part of the waters was changed into **wormwood**, and many people died from using the water, because it had become bitter.”

To gall means to:

- vex,
- annoy,
- to harass,
- humiliate,
- to make bitter,

exactly what the spirit of Lucifer does.

Gall is the root of *Gallic*. The **Gallic** people are the **Celts**. Bitterness causes internal toxicity.

[Could this be the dragon, the fierce feminine energy called the 'indweller' the *latent Luciferian powers* that have held man captive for generations, that will empower the forces of the anti-Christ?]

In **Europe** the **Cailleach Hags** were called ‘*the spinners*’ the **GIANT HAGS**, called ‘*stone raising spinners*’ who built the **megalithic stone structures** all over **Europe**.

They were ‘**giant guardians of the land**’, powerful **spirit women** and **goddesses**, called ‘*fata*’ who walked across the land carrying the stones and ‘*spinning*.’ Powerful territorial spirits of storm, death and destruction venerated to this day through festivals.

In **Bulgaria** these spirits were called **ALA or ALE**. “*She looks like a black wind, a giant of an indistinct form, a snake-like monster, a huge mouthed monster, a raven, a human-like monster*”.

She is seen as the **dragon’s sister** and not much “different from him”. “*She is invisible but very much heard, her powerful hissing resonating in dark, haily clouds, as the **Hala**-cloud overshadowing a village the people peered into the sky to see the great **imperial eagle** – the mighty bird with a cross on its back to banish her away.*”

“Hala” stems from the Greek word for “Hail”.

Ala is the Turkish word for **snake**, the black Baba personification of dark storms.

Ala drove people **insane**.

Ala is addressed as:

- Ale,
- Smiljana,
- Kalina and
- Magdalena – a form of Magdalene about whom the Da Vinci code referred to as the wife of Jesus.

This spirit is said to be able to “sneak” into humans and then “she” has human form but retains Ala’s properties and character. These people were recognized by their gluttony because Ala, in order to satisfy her hunger, drove them to eat incessantly.

Ala is the great earth mother of the Ibo people of Nigeria, the divine mother who gives life and as the crone claims children in death.

Allah – the great god of Islam is referred to as the “divine feminine” – her guardians at the Kaaba, the hereditary sons of the “old woman”, the Beni Shaybah are its guardian.

Could the power of the **dark mother, the Kali/ Cailleach**, who in the Celtic world is called **Bridget or the BRIDE**, be the **indwelling dragon force** that gives the power to the image of the beast through the **creative energy of the Kundalini serpent?**

In Yoga there are **three channels**:

- *IDA - Female*
- *PINGALA - Male*
- *SUSHUMNA - Central*

There are **7 chakras** along these channels which would appear to correspond to the **major planets**:

- Saturn
- Jupiter
- mercury
- Venus
- Mars
- Sun
- Moon

There are FOUR main **Constellations**:

In Yogic understanding these chakras and **nadi** are the **micro-cosmical image (internal chakras and nadis in man)** of the *macro-cosmical* Earth (**earth charkas and leylines**) but also of the **universe** (the planets and zodiac systems.) In one account they are called the chakras of the '**inner Zodiacal systems.**'

CHAKRAS are called '**windows of the soul**'. They are inner '**portals**' to the spirit world through which energy/ light can flow.

However, these windows can be bolted, barred, locked, cover with shutters or blinds to keep the light out.

In the book the "**Art of Spiritual Healing**" by Keith Sherwood, he describes a chakra as "a **funnel**, with a larger end on the surface of the etheric (spirit) body.

As this energy whirls into the small end of the funnel, sometimes blockages can occur, which results in something much like what happens when blood circulation cannot reach and organ or extremity, Depending on the severity of these blockages the body develops emotional and even physical 'dis-ease.'

These blockages are also called '**knots**' or '**stress points.**' **These windows cannot be seen, for they are spiritual windows, doors or gates which can be blocked with emotions, memories, pain, etc.,** but also can be unblocked, cleared and cleansed with repentance and the Blood of True Jesus.

The word **chakra** in Sanskrit means: '**wheel**' or '**spinning wheels or rotating wheels**'. They are described as **cone-shaped wheels of spinning energy**' also called '**discs**' or '**plates of light.**' In Russia the Baba/ Kali lives in a spinning hut" on chicken legs. Lilith is depicted with chicken or bird's feet.

These are also called 'flowers' or 'padma.' or **Lotus**. In the Bible it speaks of the flowering of the priesthood. The Yogic flowers are false flowers, but there is a true flowering of the Godly priesthood.

The Jewish priests also wore a **golden flower** or plate on their **turban** above the forehead called a '**sis**' which maybe symbolic of the **thousand petalled lotus** of the **crown chakra** (the '**sis**' is so close to the name **Isis** the name of the goddess). This is the true flowering of the priesthood on which "Holy unto the Lord" is written – the Seal of Consecration, Rev. 14:1

Rev. 14:1 "1 THEN I looked, and behold, the Lamb stood on Mount Zion, and with Him 144,000 [men] who had His name and His Father's name inscribed on their foreheads."

The Counterfeit – false holiness.

Each chakra has **spokes - the wheel, or petals- the flower.**

Each **petal** associated with one of the letters of the **Sanskrit alphabet.**

Each chakra has its own:

- colour,
- symbol,
- vibration,
- musical note,
- mantric sound,
- mantra, deities and
- connection to the elements and
- to the Zodiac.

Each chakra has a **different coloured light** which approximate the colours of the **rainbow** and are in fact called '**the rainbow of lights within.**'

The **Ida** and **Pingala** ascend and descend according to the chakras '**spin**'.

They are described as **stations** or **centers** of pure consciousness called '**chaityana**', which form focal points of meditation, the hidden meeting points of the **nadis** or channels of the '**subtil**', body according to Hindu physiology.

These energy-centered chakras are strung along the **Sushumna** – the central channel - and through them the Kundalini energy can be made to ascend either activating or dissolving (depending on which Yogic tradition) each chakra in turn, until it reaches the **crown chakra**.

At the **centre** of each chakra there is a stem-like channel that extends to the spine and merges with it. These chakras are connected to the **Sushumna** via these stems which provide each chakra with **vital energy**.

The **7 primary chakras** can be classified into **3 main groups**:

LOWER: – the root, sacral or spleen chakras.

MIDDLE: – Solar plexus, heart and throat chakras.

HIGHER: – the 6th and 7th crown (third eye) chakras.

There are also chakras in the **hands**, **the feet** and **genitals**. There are also additional chakras along the spine which are sometimes referred to.

In **Tibetan Tantra** there are **5 chakras** called **KHORLOS** located in the:

- perineum,
- navel,
- heart,
- throat and
- brain,

which correspond to

- the elements: earth, water, fire, air and ether;
- to the five cardinal points and
- the centre or summit;
- to the 5 families of the Dyani- Buddhas ;
- to the 5 seed sounds ;
- and to the 5 sections of the stupa or chorten.(this is the equivalent of the Babylonian Ziggurat.).

GOD’S WORD ON THE NUMBER SEVEN – COVENANT

In the Old Testament times while performing a covenant ceremony, they would offer during the ceremony 7 sacrifices and/or swear allegiance 7 times.

For example: In a marriage ceremony the oaths were repeated 7 times. The bride walks 7 times around her husband.

When you **swear** an **oath** in a **covenant ceremony**, the **word for swear or oath is the word derived from the number seven** which literally means **“TO SEVEN YOURSELF”**.

Many times in the Word, God tells His people: *“Divorce Baal and break all covenantal allegiance with this spirit and SEVEN yourselves to Me. Come back into marriage covenant with Me and I will be your Provider, I will be your covering, I will be your Protector.”*

The Seven Spirits of the Lord

Isaiah 11:2 “2 And the **Spirit of the Lord** shall rest upon Him—the **Spirit of wisdom and understanding, the Spirit of counsel and might, the Spirit of knowledge and of the reverential and obedient fear of the Lord—**“

- The Spirit of the Lord
- The Spirit of Wisdom
- The Spirit of Understanding
- The Spirit of Counsel
- The Spirit of Might
- The Spirit of Knowledge
- The spirit of the fear of the Lord

The Seven Seals of the Book of Revelation is only to be opened by the Lamb.

Revelation 5: 5, 9 “5 Then one of the elders [of the heavenly Sanhedrin] said to me, **Stop weeping! See, the Lion of the tribe of Judah, the Root (Source) of David, has won (has overcome and conquered)! He can open the scroll and break its seven seals!**

6 And there between the throne and the four living creatures (beings) and among the elders [of the heavenly Sanhedrin] I saw a Lamb standing, as though it had been slain, with seven horns and with seven eyes, which are the seven Spirits of God [the sevenfold Holy Spirit] Who have been sent [on duty far and wide] into all the earth.

9 And [now] they sing a new song, saying, You are worthy to take the scroll and to **break the seals that are on it**, for You were slain (sacrificed), and with Your blood You purchased men unto God from every tribe and language and people and nation.”

Satan is a copy-cat and gets man to make covenant with him.

The Seven Seals of the Seven Chakras

There are **seven seals of the seven chakras. Seven seals of fire.**

Kundalini followers declare these seals have locked people up and stopped their knowledge and power to keep people enslaved and ignorant.

So Lucifer comes to open the seals that are not to be opened and releases people into total destruction.

The opening of the seals can be used in black magic to kill. Fire is released into the seven chakras-wheels, the sun recognized by occultists as the source of all energy in the galaxy.

The New Age Rainbow

The covenant sign of God to Noah is made up of seven colours:

- red
- orange
- yellow
- green
- blue
- indigo
- purple

The seven colours of the Chakras make up the rainbow of the false covenant with Satan himself.

Visualisation

The visualisation of the colours of each Chakra, and spinning the wheel, is done up the spine by Kundalini practitioners.

This meditation of opening the wheels opens the eyes of the person.

Gen. 3:3-5 *“3 Except the fruit from the tree which is in the middle of the garden. God has said, You shall not eat of it, neither shall you touch it, lest you die.
4 But the serpent said to the woman, You shall not surely die,
5 For God knows that in the day you eat of it **your eyes will be opened, and you will be like God**, knowing the difference between good and evil and blessing and calamity.”*

There are Seven planets:

Mercury, moon, venus, sun, Jupiter, mars, Saturn. Each planet is also involved in the kundalini power with the moon and star worship.

The Seven Planets:

PLANET	METAL	ANGEL	CHAKRA	LOCATION ON BODY
	Mercury	Raphael	Sahasrara	Pineal gland

 EARTH'S MOON	Silver	Galnel	Ajna	Pituitary gland
 VENUS	Copper	Ahael	Vishuddha	Pharyngeal ⁴
 THE SUN	Gold	Michael	Anahata	Cardiac Plexus
 JUPITER	Tin	Tzadkiel	Manipura	Solar plexus
 MARS	Iron	Kamael	Swadhishtana	Prostate Vagina
 SATURN	Lead	Tsspkiel	Muladhara	Sacral Plexus

⁴ **Pharynx** (Science: anatomy) It sucks in dirt. The cavity at the back of the mouth. It is cone shaped and has an average length of 76 mm and is lined with mucous membrane. The **pharynx** opens into the esophagus at the lower end. The passage to the stomach and lungs; in the front part of the neck below the chin and above the collarbone. opens either the larynx or the esophagus canal.

There are seven zodiacs and seven metals are worshipped in the chakras.
In Yoga these Chakras are (based on the Hindu system):

1. **MULUDHARA, ROOT, BASIC, SEED or ROOT support chakra:** at the base of the spine. It has 4 petals or spokes. It is connected to the element **earth**.

The coccyx bone, sacrum bone – the sacred bone of witchcraft.

This is the alpha of Lucifer and affects the legs, arms, feet, rectum, bones and immune system.

2. **SVADISHTHANA/SWADHISHTHANA, SACRAL, PELVIC, GENITAL** or 'own abode' charka at the root of the genitals. It has 6 petals or spokes. It is connected to the element **water**. The spleen chakra, it affects the sexual organs, colon, urinary tract, small intestine, pelvis, lower back, immune system, body fluids and lymphatic drainage.

3. **MANIPURA/MANIPURAKA:** or 'fullness of jewels' chakra at the level of the navel. It has 10 petals or spokes. It is connected to the element **fire**. The solar pelvis chakra – affects the adrenal glands, stomach, muscles, liver, spleen, gall bladder, pancreas, metabolism, digestive tract, lumber vertebrae, lungs.

4. **ANAHAT,** heart or 'unstuck melody' charka at the heart centre. It has 12 petals or spokes. There is also the **HRIT** heart chakra which has 8 petals or spokes. It is connected to the element **air**. At this level the person becomes an occult mind reader and enters the spirit world not of God.

The petals are called the energy of love, loyalty, sincerity and forgiveness. It affects the heart, thymus gland, immune system, chest, skin, blood, circulatory system, endocrine system.

5. **VISUDDHA,** throat or 'complete purity' chakra. It has 16 petals or spokes. It is connected to the element **ether or space**. The meaning of Visuddha is "purification". It affects the throat, vocal cords, neck, bronchial tubes, communication, thyroid and parathyroid glands – false oracles, false prophetic, false mouthpiece, dignity, pride, honesty of Hinduism.
6. The **TALU/LALANA** chakra is in the roof of the mouth and has 12 or 64 petals or spokes.

7. **AJNA/SAVIKALPA/SAMADHI** chakra or ‘*gurus command*’ at the brow.

The door is open for clairvoyance and the gateway to mental and physical power, the psychic realms and false power to move in the spirit, the past is nullified and the person has no need to repent.

It has 96 petals or spokes. It connects to the **spirit**. This is also called **INDU** chakra. It had 16 petals or spokes and connects to the **mind**. It affects the pituitary gland, eyes, ears, nose, sinuses, and spinal cord. There is a pyramid of muscles fiber on the bridge of the nose – it is called the protection of the power to the brain – releasing the golden light of wisdom.

8. **SAHASRARA- PADMA/ NIRVAKELPA/SAMADHI, NIRVANA** or ‘thousand petalled or spoked ‘chakra.

This chakra is the omega of satan – the communion with the shiva god at the crown. Shiva the destroyer, the light and power are released through the fontanel bones – “the little fountain”. Kundalini now “cures you” and you come to self realization and the giving birth to the re-born dead man who is changed to meet the rising sun – Lucifer. The person can then experience astral travel into the seven heavens and seven planets.

It is placed on or above the head. It is technically not a chakra at all but a summation of all the chakras.

The crown chakra, the crown of Lucifer, the crown of death, the gateway to higher consciousness.

It affects the cerebral cortex, brain, skull, central nervous system, pineal gland, - affects hormones and melatonin for sleep.

There is also a chakra called **GURU** which sits in this place. It has 12 petals or spokes. The crown chakra is associated with the **Pineal Gland and the Pituitary Gland** which forms a psychic link with the 6th and 7th chakras called the **ANTAHKARANA** psychic bridge.

In the **Tibetan** system *the top two chakras are united as one as are the bottom two chakras.*

The elements are thus distributed differently:

- **MULADHARA & SVADISHTHANA** – earth
- **MANIPURA** – water.
- **ANAHATA** – fire
- **VISUDDHA** – air
- **AJNA & SAHASRARA** the top two – Ether, space.

1. MULUDHARA / MALAHARA OR FIRST ROOT, BASE, GROUNDING OR SEED CHAKRA: the chakra of the **earth**, called the *Dragon's tail* or *Ketu*.

This first chakra rules the **physical energies**.

The sense of **smell** is related to this chakra.

Smell our most primitive sense and it is the first sense that awakens upon our physical birth.

The receptors for smell are found at the base of our brains and feeds directly into our **Limbic system**, which is the area of **memory** and **emotion**. Therefore **aromas** can immediately access emotional memories stored in our subconscious.

It is associated with the astrological sign **Taurus** whose symbol is the **bull**.

Like the root chakra, this is the symbol of **masculine power** and **fertility**.

The strongest bull preserves the genetic integrity of the herd.

This chakra is the basis of **both male and female energy or soul power**.

It represents the **masculine will and male sex organs** as well as the **feminine energy** of the *goddess Kundalini* (**bisexual**)

This is the '**seat of the goddess Kundalini - Shakti, KULA KUNALINI**' the latent conscious energy, the *microcosm* of the *cosmic creative Shakti*.

This is where **a man can integrate their feminine power and women their masculine power through the opening of this chakra**; it also connects us to '**mother earth**' as well as to the element **earth** and to **crystals** (new age healing).

This chakra represents the '**reptilian**' portion of the brain, which is the **brainstem**, the centre for life support. The brainstem and the area above it are called the 'reptilian' brain, because it is possessed by all creatures from reptiles to humans.

For reptiles this is their entire brain, but for humans it is **the base or stem of the brain**. In fact, part of this area is known as **the brain stem** (the area scarred in mind control.)

Each chakra feeds '**prana**' breath (spirit), into different **endocrine glands**. Just as there are **7 chakras** so there are **7 endocrine glands**. Both the chakras and the endocrine glands are located along the spinal column.

The endocrine glands manufacture **hormones** and supply them to the blood stream, where they are carried to every organ and tissue to exert influence on the functions of the physical body.

The endocrine gland for the first chakra is the **Adrenal glands** – two glands located one on top of each of the **two kidneys**.

The **Adrenal glands** are the body's call to **battle**. They release **Adrenaline** and activate the '*fight or flight*' syndrome.

This Chakra is located near the **SACRAL PLEXUS**, the 'nerve centre' which rules:

- the skeleton,
- legs,
- feet,
- eliminatory system,
- reproductive organs and
- the prostate,
- the masculine side of the body and
- the feminine side.

Anthropologically the first chakra connects us to the time when man was a **cave dweller** (the reason there is so much activation being released from cave art.)

This is the **home** of the '*sleeping Serpent*,' origin of the '*sleeping beauty*' counterfeit of the True Bride, called the goddess Kundalini.

When this chakra is 'clear' the goddess Kundalini can awaken and begin her rise towards reunion with lord **Shiva**.

Each chakra in the human body connect to a chakra in '*Mother Earth*'.

As the goddess **LADY GAIA**, (one of her many names) she connects to the **MOTHER EARTH'S FIRST CHAKRA or Cardinal chakra** which is **at Mount SINAI**, or in some reports **MT. SHASTA** - where the body of **Mother earth**, allows her Kundalini to rise to meet her divine mate.

2. **SWADHISTHANA/SVADISTHANA CHAKRA**: the chakra of the **moon**.

This is the chakra called '*self or own abode*.'

It is the **navel** or **pelvic** chakra.

The navel was once our **umbilical cord**, the attachment to our first physical home the womb of our mother, and the place of nurturing.

It represents our attachment to '*Mother Earth*'

It has 6 petals or spokes.

In **numerology** 6 represents family, balance and harmony

(6 = 6x6 x6= 666 is the number of the beast/Isis.
The triple goddess - the unholy trinity.)

It is associated with the colour white or Orange according to which yogi's tradition, orange the colour of emotion.

In Hindu culture this is the colour of death and of the old (Hari-Krishna robes?). This refers not only to physical death but also to the death or total liberation.

The **musical note** or mantra for this chakra is **D** and the **mantra 'vam' or 'o'**.

This chakra governs

- sexuality,
- reproduction,
- emotions,
- instinct,
- food,

It rules the feminine component of sexuality where as the root chakra rules the masculine component of sexuality.

This is the chakra that governs **creativity**, the 'use of our hands' –sculpting etc.

This is the '**Hara centre**' of **dance** and **martial arts**. (**Belly dancing** – harem.)

This chakra governs the fight for survival, the '*gut instinct*.'

The first root chakra governs the *fight* for survival whereas this chakra rules the *instincts* for survival.

The root chakra rules money and the power that it holds
This chakra rules money also but the security that it brings.

This chakra governs 'taste' and connects to food, style, fashion etc.

It is connected to the astrological sign of **Cancer** which rules **emotions**, **receptiveness** and **fertility**.

It is linked to the element **water**; *our first home in the physical was the waters of the amniotic sac.*

It rules the **kidneys**, which is where we eliminate water.

This chakra depicts our 'animal instincts, tribal consciousness, the *mammalian* portion of our brain where the **Limbic system** rules our emotions and short-term memory.

The Limbic system is an important centre for creativity and learning because it is where emotions and memory combine.

Emotions teach us to remember through good and bad experiences, and the food connection is the means of reinforcement through the process of reward or pain.

This chakra connects us to the time when civilization advanced beyond caves and was able to settle into tribes (tribal and national identity.)

The **Endocrine glands** for the **second chakra** are *the Gonads* which consist of **both male and female sex organs**.

These include the *Testes, ovaries, and prostate gland*.

The latter is also ruled by the root chakra, the interaction between testosterone and adrenaline activated, when a man's fight or flight syndrome is activated.

It is connected to the *lumbar plexus and the lumbar region of the back* (back pain).

This chakra connects to the **SECOND CHAKRA OF MOTHER EARTH** in the **Brazilian Amazon**, or **Lake Titicaca** the paradise of fertility and growth.

This chakra symbolizes our emotions - good and bad.

The backlog of negative emotions acts like a wastepaper basket and one more piece of paper is enough to cause the contents to spill over.

This is our **unconscious** and we need to empty the wastepaper basket to clear the chakra.

The deities within the **Swadhisthana** chakra are:

- **VARUNA** seated on a crocodile- water monster.
- **VISHNU** and
- **RAKINI**.

This is the element corresponding to the element **water** and is traditionally associated with **sexual impulses and sexual energy**.

Indian teachings place a lot of emphasis on **celibacy**, *in order to raise and transmute this powerful sexual energy to the brain* or more correctly to the 'Upper **TIEN TIEN**' to use the **Taoist paradigm**.

This is the basic principal behind celibacy in all religions including Catholicism.

In practice, I quote from the article:

“However, *this noble ideal flounders because the individual is not ready to renounce physical sex, and may become psychologically unbalanced, full of guilt or turn to pedophilia or some other form of unnatural sex.*” End of quote.

3. **MANIPURA/ MANIPURAKA CHAKRA:** the **solar plexus chakra**. The chakra of the **sun**.

The **third chakra** located between the Sternum bone and the navel. This chakra in **Indian Tantra** is called the ‘**place of gems**’

It is described as having 10 petals or spokes.

The number 10 in numerology is reduced to the number 1. One symbolizes the beginning “as *in the beginning was the Word.*”

Every word begins with the thought. So it is the *unconscious* thought that proceeds through communication. It also represents the **communication with the astral world**.

It is associated with the colours *red, black, dark green or dark blue*, but also to *gold, yellow* which represents **intellectual thinking**.

Yellow, between the red of ‘stop’ and the green of ‘go’ on the chakras.

Its symbol is a **red triangle**.

The **musical note** for this chakra is **D** and the **mantra** ‘*ram.*’

It corresponds to the element **fire** – sun, solar fire.

This is the ‘navel’ or **Solar Plexus chakra** hence the alternative name **Nabhi**. It also rules **electricity** and *the firing of our nervous system* that allows our **Cortex** to choose our behaviour, our ‘will power.’

The area of the brain associated with this chakra is the *Neo- Cortex* which is the beginning of higher mental functioning.

The third chakra rules the **mental portion** of the brain of our consciousness and governs thinking, psychic, intellectual and the power/freedom that is gained by our minds.

This is the ‘**power chakra**’ for it governs our **sense of self**, - the power that we have within to govern our **destinies**.

If a person is too **YING**, **female** energy, they may feel **powerless**, too **YANG**, **male** energy they may tend to be too **aggressive** or **greedy**.

This chakra related to the **Liver, Gall bladder, stomach, spleen and pancreas**, it regulates how centered we feel and our mental faculties to stay motivated. It maintains our sense of self.

This is known as the gateway into the astral plane of the fourth dimension.

It rules our **cognitive emotions, and reactions to others.**

It is a combination of our thoughts and emotions that opens our gateway to the fourth dimension.

Once opened, this **portal** can begin to blend our third dimensional perceptions, with the higher psychic and intuitive consciousness.

This chakra rules our **sense of sight, the physical sight and second sight of astral vision.**

This chakra connects us to the civilizations of about 5,000 years ago, the great empires of *Egypt, Syria, Greece, and Rome* and their 'power over their opponents.'

It also connects us to their **multiple gods and goddesses** as well as the *animals* that they worshipped.

The **Endocrine gland** connected to this chakra is the **Pancreas.**

The pancreas plays an important part in the **digestion of food.**

It secretes the hormone **insulin**, which regulated the **blood-sugar** levels and our **metabolism** for **digesting carbohydrates.**

The endocrine gland is thrown off balance, when too much sugar is taken into the system. Alcoholic beverages instantly convert to sugar and diabetes can occur from alcoholism.

This chakra connects to the **solar plexus**, beneath the ribcage, and is associated with **the lower back, abdomen, digestive system, stomach, liver, spleen, gall bladder, and automatic nervous system.**

This chakra connects us to the **THE CHAKRA OF MOTHER EARTH** chakra in **Mount Kilimanjaro, Kenya, Africa** (one of the largest free-standing mountains in the world) or to **Uluru- Katatjuta, Australia.** It reminds us of the 'power within.'

When this chakra is unclear we feel powerless and it can reproduce, anger, greed, doubt, and guilt.

Its ruling deities are:

- **VAHNI,**
- **RUDRA,**
- **LAKINI.**

This chakra has centers in the **front (navel) and rear (kidneys)**

There is also a centre called the **TAN TIEN** described as being one and a half inches below the navel called the **SEA OF CHI** centre and is linked to the *molten core* of the earth, the fire red, central part of the **Tantric Manipura** chakra.

Chi is the Chinese Kundalini, the name CHI +na = China echoes this power.

Astrologically the planet or celestial sphere that connects with the **Manipura** is **VENUS**. This connects *Venus/ lucifer* to the **womb**.

4. ANAHAT CHAKRA – THE HEART CHAKRA : chakra of the **four winds**.

In Tantra this is called '*unstruck cord*' and its location is in our **hearts**.

It is said to have 12 petals or spokes of red or white, while the central part is a smokey hue.

The number 12 in numerology reduces to the number 3.

Three is the number which represents the relationship between **wisdom**, **power** and **love**.

Wisdom without love and power would be weak and cruel.

Power without wisdom and love would be dangerous and foolish.

Three is also the number of the trinity for good and bad.

It is associated with the colours deep red, shining red, shining vermillion, yellow, dark blue, white, but also green and pink for the '*high heart*', green representing growth and health.

Its **symbol** is the **blue hexagram**.

The **heart** is the hub of our bodies, the **centre** of our '**wheel**' (connects to the wheel of life'.) This is the point where our masculine and feminine energies meet.

This is the seat of the '**Divine Soul**' or '**higher Self**' the **JIVATMAN** represented by an image of a *motionless golden lamp flame*.

This chakra connect to the Astrological sign **Libra** the '**scales**' the sign of **relationships** and of **Venus** (*Lucifer*)

The heart chakra rules our sense of touch.

Touch is the first intimacy that we know as infants, and remains our most powerful means of communication throughout our lives.

Touch can be the most loving or the most fearful.

In our hearts we learn about touch and how we in turn wish to touch others to trust or to fear.

This chakra is ruled by the element **air** and rules our **Lungs**, which bring in air – **oxygen** – into our physical bodies.

The relationship between **heart** and **lungs** is vital, without the fresh oxygen that our lungs drive into our hearts; our red blood cells could not carry the vital life-force (blood) throughout our bodies.

The heart chakra rules our **consciousness**, '*human love*' and from our '*higher heart*' we give unconditional love which is *free of judgment*. From this place we can heal the harm that others have done to us, and we can heal others.

The **Endocrine gland** for this chakra is the **Thymus gland** which is the core of our **immune system** and vital for healing. Often it is said '*love heals*' – both the psychological and physiological centers of healing are in the heart.

The heart is the symbol of life, the Hindu **ATMA**, which is known as the '*three fold flame of life*' activated at birth and extinguished at our death.

It connects to the **Cardiac plexus**, which is the neurological hub for the heart, **lungs and blood circulatory system**.

Without blood and oxygen we cannot live. It rules the **Beta-wave** consciousness and **Alpha wave** consciousness which is the **bridge** to higher dimensions and the areas of our brain in the **higher Cortex**.

Love allows us to climb the stairs of **objectivity** and from a perspective of objectivity we can be free of the desires and passions of everyday life.

This chakra connects to the **CHAKRA OF MOTHER EARTH in HALEKALA, MAUI** (this links it right back to the goddess kali – **Kala**, the goddess Kundalini) or to **Glastonbury –Shaftesbury, England**.

The Deities within this chakra are:

- **VAYU,**
- **ISHA,**
- **KAKINI.**

The presiding power is **KAKINI**

5. VISHUDDHA CHAKRA : this chakra is in the **throat**.

Chakra of **time** (Kala/ **Kali means time**) and **space**

In **Shakta** Tantra the **Vishuddha** chakra has 16 smoke coloured petals or spokes, each linked with a Sanskrit vowel.

In numerology 16 reduces to 7.

Seven, the number of **analysis, understanding, knowledge, awareness** and **meditating**.

It is the '**inner focus**' that is vital for **creativity to germinate**.

The Central chakra region is white, transparent, smoke or sky-blue. It is associated with the element **space** (*akasha*) through which are transmitted the subtle vibrations of **Mantras** (*Laya Yoga*).

The **musical note** is **G** and the mantra '**ham**' or '**u**'.

The letter G is in the middle of the apron of **Freemasons**.

The 'air 'on a G-string,

Also the name for the **female underwear**.

This chakra rules the **throat, the vocal chords, speech, hearing, communication, self-expression, grace, singing** and **listening to the higher self**.

This chakra urges us to find ourselves, to communicate it through **creativity** and to use the **creative force of our higher emotions** to move our consciousness to higher dimensions.

It also rules our sense of **hearing**, just as we learn to hear our inner voice but to hear others also.

The **astrological sign** it is connected to is **Gemini** and it's ruler **Mercury**, which focuses on communication (*Mercury is Hermes of the Caduceus*).

The **element** it connects to is **ether**, which calls for this force to focus on the angelic realm, to a place where our individual consciousness has progressed beyond personal and group to '*national consciousness*."

This is the chakra that connects us to the NEW AGE – our present time, beyond the one male god with human characteristics to the *god/ goddess* that is in all of us.

The **Endocrine gland** associated with this chakra is the **Thyroid gland**, the butterfly shaped gland which wraps around the front part of the **wind pipe** just below the '*Adam's apple*.'

It produces **hormones** which influence essentially every organ and tissue and cell.

Thyroid regulates the body's **metabolism, organ function, affects the heart rate, cholesterol levels, body weight, energy levels, muscle strength, skin condition, menstrual regularity, memory and many other conditions.**

The Thyroid communicates with our entire body and has much to do with regulating our overall health.

The **nerve plexus** for this chakra is the **Laryngeal plexus**, which controls our **throat, shoulders, arms and voice.**

This chakra connects to the **MOTHER EARTH'S CHAKRA** in Mount **Shasta, California.**

Mt. Shasta has long been known as a **spiritual vortex** and many retreats and seminars are held there.

The "**Lemurians**" are said to live under **the Mount of Olives or under Mt. Shasta** which is the **highest** mountain in the United States and is a pinnacle of inspiration.

(Shasta daisies - daisy programming - Mengele).

This is the chakra that our tortured emotions can pull us into - the **nightmare of the lower astral planes, the tunnel to the 'dark side'** that lies in the **netherworld, the world of illusions.**

This is the chakra where we acknowledge that we are all gods and goddesses in training, like small seeds dropping from a flower (chakras) - we come into dimensions that **we must learn to flower** and where we find many **hardships**, for often *the soil is infertile and dry.*

It is the place of facing our **inner facts and outer conflicts** to grow into our higher creative selves.

*The **throat** holds the power of expression which is our birthright, the place where our **personal creativity is not limited to a social 'art form'** but **connects us to the creative force which is our birthright.***

The deities within this chakra are:

- **AMBARA,**
- **SADASHIVA,**
- **SHAKINI.**

The presiding power is **SHAKINI.**

6. ANJA, AVIKALPA, SAMADI, BROW OR THIRD EYE CHAKRA :

The word **ANJA** means "command" - in the sense of the 'Guru's command' or spiritual guidance. **Guru is a name for Satan.**

The **Tantric Brow chakra** has 2 petals or spokes the **ITARA –LINGA** (linga means the **male phallus**)

It is associated with the '**manas**' or 'mind.'

It is said to be white, lightening like in colour and connected to the colour purple. Its symbol is the **white triangle**.

Identified with the eyes, and the **third eye**, the '**eye of psychic vision**,' and to the **PRANAVA or AUM**.

THE PITUITARY GLAND AND THE PINEAL GLAND

According to Indian Yogis, *the Pituitary gland of the 6th chakra and the Pineal gland of the 7th chakra must join their 'essence' in order to open the third eye.*

The **pituitary gland** about the size of a pea is located behind the **centre of the forehead, between the eyes**.

Therefore this chakra is called the '**brow chakra**'.

The **pituitary gland** (pituitary means **phlegm**) is known as the '**master gland**' because it acts as the **main controller** that sends messages to all the other glands from **its two lobes, the posterior and the anterior**.

The **pituitary gland** prompts the proper growth of glands, organs and sexual development.

The **pituitary gland** is known as the '**seat of the mind**' with the **Frontal lobe** regulating emotional thoughts such as **poetry**, and **music**, etc., and the **Anterior lobe**, regulating **concrete thought and intellectual concepts**.

The Pituitary / Pineal gland is known as the '**seat of illumination**', reason, intuition and cosmic consciousness.

The Pineal gland is a **cone-shaped gland in the middle of the brain** behind and just above the Pituitary and contains pigment similar to that found in the eyes and is connected to the **Optic Thalami**.

Hence, *it controls the action of light upon our body.*

It is located at the **posterior end of the third ventricle of the brain and the pituitary in the roof of the third ventricle**.

It is said that the **essences of these two glands – the Pituitary and Pineal - are what opens the third eye.** The **Pineal gland awakens adolescent sexuality.**

It inhibits the immediate discharging of thoughts into action allowing us to look inward and deeply ponder our actions and reactions.

The third ventricle of the brain is a narrow opening lying near the base of the **Cerebral Hemispheres** and separating the two *thalamic areas*, these are the brain's 'storehouse' of all our sensory perceptions.

When the Pineal and Pituitary glands are fully developed and stimulated through meditation or prayer the third eye is open.

The **Third Eye** is called the '**eye of the soul**'. (The connection to ungodly' soul power' and the 'soul gates of the chakras' which can be opened for psychic and occult powers.)

Shiva Yoga is a form of Yoga which specifically awakens the **Pineal gland**, which is dormant because our focus is usually on the sensate world, rather than on higher spheres.

Shiva Yoga teaches that cosmic light descends to meet the individual through the **Optic Thalamic nerve connection of the Crown chakra.**

Once the Kundalini had risen to the **Pituitary gland**, it **merges** with the **cosmic light** which the Pineal receives in the third ventricle of the brain.

It is associated with the colours **white and golden.**

When the **feminine energy IDA** and the **masculine energy meet** the '**Mystical marriage**' initiates the birth of multi-dimensional consciousness, into the 5th dimension and beyond.

The rising Kundalini energy pulls the energy up from Mother Earth through the nerve channels into the Medulla Oblongata, through the Pons area of the brain and down into the Pituitary gland behind the eyes.

The increasing *Pituitary radiations* then pass through the third ventricle to *awaken the Pineal gland which has received light from the higher dimensions.*

The feminine energy IDA merges with the masculine Pituitary gland and the female Pineal gland receives the masculine unmanifest energy from the spirit. When the two awakened chakras essences meet in the third ventricle there is *union and harmony of spirit.*

The **Third Eye** is called:

- the '**middle eye of Shiva,**
- **the eye of Horus,**

- **the Horn of the Unicorn.'**

The **Temple of Maat** in early **Egypt** was **dedicated to the opening of the Third eye.** (Maat was the goddess)

It acts as a sensitive *receiver and transmitter* but by which **vibrations** of many types can be *translated, interpreted and dispersed* into our three dimensional brains to gain wisdom, and illumination.

Through this Eye, **inner planes, thought forms, patterns and higher entities** are perceived. It is this point that Yogis focus on in meditation which develops the **Lens of the Third Eye.**

This process facilitates **Theta wave consciousness.** Theta waves develop as we drift off to **sleep**, where vivid imagery flashes before the eyes.

This is a time when we are extremely receptive to receive information sent from higher dimensions. Theta waves form gateways.

The **deity** is:

HAKINI SHAKTI –

- the goddess with 6 faces of red colour,
- clad in a red garment,
- and sitting on a white lotus (reminiscent of the whore of Babylon – Kali?).

The **Ajna chakra** connects to the chakra of **Mother Earth in KUH-E-MALEK SIAH in Afghanistan.**

7. SAHASRARA-PADMA/NIRVAKELPA/SAMADI CHAKRA - THE CROWN CHAKRA - THE CHAKRA OF ETERNITY:

It is located at the crown of the head.

The location of the '**soft spot**' in an infant.

This in anatomy is called the **Fontanelles - 'little fountain'**. It is known as the *thousand petalled or spoked Lotus.*

Its symbol is the **white lotus or lily.**

It forms our own personal '**Star- gate**' or **vortex** into higher dimensions. It is a two-way chakra since it receives light from the cosmos.

The **musical note** for this chakra is **B** and the **mantra** is '**aum**' or '**ee**' as in **bee.**

The **colour** for this chakra is *violet /red*, red the lowest colour on our physical perception of the light spectrum, just above the *infra-red light.*

It is said to rule the **right eye**.

Conversely **violet** the highest perception on our physical perceptual light perception is just below ultra-violet and rules the crown chakra.

It is also associated with white pure illuminated light.

The Crown chakra rules the **Cerebellum**, the **top** of our head, **the entire brain, and nervous system, but also to rule the right eye**.

In **Egyptian** mythology the *opened Third eye* is called the **Eye of Horus**.

The physical **left eye rules the Moon and the feminine**, the manifest physical world.

The *physical right eye rules the masculine, Sun*, the unmanifest spiritual world.

Therefore the **right eye of Horus** brings the spirit into matter and then feeds that spirit into the **left eye of Horus**. In this manner the third eye remains open, grounded in the physical world and fully perceptive.

New Agers describe this as:” *The more we down-load higher dimensional powers into our physical bodies, the more essential it is to be grounded and centered.*
If we plug into a small fan, we do not need a third prong in the plug, however, if we are plugging into a powerful air conditioner we must have a third, grounding prong or we can burn out the electrical systems in our houses. It is the same with our ‘soul’s house’ – our physical vessels. “

We too must remain grounded in the Word of God and in Jesus Christ of Nazareth; otherwise we also might ‘*burn out*.”

The Crown chakra rules not only the *brain’s control of our entire nervous system*, but also our *higher self’s control*.

Once the crown chakra is opened we can become aware of the true brain (*the control mechanism*) that exists beyond the limitations of the third and fourth dimensions.

This chakra governs cosmic consciousness which is our connection to spiritual wisdom, aspirations, knowledge and the truth.
This is the ‘*cosmic gate*’ of New Age.

Just as the **root chakra** connects us to the ‘**Divine Mother**’ (the tail);
the crown chakra connects us to the ‘Father’ (the head)

The father and mother join together, spirit into matter, to produce the ‘**child of love**.’

[Is this why the Word says '*I am the head not the tail?*']

The re-connecting through Jesus Christ from Nazareth back to our Father and not to the 'Mother - the goddess.'

In New Age and the occult this *process is reversed* from the Father to the Mother – the goddess.

So to whatever source we are connected to, the Father or to the Mother will determine what direction we will go in.

This chakra connects to the **astrological signs** of **Capricorn** (*the goat*) and to **Pisces** (*the fish*) to the element of **cosmic energy**, which is often experienced as inner light, described as "*the energy which stems from the source and which feels like the ultimate intelligence and sense of knowing*".

When the crown chakra opens, there is an experience of **isolation**, the **blackness of the great void, total darkness' the nothingness** experienced by the New Age, *the Nirvana* of the **Hindus**.

This is the chakra of 'self-realization' of New Age - the place where they experience that they are 'gods.'

This chakra rules the **Endocrine gland the Pineal Gland**.

Pineal means:

- 'of the pine,
- the pine cone'

The Latin root word is **Pituita** which means:

- *catarrh,*
- *a cold in the head,*
- *phlegm – could this be the origin of the common cold?*

The largest image of a pine cone stands in the square or Court of the Pine in the Vatican, Rome.

The pine cone topped the **Thrysus** or **staff of Hermes** which is the rod of the **Caduceus**, and links to the **two keys on the back of the Pope's robes the keys of the male - Janus, (Pingala) and female - Cybele (Ida), the pine cone symbolic** of the crown chakra and the Kundalini energy.

These are all symbols of mind control.

The **Pineal gland**, about the size of a pea sits in a tiny **cave** behind the **Pituitary gland**.

It regulates the secretion of the hormone **Melatonin**.

Melatonin regulates our **circadian rhythms**, which are the *rhythms of waking and sleeping, or consciousness in our outside world and consciousness in our inside world.*

The **Pineal** is the **primary link between our soul and our brain**. It forms a **gateway to multi-dimensional awareness**.

It is the **regulator of light** and scientific research suggests that the Pineal gland may function in converting neural information about light conditions into hormonal output.

In other words, where there is less light, the Pineal produces more Melatonin.

Where there is more light, it produces less Melatonin.

This keeps us awake and functioning in the day and facilitates sleep at night. As light enters *the Retina* of the eyes this signal is sent via the **Optic Nerve** to the region of the **Hypothalamus** called the **Suprachiasmatic nucleus**. This pathway is called the **Retino-hypothalamic Tract**.

From the Suprachiasmatic nucleus, nerve impulses, via the sympathetic nervous system, travel to the Pineal and inhibits Melatonin.

The **Pineal** rules **Biorhythms**, whether we **feel high or low**. To open the crown chakra is to *'release suffering, the multi-dimensional healing process of our 'life issues.'*

It is through healing ourselves that we can heal others.

Once we have faced our dark sides, our fear greatly diminishes, after all it is the *'enemy within'* that causes the greatest threat – could this be the *Kundalini?* - The fallen angel in disguise as a great goddess?

In the **Sahasrara** dwells the godhead or **Supreme SHIVA-PARAMAMSHIVA** where the Yogi returns to a state of oneness with the 'absolute' Shiva like the goddess has terrible and graceful forms.

He can be benign or vengeful.

In the **union or balancing of the Ida and Pingala**, it is like the **wedding of the Sun and Moon**.

This wedding is called the **SANDHYA**. This wedding is of **Jiva**, the individual soul and **Brahman**, the absolute reality **Turiya**

The crown chakra connects to the **CHAKRA OF THE MOTHER EARTH** in **Mount Fujiyama, in Japan**.

Yama means 'mountain' which has provided a spiritual basis for Japan since ancient times. It is also the name of the demon of death.

It is also a name of satan in the form a **Tibetan** and **Hindu** god of destruction or to **Mount Kailas, Tibet**. (Kailas is so close to both the names kali and cailleach)

This chakra represents the full multi- dimensional consciousness.

To the followers of New Age, this represents:

- the journey to the 'self'
- the self realization to the god of 'self,
- the divinity **Atma Shakti Kundalini**
- **the 'bestower of Siddhis' –occult power.**

This is a quote from a **New Age** article:

*"Kundalini bestows liberation on Yogis and bondage on the ignorant, it is simply Goddess energy. It can be dangerous in that it can **cause terrible headaches**, increased body temperature, **extreme anxiety**, along with numerous other symptoms within the body and the mind.*

*Prolonged symptoms can lead to **neurosis and chronic physical pains, mental collapse, psychosis, demon possession or oppression**. We automatically want to fight what is happening within us, especially when we don't fully understand the process. If we recognize the body as energy, once the feelings are recognized we can deal with them accordingly."*

FREEMASONRY⁵

There is evidence that **Freemasonry** and many other **occult organisations** have **all the inner workings of a spirit of kundalini**.

The “**tree of life**” of **Freemasonry** is **wicked**. It defiles the precious from the Tree of all fruitfulness. That fruit produces **death**.

Freemasonry is an alliance with all false religions, including **Hinduism, Islam and Buddhism**. Freemasonry states that all religions are acceptable.

Isaiah 28:14-15 *“Therefore hear the word of the Lord, you scoffers who rule this people in Jerusalem. You boast, ‘**We have entered into a covenant with death, with the grave we have made an agreement. When an overwhelming scourge sweeps by, it cannot touch us, for we have made a lie our refuge and falsehood our hiding place.**”*

This is not just empty boasting. **There are in fact covenants that provide protection for demons**. If you are trying to evict a demonic intruder who is resistant, it may be that **there is a covenant providing protection for that evil spirit. If there is an unholy alliance between jealousy and death, the victim spirit, or Freemasonry**, a lot of time could be spent commanding, rejecting and renouncing, without result because **their unholy alliances do indeed afford the demons some level of protection**.

A covenant that was voluntarily entered into by two parties is allowed to stand; regardless of the pain it causes one party or the other, unless there is a law that supersedes it.

Similarly, there are ancient generational covenants that were made voluntarily at some point, and they provide a measure of protection for the demons in an individual’s life.

However, those covenants are subject to the higher law of the universe.

Any individual can appeal to the Righteous Judge of the Universe on the basis of those covenants not being just or righteous according to the supreme law that God has established.

Then, if God agrees that those covenants stand in violation of His law, He declares them annulled. That removes the protection the demons once had.

Once the unholy alliances and the covenants of protection have been annulled by God, we proclaim that the individual has voluntarily entered into a blood covenant relationship with Jesus.

⁵ Taken out of “**The Hidden Life in Freemasonry**” by **C. S. Leadbeater**

We proclaim that this covenant transcends and supersedes every other covenant, agreement, or protection.

Isaiah 28:16-18 *“So this is what the Sovereign Lord says: ‘See, I lay in Zion, a tested stone, a precious cornerstone for a sure foundation; the one who trusts will never be dismayed. I will make justice the measuring line and righteousness the plumb line; hail will sweep away your refuge, the lie, and water will overflow your hiding place. Your covenant with death will be annulled; your agreement with the grave will not stand. When the overwhelming scourge sweeps by, you will be beaten down by it.’”*

We must be determined to **separate the vile from the precious**: the Kingdom of Light from the kingdom of darkness. This is the true mandate for the Priesthood of Yeshua.

Jeremiah 15:19-21 *“19 Therefore thus says the Lord [to Jeremiah]: If you return [and give up this mistaken tone of distrust and despair], then I will give you again a settled place of quiet and safety, and you will be My minister; and **if you separate the precious from the vile** [cleansing your own heart from unworthy and unwarranted suspicions concerning God’s faithfulness], you shall be My mouthpiece. [But do not yield to them.] Let them return to you—not you to [the people].
20 And I will make you to this people a fortified, bronze wall; they will fight against you, but they will not prevail over you, for I am with you to save and deliver you, says the Lord.
21 And **I will deliver you out of the hands of the wicked**, and I will redeem you out of the palms of the terrible and ruthless tyrants.”*

The kundalini is vile – it produces death and it will kill the body.

(The masonic cable tow is symbolic of the serpent kundalini.)

“In the **First degree**, it affects the **IDA**, or **feminine** aspects of the force, thus making it easier for the person to control passion and emotions. (In Freemasonry it coils as the cable tow around the neck.)

In the **Second degree**, it is the **PINGALA**, or **masculine** aspect which is strengthened in order to facilitate control of the mind. (In this degree the cable tow kundalini coils over the right arm and upper torso.)

In the **Third degree** it is the **central energy** itself the **SUSHUMNA**, which is aroused, thereby opening the way for the influence of the **pure spirit** on high (Lucifer). (In this degree the cable tow kundalini coils three times around the waist.)

The Masonic Cable Tow (symbolizing the serpent / kundalini):

<p>1st Degree – In Freemasonry it coils as the cable tow around the neck:</p>	<p>2nd Degree – In this degree the cable tow kundalini coils over the right arm and upper torso:</p>	<p>3rd Degree – In this degree the cable tow kundalini coils three times around the waist:</p>
		

It is passing through this channel of the **Sushumna** that a Freemason leaves his physical body at will (astral travel) in such a manner that he can retain full consciousness on higher planes and brings back into his physical brain a clear memory of the experience.” This is often the root of false visions and experiences.

The method devised by Lucifer in the Garden is mirrored in the methods being used in the **first three degrees** of Masonic initiations. The thirty-three degrees of Freemasonry connects to the thirty-three bones of the spine.

The initiation into Freemasonry is done by:

- first activating the woman-feminine **Ida** channel,
- then the man – masculine **Pingala** channel,
- then the contact with the **pure spirit** – Lucifer – through the **Sushumna** which is the **human spine** (the tree.)

It is exactly the same pattern used by Lucifer – first Eve, then Adam, then both their eyes were opened – enlightenment.

The **Ida** and **Pingala** are called **nadi**, nerve channels in the human spine. **If the knot of a Masonic apron is tied, it activates the Kundalini power which is passed on from generation to generation.**

The blows to the head in Freemasonry takes over the head and mind.

Freemasons, the ' *hierarchs of fire* 'refer to it as the ' *dormant fire* ' the ' *lucifer spirit* ' which is kindled into light by friction, by the blow of a hammer, or by chemical reaction.

In Freemasonry there are Seven Chakras:

<p>1. The root Chakra (the apron)</p>	<p>Vorderseite / frontside</p>  <p>Rückseite / backside</p>  
<p>2. The lower Chakra</p>	
<p>3. The solar plexus Chakra</p>	
<p>4. The heart Chakra</p>	

5. The throat Chakra

6. The brow Chakra

7. The crown Chakra

There are seven steps into the Masonic lodge.

UNDERSTANDING THE LEWIS STONE AND THE LEWIS CURSE

1. The **firstborn** son of a Freemason is known as a **Lewis**.
2. Another meaning of the Lewis is the apparatus that gets pushed under a heavy stone block to be able to lift it or move it.
3. The stone in the **middle of a built arch** is also known as the **corner stone and the Lewis Stone**.

How is this arch built?

When a stone mason builds an arch, he uses **supports** to keep the stones in place while it is still uncompleted. The chiseled stones get cemented together from both sides working towards the center. As soon as the corner stone is placed in its place, the supports can be removed and the arch stands on its own!

Why the corner stone, as well as the oldest son of a Freemason is called a Lewis.

For many centuries in **Persia**, they built an archway where the False Messiah (Baal Berith) was placed in the middle of the arch. He was portrayed as a son on a rainbow. The Lewis Stone is placed at exactly the same place.

During the Christian era this False Messiah was wrongly associated with the true Jesus Christ.

In their search for **enlightenment**, the Freemasons climb up **Jacob's ladder** according to the **degrees** of Freemasonry, until at last they are "enlightened" when they get to the 31 – 33 degrees. It is at this stage that the **Kundalini serpent** has climbed through the **7 chakras** on the spine – 31-33 vertebrae.

According to the Freemasons, at this stage, they are changed into so-called "gods". This in turn, causes the eldest son of the Freemason to be a "son of god".

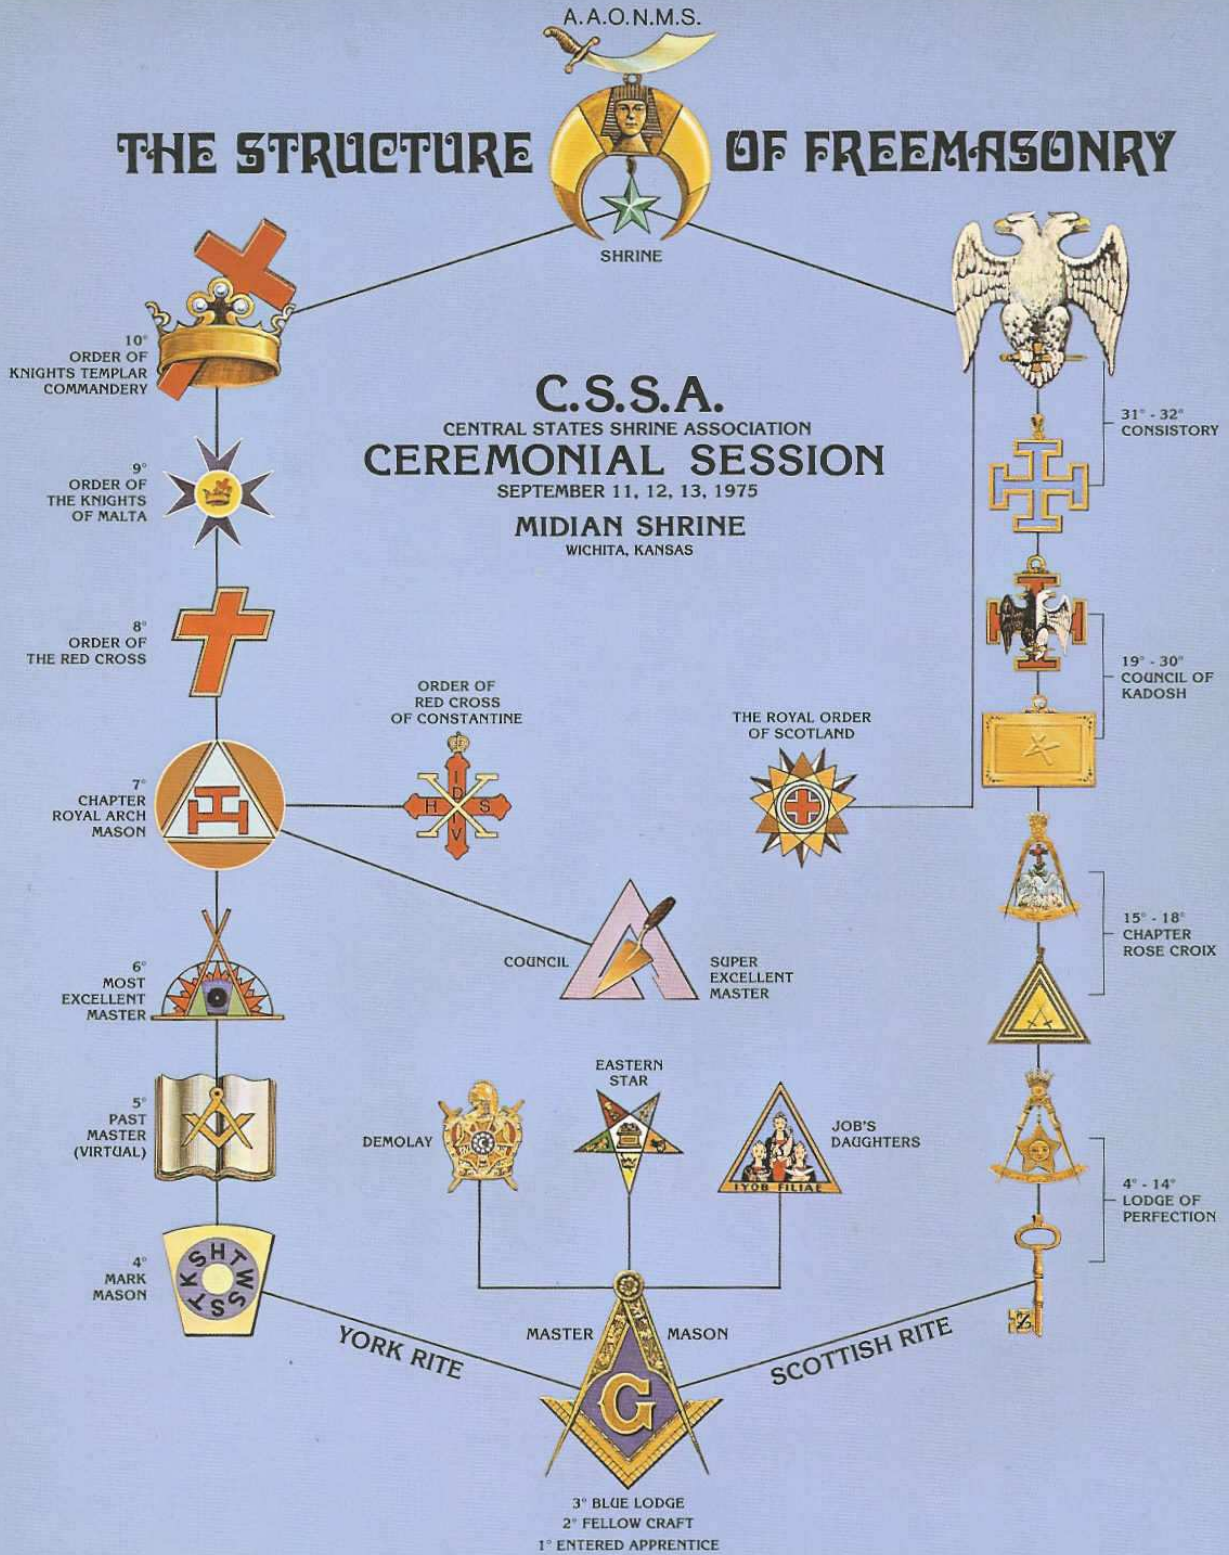

He sits in the middle of the rainbow (which is the symbol of the covenant that God made with Noah) as the "Messiah".

If this so-called "messiah" does not take up his calling to be a Freemason, he comes automatically under the Lewis Curse:

He will never be successful in his life – he will always be struggling with financial problems and will forever be a failure.

PRAISE GOD THAT YESHUA IS OUR MESSIAH!!

THE STRUCTURE OF FREEMASONRY

PRAYER OF REPENTANCE FOR KUNDALINI

Dear Loving Heavenly Father,

We come to bow before You in awe, wonder, praise and worship as the Almighty God of all Creation, the only True and Living God in the Name and through the Blood of our Saviour and Redeemer, Jesus Christ of Nazareth, Your Son.

Father we come not in our own strength but through the power and guidance of Your Holy Spirit. The True Holy Spirit, the '**Comforter**' the 'Parakletos' Spirit sent by Jesus, Son of the Most High God, and we call You Holy Spirit, to be at our side to help us as we pray this prayer.

We ask You Lord Jesus to arise as our **Advocate** before our Father to defend and fight for us in the courts of Heaven and judge the works of darkness that have kept us in bondage. We ask You Father to hear us and forgive us for departing from your ways.

We rebuke and bind and loose ourselves from:

- every other spirit that would guide us,
- **every spirit guide,**
- every **fallen angel,**
- **familiar spirit,**
- every dissociated human spirit,
- dead human spirit,
- every witchcraft demon

who would attempt to interfere with this prayer and deceive us.

We take authority over you and tell you to go in the Name of Jesus Christ of Nazareth and through the power of His precious Blood.

We petition Father that You would form a hedge of protection around us, our families, our pets, our homes, our land, our possessions, our job and all that we have, that no fallen angels or their carriers can penetrate.

We ask You to **seal us internally** and **externally**, body, soul and spirit with the Blood of Jesus, the Spotless Lamb of God. We petition that no fallen angel or foreign human spirit would be able to take **executive control** of us or **any part** of us.

We ask Father that if any fallen angel does attempt to interfere, that they would be required to **declare out loud that Jesus Christ of Nazareth is it's Lord and that the Holy Bible contains the truth about God.**

We take authority over them and we ask Jesus Christ of Nazareth to bind them and make them **deaf, dumb, blind, stripped of all ranking, power, illusions, armour and weaponry** according to Your Word in Matt. 16:19.

We petition Father that You would remove them to neutral places until You deal with them and that every 'legal right' that they may claim to remain attached, will be revoked.

Father we petition that the Blood of Jesus will **seal every element, water, earth, fire, air and ether (the fifth element, the spirit) externally and internally** so that they cannot be harnessed by the enemy against us.

We petition for a dismantling of every work of darkness being released against us from the **North, South, East, West, the N.E, N.W. S.E. and S.W.** that You will pull down every **witch watchtower** monitoring us by day or by night.

We petition that **every cardinal point** will be covered by the Blood of Jesus Christ of Nazareth and that every:

- **access point,**
- **exit or entrance,**
- **gate,**
- **door,**
- **window,**
- **tube,**
- **pipe,**
- **channel,**
- **portal or**
- **portron,**

in the **spirit** or in the **natural** will be covered and sealed with the Blood of Jesus Christ of Nazareth

We petition for a restriction order to be released from Your courts in Heaven against every work of darkness being formed against us by Satan and his agents according to Your Word.

Isaiah 54:17 *“no weapon that is formed against us shall prosper and every tongue that shall rise against us in judgement shall be shown to be in the wrong.”*

We stand on Your Word Father in:

Luke 10:19 *“You have given us authority and power to trample upon snakes and scorpions and the physical and mental strength and ability over all the power that the enemy possesses and nothing shall in any way harm us.”*

We pray Father against **all backlash** in the **spirit** or in the **natural** by Satan and his agents over us, our family or pets, our finances or relationships as a result of this prayer.

Father, Your Word says in:

Ezekial 22:30 *“I sought for a man among them who would build a barricade or stand in the break to oppose me on behalf of the land, so that I would not destroy it; but I found no one.”*

Your Word also says in

2 Chronicles 7:14 *“then if my people who are called, bear My Name would humble themselves and pray, seek My face and turn from their evil ways, I will hear from Heaven, forgive their sin and heal their land.”*

Father we have never walked this road before so, we need You to lead us and to guide us as we pray.

Your Word says that You are looking for someone to build a barricade and stand in the gap against the forces of darkness on behalf of the land. That if we humble ourselves and pray and repent, turn from our evil and seek Your Face that You will hear us from Heaven, forgive our sins and heal our land.

So here we are Father, we willingly stand in the gap for:

- ourselves
- our families,
- our land
- and our nations.

We want to repent of every evil way and turn from them so that we, our families, our homes and our land can be healed but most importantly that You will hear our prayers in Heaven.

Father Your Word says in

1 Samuel 15:23 *“For rebellion is as the sin of witchcraft and stubbornness is as iniquity, idolatry and teraphim, household good luck images. Because we have rejected the Word of God, You have also rejected us from being king’s.”*
(Amplified)

Father we have strayed so far from Your Truth, we want to go back to the beginning, to repent of where things went wrong, to come in right standing with You and to obey Your Commandments.

We stand in the gap and repent for ourselves and all our ancestors for all rebellion in our family.

We repent for not obeying Your command to not eat of the **tree of knowledge of good and evil, blessing and calamity** (*Genesis 2:16-17*).

We repent for not discipling/mentoring our family so that our children would be walk in your ways.

I repent for speaking / listening to the serpent/Satan/Lucifer and heeding his words in preference to those of Yours.

I repent of eating the **fruit** of the kingdom of darkness and for allowing the **seeds** of the **fruit of the serpent** to enter into me.

I repent for every act of opening myself to the door of 'serpent power' the power of Yoga and to be controlled by

- **serpent fire power,**
- **the power of the occult,**
- **the world of illusions.**

We stand in the gap to break the crippling spirit of kundalini that would try to cripple every part of our bodies and cripple us emotionally, mentally, spiritually to render us spineless and powerless.

I repent for trying to blame others for my own sin of not obeying Your Word and for opening myself up to **anger, hate, bitterness and disunity**. We declare that we will break out and rise up out of the stronghold of kundalini walking and leaping and in unity praising God and we will run in the full liberty of the Lord.

I repent for making You sad by my actions as You said in **Genesis 6:6**. You even' regretted that You had made man on earth, and for grieving You in Your heart.

I repent for opening ourselves up to:

- the worship of trees,
- to Kundalini,
- to the power of the goddess/Lucifer and
- to luciferian spirits

through these actions, for allowing ourselves to be **ruled from the inside** through the seeds of Lucifer's fruit.

I declare that my body is the temple of the Holy Spirit and not a temple of satan, not a temple of kundalini. My body has been bought with a price – the Blood of Jesus – and I will not be destroyed being used as a temple of darkness. I will be a sacred container of the Holy Spirit.

I renounce any authority which I gave satan to allow him to use me to for his kingdom here on earth, for allowing my creativity to be defiled and to move into **idolatry** and to create **idolatrous and controlling systems** to enslave others.

Forgive us Father for being **angry** at You when things started to go wrong and not understanding that it is our own actions and choices that cause us to suffer.

I repent for allowing the serpent to **twist our perception** of Your Nature, seeing You through the **veils of the serpent** and for passing on that message to our children, thus sowing **seeds of doubt** in their hearts.

Father we repent with all our hearts and ask You to forgive us for our acts of **rebellion** and **witchcraft**. We repent of talking to the serpent and allowing ourselves to be opened up to idolatry and witchcraft.

Father please forgive us and help us to turn from these wicked ways forever, so we can be set free to tell our children the Truth about the wonderful God of Love who created us and to pull down the deceptions of Satan.

Father we repent for

- having **yoked** ourselves to serpent power through **Yoga**,
- for unifying ourselves with **serpent power**,
- for having union with 'divine' occult spirits.

We repent for having joined ourselves body, soul and spirit with **serpent fire**, for allowing it to burn within us and through us, for allowing serpent fire to come out of our **mouths** to burn others.

We declare in Jesus' Name satan's master plan to take me and my family's backbone and every system of our bodies, will not be fulfilled! Our bodies will not be taken into darkness but brought into the glorious Light of the Gospel of Truth.

We repent in our ignorance for entering into any **mystical marriage** to Lucifer, **internally** or **externally** through **Yoga or occult initiations**.

We repent being **yoked by covenant** to the serpent through **ancient Yogic and other philosophies, teachings and worship of other gods and goddesses and their human incarnations**.

In Jesus' Name I renounce and repent of these **cults of serpent worship, tree worship, cow and bull worship, worship of all false light, false fire, false gods, goddesses, false corn, and the false river of life**. I repent of covenanting with these spirits of idolatry and for all the false worship they received from me and my ancestors.

We repent Father for:

- allowing ourselves to being yoked to Lucifer and his agents,
- for being their slaves,
- for carrying their yokes - their 'yokes of shame.'
- then making slaves of others.

I will only have one God. The Lord Jesus Christ of Nazareth is the only One I will worship, and through Him, the Father. In Jesus' Name I take the cleansing Blood of Jesus that forgives and wash away all pagan worship.

Please forgive us Father. I repent of the **satanic initiation** in our family line that has released the **satanic fire**. I declare the Blood of Jesus to break and cancel the satanic initiation and the **seven steps into the black abyss**. I repent of satanic worship and the release of kundalini power in my family line and I cut the kundalini power from my bloodline with the Sword of the Lord.

We renounce all:

- Luciferian unions,
- Yogic unions,
- covenants,
- marriages,
- nuptial contracts,
- all unnatural joining and connections,
- sexual unions,

made with kundalini serpent power with Satan or his agents in our **bodies**, **souls** or **spirits** or in our **minds** and proclaim a separation in the spiritual realm between ourselves and these agents.

We renounce all **inheritances of serpent power and fire**.

We repent for allowing ourselves to be **vessels of serpent fire** and for **burning others** in our ignorance and pride with it for **burning with the passions of Lucifer**.

I renounce, repent and break the **baptism of serpent fire up the spine**. I renounce and break the kundalini fire in my **nervous system, electrical system, endocrine system and immune system**. I renounce the lordship of satan off my electrical system. I break the demonic charging of electrical currents through my body.

We petition You Father to send Your Fire to burn up every:

- ungodly contract,
- covenant,
- marriage certificate,
- yoke of:
 - oppression,
 - shame,
 - depression and
 - slavery,
- **slave chain and manacle (handcuff)**.
- **slave ball** that has dragged us down.

Lord Jesus, unlock every

- **padlock** that has kept these yokes in place,
- every slave house and
- prison

with Your keys, and set us free in and through the power of Your precious Blood.

I cut the soul tie to the familiar spirits of the **false prophets, spirits of necromancy** in our family lines and eating of the fruit of evil sense knowledge.

I cut every **soul tie to dead ancestors** that God forbids.

Your Word says in **Exodus 7. V. 9-12** that Aaron's rod swallowed up the serpents of Pharaoh.

Father we petition that Your fire swallow up the all the fires of Satan that burn within us. Kundalini fire and serpent fire I declare the Word of the Lord for the total burning of the head of the serpent.

Serpent fire will be extinguished and die! The flow of occultic magic fire will stop now!! The head of the serpent has been bruised by Jesus and that all kundalini fire will wither and die!

The false fire will not flow, the false fire will not burn, the flow of kundalini will stop!

Father we repent for taking part in all **secret initiations** which involved entering in:

- secret doors,
- tunnels,
- temples
- gates of initiation,
- **secret gateways and doors**

We repent for entering into the kingdom of darkness, into the supernatural world, as well as following in the footsteps of any doorways that our ancestors may have opened.

We repent for opening ourselves up to the demonic realm through

- Yogic initiations,
- ordeals,
- sexual initiation,
- play acting,

We repent for taking part in:

- meditation,
- rituals,

- sex,
- self denial,
- pain,
- exercises,
- theatre,
- drugs,
- alcohol,
- crafts,
- dancing and
- all forms of divination and
- occult practices.

which opened ourselves up to the occult programming.

We repent, Father, for being so blind, proud, arrogant, for choosing to serve Lucifer by walking into darkness, into **false light and illumination**.

I repent and renounce the kundalini fire that has destroyed my family lines, literal bodies and minds and has released my family into **astral travel** into the:

- seven planets,
- seven heavens
- and the worship of the four constellations - Aquarius, Scorpio, Leo and Taurus
- worship of the stars.

I separate and break **every spiritual tie to star worship and all astral traveling** in Jesus Name!

Father we petition You to close and seal with the Blood of Jesus every:

- door,
- gate,
- tunnel,
- portal and
- portron that we or our ancestors have opened into the occult realms.

We petition that You bring light to enter **dark places where we may still be stuck**. Father, please send rescue angels to find us and bring us out into the True Light again.

I declare kundalini satanic power will shrivel up and die in my body! I will only have the power of the spirit of Jesus in my body and His anointing!

Father we repent for being so **stiff-necked** for being **stubborn, rebellious** and **arrogant** in our' own ways,'

We repent for opening doors into the occult realm, we ask You to forgive us and we ask You Jesus to **close** and **seal** every doorway that should not have been opened, with Your **keys** and **seal** them with Your precious Blood.

Father we repent and ask You to forgive us for dabbling in all forms of **Yoga** whether lightly through exercises, or seriously through study and life dedications.

Specifically, we repent and renounce all forms of Yoga,

- Hatha Yoga,
- Hot Yoga,
- Laughing Yoga,
- Raj or Raja Yoga,
- Tantra,
- Karma Yoga,
- Jnana Yoga,
- Integral Yoga,
- Patanjali Yoga,
- Bhakti Yoga,
- Shiva Yoga and
- Kundalini Yoga and
- any other form of Yoga not mentioned.

We repent and renounce **all worship of the sun** (*Ha*) and the moon (*Tha*). I repent of all satanic worship and the release of kundalini power in my family line and I cut the kundalini power from the bloodline. I repent of family depravity to take my family into utter darkness through satanic depravity.

We repent for allowing our bodies to be channels for sun and moon worship through the **Ida and Pingala nerve channels** in our **spine**.

We repent Father for allowing these forces to channel through us to **unify** within us, to **unify us with Lucifer** and with **the tree of the knowledge of good and evil**.

We repent for allowing ourselves to be **channellers of Lucifer** in the guise of the **goddess Kundalini**, for allowing her energy and fire to nourish our trees of life within.

I renounce every name of Kundalini / Kali / Inanna.

I renounce:

- her office,
- The power grip of Inanna,
- the poison of Inanna,
- every title of inanna
 - the queen of heaven,
 - the one who presides over all the earth,
 - the goddess of black death and chronic illness by black magic
 - all applicable but not mentioned here.

We repent for allowing her to be the 'tree of life' and for all the **worship of trees** that she has inspired in us for generations, especially the worship of her **Asherah tree** which You expressly forbid (**Deuteronomy 16.V.21**)

We repent for allowing her to stoke **our fires of creativity**, our fires of **passion**, our fires of **love and sex** through the seduction of Yoga and opening the door to the awakening of the kundalini spirit.

Art:

We repent for allowing her fires to inspire our **creativity** to turn to **idolatry**, to be used to create perverted images and symbols that have been used to program and deceive people for generations.

We repent for allowing ourselves to be programmed by

- 'the mother of Yoga'
- the 'bestower' of Yogic thought, actions and deeds and
- for allowing her to influence our thoughts, actions and deeds.

We repent for allowing ourselves for being deceived by kundalini – the fire serpent of hell.

Father please forgive us for straying so far away from the Truth by dabbling in the occult, for even believing that in fact it was good for us, that Yoga would bring us **health and peace of mind and freedom**.

Forgive us for defiling ourselves with **Eastern witchcraft** and calling it 'spiritual.' I repent of participating in occult prayer through **meditation** and making contact with demons through psychic visions which is channeling.

I repent of and renounce any powers from:

- being **internal worshippers of the Sun and moon**,
- allowing ancient occult practices, spirits and methods to channel through us,
- Perpetuating idolatrous systems.

I repent of and renounce any power and inspirations from the 'mother of Yoga'. Please forgive us and set us free from all bondages of **Yoga and Yoga practitioners**.

We petition Father that You will cut **every soul tie** that has been formed in the spirit or in the natural with **any Yogic spirit, demon, yoga practitioner, or Guru**.

Father we ask that You will **sever all umbilical cords** that keep us being fed and attached to the **Mother of Yoga**.

We petition Father that every:

- evil spirit,
- dormant satanic fire,
- dormant demonic seed, implanted dormant demonic devices or
- embryos ready to be triggered and activated

for use in satan's end time purposes be totally destroyed by the power of the Name of Jesus.

Father, I petition that You will flush out fallen angels or demons have used our physical bodies as their containers, and evict them from **every organ** and hiding place within us forever in the Name of Jesus Christ of Nazareth and cleanse us completely and **reseal us** with Your precious Blood. Fill every place again with Your Holy Spirit.

Father we bring **our spirit, our Arbor Vitae**⁶ to You, and give it back to You Lord Jesus.

We ask You Father to wash them in the Blood of Jesus and remove all

- demonic deposits,
- traces,
- all demonic bark,
- growths,
- parasitic plants,
- all demonic bugs and
- viruses.

I petition that where my spirit has been fed by the **underground streams** of the occult that You Father will **dry up those streams** and replace them with the crystal clear waters of the River of Life that flows out of Your Throne (**Revelations 22.V. 1**)

Father we give You back all

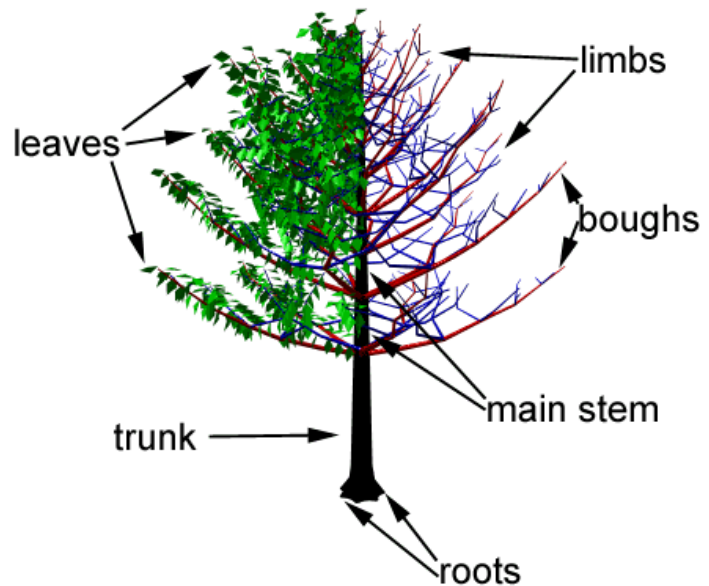

- the roots,
- the tap roots,
- hair roots,
- we give You the trunk,
- bark,
- cambium,
- the sap,

⁶ The Arbor Vitae in our cerebellum and the tree of life in our cervix

- the branches,
- twigs,
- stems,
- leaves,
- seeds and
- fruit of our trees

and we ask You to wash them clean so that we can be used to heal the nations.

I repent for allowing my spirit to be used by the serpent Lucifer and his agents to **tap into the tree of the knowledge of good and evil.**

Father please forgive us and help us to turn away from the ways of the world and return to Your ways in the Name of Jesus Christ of Nazareth.

I repent for:

1. being deceived and tricked by the '**subtil**' **serpent** for engaging with him, and for being taught and coming under the influence of 'ways of the serpent ' of Eastern witchcraft,
2. allowing **Kundalini power** to flow through me, **psychic energy** to flood through me, to allow our conscious, unconscious, subliminal minds to be controlled by **serpent power**,
3. allowing any seduction to Yoga exercising that has opened the door to the awakening of the kundalini,
4. for using the powers of
 - hissing,
 - murmuring,
 - whispering,
 - magic spells,
 - occult incantations,
 - prayers and
 - enchantments

to

- mentally delude me,
- morally seduce me and
- greatly deceive me.

I cut every soul tie to familiar spirits of false prophets, false diviners, and witchcraft in my family line and eating of the fruit of evil sense knowledge.

It is finished! The tree will die in my life! The fruit of the flesh will die in my life! I will know the Truth and the Truth will set me free!

I repent:

- for taking 'crafty council'
- for consulting and
- using my money to pay those who use occult powers,
- for allowing
 - ourselves,
 - our families, and
 - our finances

to come under their and demonic influences.

Father, I renounce the false holy spirit of the New Age and old age paganism and the **counterfeit holy spirit**.

Father, I repent for these actions and **renounce any benefit** that I obtained from these practices. I repent for:

- coming under the financial usury (the lending of money at an very high rate of interest),
- interest schemes of Lucifer and his servants
- blaming You for financial lack and
- not understanding the legal rights that we have given away to them through our own sin.

I repent of the pride of reason and the pride of skepticism and independence from God that occurs when bound to the false tree.

I repent of becoming the tree itself from yogic practices and receiving witchcraft soul power that comes from the power of knowledge.

I repent of the false power that comes from the power of knowledge. I repent of the false power source and the tree of knowledge as the source of magic.

Father forgive us for allowing satan's principalities to rule over us and for not fully understanding that You are and always will be the Sovereign Ruler of the Universe and You are the True Yeshua, the ' King ' here on earth.

We renounce **all witchcraft and witchcraft currents**, in us, flowing **over or through** us:

- occult whispering,
- murmurings, and
- divination powers,
- all psychic soul powers and
- energies.

Where even in original sin my eyes were opened according to Gen. 3:5 to the fruit of carnal knowledge, I repent and renounce of having become a god myself – a direct result of having our carnal eyes opened. I repent of that iniquity and sin.

We petition Father, that You will:

- dry up all **hereditary witchcraft currents**,
- dry up the powers to **control others** through **manipulation** and **fear**, that have flowed through us and our bloodlines,
- dry up all **patrilineal and matrilineal witchcraft** and **occult power** that has been handed down to us by our ancestors
- break the power of all **occult psychic heritages**.

Where our spiritual senses have been rendered powerless by the serpent – I repent of seeing the serpent and hearing its voice.

In the Name and through the Blood of Jesus, I break the power of the **poison** of the **serpent's bite** to keep me eating from the same tree.

We repent for sowing and reaping into and for being bound by the **Luciferian control systems of finance** in this world.

Father forgive us for allowing the enemy to fill us with so much **fear** over money and money issues and for allowing ourselves to be ruled by spirits of fear, the same spirits that operate in witchcraft.

Father we petition that You would sew up all the **holes in our pockets** and **bags** so that our money will not fall out through them any more.

Help us each day Father to have more and more trust in Your ways and to understand that You are the **Source** of everything and in You there is no lack.

Father will You **replace** all occult power with Your power, all occult spirits with the True Holy Spirit, the Spirit of Yahweh, and **realign our internal structures with Your Nature to make us full of compassion and love**.

Father we repent for

- channeling the creative powers of the **goddess Kundalini**
- for allowing her to inspire us in the inner chambers of our minds.
- To influence us to make images, sculptures, paintings and
- all kinds of works in our hands,
- for idolatrous purposes,

that feed more and more power back to her.

We repent for bowing down to worship them, even in the **secret places of our inner minds and hearts**, with our bodies, wills and emotions and even our money.

We repent, Father of giving You glory for our idolatrous creativity when in fact we were channeling demons.

We repent for allowing Lucifer to be worshipped through the work of our hands, through the idolatry inspired by Kundalini energy, for worshipping him knowingly, and unknowingly as a **'goddess.'**

We repent for allowing him to channel through us as the **'goddess within'** or the **'god within'**. We repent Father for channeling

- Luciferian spirits,
- Evil, wrong spirits,
- demons,
- for channeling evil, murderous spirits.

We repent Father **for twisting and bending** our bodies through Yoga to allow demons to enter us, for bowing down in **worship of the sun and moon** through these positions.

We repent for opening ourselves up to the goddess to enter into us through the **Yoga 'lotus' position.**

I renounce and repent of all alliance to the universe as the male generative power and the lotus flower as the sun god of Hinduism.

We repent Father of all worship of **Venus/ Lucifera the female side of Lucifer**, in all her disguises and names, as:

- Isis,
- Semiramis,
- Kali,
- the black Madonna,
- the black Venus,
- Venus the goddess of love,
- the fire witch,
- the great mother,
- mother nature,
- the grandmother-Baba yaga,
- the Queen of heaven,
- the Virgin Mary
- and a myriad more.

We repent for

- singing songs to her,
- turning ourselves into her image,
- for idolizing her statues and paintings of her.

We repent for all worship of the **winged goddess Lilith**, for making images of her as **'the fairy'** and putting her on **top of Christmas trees** in our homes thus opening doors to make her welcome. Lilith is in fact the spirit of child sacrifice and death.

We repent for dressing our children as her in the form of 'fairies', for teaching our children about the occult spirit world and opening their spirit eyes.

We repent of

- all goddess worship,
- the worship of the 'goddess Kunda or Kundalini within'
- the 'whore within'
- for being secret whores and
- for channeling her 'force' her occult powers through
 - sexual bewitchment,
 - enchantment,
 - control and
 - manipulations.

We repent for having declared that we believed that she was **the seat of absolute knowledge**, through the teachings of **Yoga and New Age**.

I repent of opening the doors of kundalini to:

- clairvoyancy,
- astral projection,
- the psychic realm and
- magic power and
- for allowing the total destruction of the king over the bottomless pit Apollyon to afflict us.

We renounce allowing 'her' to be awakened in us, **through all of our sensory, perceptions** - sight, smell, touch, hearing, taste, through the lusts of our eyes, flesh and minds.

Father, I declare that I will only be part of the True awakening of God – not the awakening of divination, not the awakening of kundalini power!

I declare kundalini power will shrivel up and die! It will be crushed and totally destroyed in Jesus Name!

We repent Father, for allowing **serpent power or any spiritual serpent** to be coiled at the base of our spines, for giving it a '**house**.'

We repent and renounce any channeling

- of this evil 'soul power'
 - of this double faced spirit of, both good and evil,
 - of uncontrolled anger, hate, the murderous 'force of the Nazi vril' and
 - of the healing bliss of beauty and passive 'goodwill to all men',
- making us **unstable** and **unpredictable**.

Father we just repent from the very deepest parts of our beings and for your forgiveness.

Thank You for being so patient with us for all these centuries, thank You for not killing us off – death is the punishment for witchcraft in Your Word – and for allowing us to come to a place of understanding so that we can repent.

I declare separation from the vile of the kingdom of darkness into the Kingdom of Light.

Father will You take the Blood of Jesus and **wash through every channel** in us, in the **natural** and in the **spirit** and cleanse them from:

1. all contamination and traces of **occult powers, god and goddess worship**
2. **all inherited programming** that would keep us channeling or worshipping:
 - any god or
 - goddess or
 - Lucifer
 - Satan
 - the serpent.

I repent of and renounce the **seven zodiacs and seven planets worshipped in kundalini**.

I repent of and renounce the **seven wheels of the chakras and the seven metals worshipped by each chakra**.

I repent of all **planet, zodiac, sun, moon, star worship**, all idols associated with them in my family line and the **worship of the male generative power of the celestial bodies of the universe**.

In Jesus' Name I **close every seal of kundalini power**. Cease the flow of the false power NOW!

Dry up the river of hellfire flowing through me and my bloodline, the **Egyptian river Nile** will not flow through my body with **the roar of the sun god Ra and bring blackness and death to our bodies!** By His stripes we were healed!!

We petition that the Lamb of God, who has the power to **break any demonic seals**, do so now:

- all occult powers
- cut us free from all **soul ties** to Lucifer/ Venus
- delete all **programming** to make us worship him
- break all **demonic seals** that would keep us bound to do so
- **reseal** us with the Blood of Jesus
- cut every cord of magic power and worship of the sun god, moon goddess and fire god in the body. I name it as sin in the Eyes of God.

Only Yeshua can break the Seven Seals!

Revelation 5:5 *"5 Then one of the elders [of the heavenly Sanhedrin] said to me, Stop weeping! See, the Lion of the tribe of Judah, the Root (Source) of David, has won (has overcome and conquered)! He can open the scroll and break its **seven seals!**"*

He who holds the 7 stars **Revelation 2:1**

*"1 TO THE angel (messenger) of the assembly (church) in Ephesus write: These are the words of Him Who holds the **seven stars** [which are the messengers of the seven churches] in His right hand, Who goes about among the seven golden lamp stands [which are the seven churches]."*

The SEVEN-fold Holy Spirit , the SEVEN attributes of God

Revelation 5:6 *"6 And there between the throne and the four living creatures (beings) and among the elders [of the heavenly Sanhedrin] I saw a Lamb standing, as though it had been slain, with seven horns and with seven eyes, which are the **seven Spirits of God** [the sevenfold Holy Spirit] Who have been sent [on duty far and wide] into all the earth."*

Father we do not want to be **double minded or unpredictable** in our **emotions** so we ask that You:

- stabilize us with Godly emotions so we can have Godly anger
- and can also be genuinely kind, loving and full of compassion for others.

Father God, we declare that we will only worship You.

THE MEDICAL SYMBOL

We repent Father for the 'worship' of the **Caduceus, the cross of Freemasonry, the cross of Lucifer, the cross of Diana** for not understanding that it is an symbol of the occult healing power of the serpent, but also of the **Sacred 'Yogic' marriage**.

We repent, Father for raising it over **every institution of healing, hospitals, chiropractic and the medical profession**, for not understanding the occult power that we are bringing people under in the name of healing.

We repent Father for turning to the healing powers of man first and not to you *the Great Healer Yahweh Rapha*.

We repent and renounce all:

- **oaths** taken in the name of other gods and goddesses,
- especially to the occult healer **Asclepius**, a type of **false Christ**, and
- bringing people under **false systems** that keep them **drugged, robbed** of True healing and their money, and destroy their faith in You Father.

Father we renounce all occult power released by this symbol especially **the witchcraft power of the Caduceus to' put us to sleep'**.

We repent Father and ask You to cleanse our eyes and all our subliminal responses that **this symbol would trigger or activate** in us every time we see it, to recall us back again to worship Lucifer, the false healer.

We ask You Father to release us from all legal rights and the stronghold that this image has over **triggering mechanisms** on our **subconscious** and set us free in the Name of Jesus.

Father I repent of tapping into the occult to try to heal others for using 'alternative methods' rooted in Eastern witchcraft.

Forgive us Father for not realizing that YOU are the God who heals and consulting You first.

We petition Father that You would take the Blood of Jesus and **wash every cell and function of our conscious, unconscious and subliminal minds** and release us from all occult mind control through **symbols, colours, occult associations and false healing**.

I renounce and break the **electro-magnetic charges** into my body by the strongman of death and hell, **Apollyon**, king over the bottomless pit.

I renounce the lordship of satan off my **electrical systems** and break the demonic charging of electrical currents through my body.

SPINAL STRUCTURES

We bring our whole **spinal structures** under the Blood of Jesus Christ of Nazareth and we ask You Father to **cleanse our spines** from all use by occult, Luciferian powers and their practitioners.

Father, where kundalini fire has been released into my body **against my will** as counterfeit fire through:

- occult surgery,
- injury,
- witchcraft initiations or
- rape – as a child or adult,
- satanic dedication,
- sudden trauma, and
- everything applicable but not mentioned here;

I ask You to please remove all defilement from me and to break the shock that I suffered which put me into bondage to the evil one.

I declare that the fire of Jesus will swallow up the fire of kundalini and bruise his head.

I declare in Jesus' Name my spine is not and will not be the **royal highway to the throne of Lucifer** and his strategy to bruise my head and destroy me with kundalini fire will not succeed!!

This power of Kundalini will be utterly destroyed with the Blood of Jesus.

LEFT CHANNEL – FEMININE

Father we bring **the Ida, the Pia mater** (soft mother), **the left spinal cord** under the Blood of Jesus and we ask You to cleanse it right up to the **left nostril and into our brains**, from all **goddess feminine forces** and from all kundalini fire that do not come from You.

We ask You Father to cleanse it from:

- **all worship and programming** to make us **worship the moon**,
- from all ungodly negativity,
- from all **programming** to make us **lethargic, gross, and insensitive**,
- from all **triggers** and **codes** connected to the colour **blue**.

I submit every system in my body to the total Lordship of Jesus Christ and **break every seal of kundalini** off every system in my body.

We petition Father that You will:

- utterly blot out with the Blood of Jesus every assignment of **Rahu the Dragon's Head over our left spinal cord, our left sides**
- disconnect us from the **Lunar dragon** and the **north node of the moon**,
- cleanse every **cord** and **pathway** that would keep us attached to this dragon and under the control systems of **Saturn and Gemini**.

Father where there has been an open door through this left spinal cord to keep us programmed to worship

- the dragon,
- the moon or
- the goddess,

will You close and seal it with the Blood of Jesus.

Where there has been a legal right for Lucifer to operate through this channel to pervert or distort our **God given feminine energy**, we place that legal right under Your feet Jesus.

I renounce and repent of the false gifts of serpent magic signs and wonders of psychic power.

I cut the psychic energy of the pyramid off my entire body and the vibrations of pain through psychic power.

Father we bring this place, **the fountain head - the Caput** before You and we petition that this will not be a fountain head for any

- fallen angel
- Lucifer or
- his servants,

but a fountain head for You and for Your Holy Spirit.

I renounce and break every legal right off my brain being **the throne or seat of the serpent** and I invite You, Lord Jesus, to come and take Your place and be Lord and King over my life and the life of my family.

We **rededicate** this channel to You Father and we ask You to close it down as a channel for the occult use by Lucifer/satan and his servants from this day forth. Restore to us the true soft, gentle nature of this chord which You ordained when You created man.

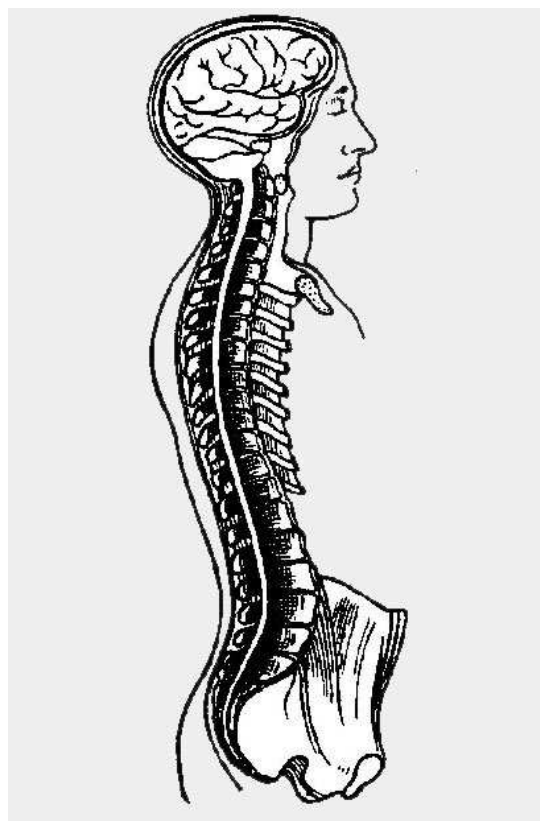

RIGHT CHANNEL – MASCULINE

Father we bring **the Pingala, the Dura mater** (hard mother), **right channel** of our spinal column under the Blood of True Jesus and we ask You to cleanse it right up into **our right nostril and into our brain** from all worship of other gods and their masculine forces which do not come from You Father.

We ask You to cleanse it from **all worship and programming of the Sun**, from **all ungodly positiveness, ungodly healing anger, rage, passions, poisonousness and from all deviousness.**

We petition that You will utterly blot out with the Blood of Jesus all:

- assignments of **Ketu the Dragon's** tail,
- the **Cauda** over the right spinal cord and
- our right sides and
- disconnect it from the tail of the **Lunar dragon** and
- the **south node** of the **moon** and
- cleanse every **cord** and **pathway** that would keep us connected and programmed to this dragon or under the controls systems of Mars.

Father where there has been an **open door** through this channel to program us to worship the **Sun or other gods**, we ask You to close and seal it with the Blood of Jesus.

I declare the serpent in the garden or our minds will be totally expelled! My mind will go back to the original state in the Garden and I declare that the seat of the serpent is forever broken!

Father where there has been a legal right for Satan and his agents to operate through this channel to pervert or distort our **God given masculine energy** we place that legal right under Your feet Jesus.

I declare the spirit of our minds be loosed from every chain of bondage forever. My **head and body will stop being bruised by the serpent masters blows**. I renounce the mastery and ownership of my mind and body by the serpent.

We bring every **Nadi** in our bodies, the **nerve channels** that carry **solar and lunar energy** under the Blood of Jesus and we ask You to cleanse them Father.

I repent where the serpent has opened my false prophetic eyes, sensitized my nervous system and even brought loss of vision to my natural eyes and paralysis to my physical body.

I declare in Jesus' Name the closing of my carnal sense knowledge, the shutting down completely of all serpent senses.

Father we petition that the Blood of Jesus will flush out all,

- serpent anger,
- the 'rage of fallen angels,'
- all poisons,
- all deviousness from us.

Father we do not want to be **hard hearted** in any way neither do we want to be **fools**, so we ask You Father to replace hardness with Godly wisdom so that we can be **just, fair, honest and full of integrity**, kind, gentle and compassionate.

I renounce the **office of the magi and the knowledge of the magician**. I will be a true prophet, priest, and king of the Lord Jesus Christ.

We ask You to replace all ungodly anger and responses with Godly anger and teach us more and more to rely on You in every situation, not to be ruled by our **emotions**.

In the Name of Jesus I separate in the spirit the precious from the vile; false prophet, priest and king. I renounce all **latent soul power** of my soul. The psychic power of witchcraft will be totally driven out of my mind, head, brain and body in Jesus Name!

THE CENTRAL SPINAL COLUMN

Father we bring our:

- **Sushumna** the central spinal column,
- the grounding neutral spinal cord
- the Arachnoid layer,
- the Canalis Centralis,
- our 'silver cords'
- our perineum,
- cervix (the tree of life –Plica palmatae)

under the Blood of Jesus and we ask You to cleanse it right up from our tail bones/sacrum to the Pineal glands and the crown of our heads.

Father we repent for allowing this channel to be the used by the powers of Lucifer, the **spiraling energies energy** to form a **frequency bridge** for the goddess:

- Hecate,
- Diana Lucifera
- Kunda,
- Kundalini,
- Kula Kunalini,
- Kundalini-Shakti,
- Bhujangini or Avadhuti,
- the I Am anti-christ,
- new age and yogic serpent power,
- the powers of the dark goddess Kali,
- Chamunda/ Chinnamasta/Shyama,
- the false bride Cailleach,
- Lilith.
- Sheela-na-gig,
- the black crone,
- El Ka'ba, the 'old woman,
- the hidden initatrix,
- the fire serpents of the **false trinity**,
- kali or any other goddess,

to **coil** and **entwine** around our spines, to influence and control us and to make us control others.

Father we repent for being carriers of:

- Lucifer spirits,
- false fire, false healing, false powers, false signs and wonders, false hope,
- false light, false prophecy, false visions and images,
- soul light or radiance, soul power,
- for allowing it to be awakened in us through occult eastern Yogic witchcraft, black, white and grey magic,

- to allow it to awaken dormant and latent occult powers of annihilation, murder, hell, death and destruction in us through meditations rituals.

Father we petition that You would set us totally free from the hideous powers and influences of Kali

- which we have evoked through Yoga practices,
- from all coverings and assignments of her Digambari,
- her nakedness,
- of her Elokeshi, hair curtains of death, her black coverings and veils of death,
- from powers of the garland of fifty human heads she wears
- from all powers of the letters of the Sansrit alphabet,
- her cup of blood,
- the power of her scythe, sword, dagger and trident, her sickle of decapitation,
- from her snake bands,
- her repository of power assigned to them.

Sound:

We petition that You will release us from all **triggers** and **subliminal responses** from the **sound elements** of these **Sanskrits letters** and the powers of all **mantras** using them and from all occultic sound portals.

(Kundalini is also described as the origin of primordial sound. The muladhara chakra is called the birth place of all sound.)

I bring all **sound activation** of the chakras and kundalini under the Blood of Jesus and I declare the airwaves belong to the Lord!

Father where we have given Kali the a legal right to **cut off our heads and use our mental faculties to establish Satan's kingdom** here on earth, where she now wears them as **trophies in her garland**, will You redeem our heads and **replace** them so that we can be totally functional.

Redeem our minds and memories. I declare a complete bruising and crushing of the head of the serpent and his false authority over my mind, my thoughts, my behaviour, responses, memory – conscious, sub-conscious and unconscious mind.

We bring every legal right and place then under Your feet Lord Jesus. The Kingdom of God suffers violence and the violent take it by force. I take back the sabotage of my mind and the spirit of my mind.

Father where we have given **Kali** legal right to control our **minds** through **Yoga** we repent and ask You to forgive us. I claim the promise of total renewal of the spirit of my mind!

Father we petition that You will release us and our **hands** from the powers of the girdle of **'cut off' hands** that Kali wears. I declare Kali will not cut off or control the power of my hands. My hands will be used as instruments of love and compassion; I will lay them on the sick and they will be healed in Jesus' Name.

Father, where we have given her legal right to control, 'cut off', and use the work of our hands because of the doors we have opened through Yoga or any other occultic practice that uses Kundalini serpent as power source, we repent and ask You to restore the original purpose on our hands.

Father, I repent of the **seven wheels of fire** up my spine and the **wheels of fire in the hands and feet**. I repent of kundalini power in my hands and feet. I break every alliance with magic that was made to any parts of my body.

Father we repent for being **channels** of the power of the:

- **tongue** of kali,
- the Raja –Guna, kinetic forces which give impetus to all activities,
- for allowing her powers to govern our **eyes** our **third (inner) eye**,
- for her to feed us not only with her creativity but also her powers of annihilation and destruction.

I repent of all serpent fire in my throat and voice box.

Father please forgive us for being so ignorant and truly not knowing what we are doing.

Father forgive us for allowing this evil spirit **rights of life and death** over us through opening ourselves up to her through **witchcraft**.

We repent and petition that You will release us from:

- the **downward spiral** of the Tamas-inertia,
- the **draining inertia** of Kali,
- from her **sacrificial sword**,
- her swords of **physical extermination**,
- from her primordial power Adyasakti and
- power to cut 'threads of bondage' our **silver cords**.

Father we repent for allowing Kali into our lives, our families and our bloodlines. Please forgive us, for we surely do not know what we are doing when we get ourselves involved in Eastern witchcraft.

I repent of **tantric yoga and sex magic** in my family line and the sin of **serpent intimacy, seduction, eroticism and perversion**. I break the ritual circle and all **ritual cycles of birth, death and decay** and the never-ending cycle of **reincarnation**.

We don't want to be sucked into the **blackness of her Nirvana**, we now turn our backs and rebuke, bind and loose ourselves from this **evil spirit Kali** forever and ever and we ask You to, rescue us, deliver us and set us free with **no form of backlash** in the **spirit** or in the **natural**, over us our families or pets.

Father where this Kundalini serpent fire has been activated through

- accidents,
- trauma,
- childbirth,
- rape,
- satanic ritual abuse,
- sodomy or
- any form of ritual,

where it has been awakened through no fault of our own we ask You Jesus to go to every

- door,
- gate,
- conduit
- tunnel and
- channel,

that was opened to activate this false power and to close and seal them with Your precious Blood and heal very wound and trauma.

We petition Father that every legal right is now under Your feet Jesus and we petition for **eviction orders for the evil spirit Kali** to be issued and released from the courtrooms of heaven and that You will send bailiff angels to evict her and all her offspring.

Father, where we have suffered repercussions of the kundalini spirit and where these repercussions have been passed down and inherited through our family lines, we ask You to heal us and make us whole again.

Father where kundalini awakening, voluntarily and involuntarily, has caused:

- disturbance of the brain
- psychological disturbances
- awakening of dormant diseases
- weight loss or gain
- food cravings
- out of the body experiences
- meditation for hours
- sitting in a Yoga position
- Buddhism
- desperation
- believing that divinity has come to take you home
- distortion of time and space
- loss of consciousness

- emotional disturbance
- a sense of chaos descending
- fear and anxiety
- anorexia or bulimia
- visions or hallucinations
- disassociation
- changes in breathing patterns
- a sudden shift in values
- major impact on relationships
- suicidal thoughts
- self mutilation
- hyperactivity
- strange sounds coming from inside the body
- profound stillness
- chronic fatigue
- anxiety disorders
- obsessions
- fibromyalgia
- nerve problems.

(Experts in Kundalini write very clearly about the dangers of wrong activation and awakening of kundalini, that it can cause psychosis and can be mistaken for schizophrenia or psychiatric disorders and even Alzheimer's disease and senility.

Doctors with training and understanding of Kundalini say that without Kundalini awareness diagnosis will come up with:

- Chronic fatigue - MS
- Fibromyalgia
- Anxiety disorders
- depression
- or nerve problems.)

Father we petition against every assignment and yoke of the **four Hindu ages:**

- the Krita- yuga,
- Treta-Yuga,
- Dwapara-Yuga,
- the Kali Yuga,

of yokes of

- occult Eastern witchcraft and philosophy and
- from the yoke of Kali.

Father, I break the legal rights of the serpent to take the **top of the tree, the roots or trunk** into bondage and then arrest the whole body in the **secret mysteries of witchcraft**. I totally break it and Kali's dominion, rulership and reign. I will have one hundred percent the Mind of Christ!

We repent for believing and coming under **all eastern occult philosophies** instead of believing the Holy Bible the Word of God.

We ask You to forgive us Father and wash our

- minds,
- images and
- memory banks.

In Jesus Name, I command **this spirit that causes paralysis to come out of the five lobes of the brain.**

I command the spirit that causes paralysis out of the glands of:

- the mid brain,
- out of the thalamus,
- out of the hippocampus,
- the amygdala and
- out of the pituitary gland.

I command all **psychic powers in Jesus Name to come out of the five sections of the mid brain.**

I cut away with the Sword of the Spirit the **golden triangle** that brings paralysis to the brain.

I cleanse all **psychic power** out of the **five lobes** and destroy the power of the serpent and iniquity of

- the frontal lobe,
- temporal lobe,
- occipital lobe,
- parietal lobe and
- the cerebellum.

I undo all lines of the **fifth, sixth, seventh and eighth chakras** making up the **golden triangle** and command total eradication and bruising of the head of the serpent.

Please cleanse every area with the Blood of Jesus and replace every lie and deception of the serpent with Your Truth.

I claim my inheritance in Christ Jesus that the serpent will be destroyed. The power of the destroyer "kundalini kali" will shrivel up and die forever. The Cross has bruised the head of kundalini serpent. It is written: Jesus bruised your head FOREVER!

Father, forgive us for being filled with:

- false "holy" spirits of New Age, Yoga and occult,
- false 'breath'
- the chi of China,
- the Ki or Prana of India, and

- false “ holy” spirits of the West, false charismatic “holy spirits”, for not heeding Your Word that we must discern the spirits.

Forgive us for taking on and speaking and prophesying with the ‘**false tongues**’ of other religions, the ‘false’ tongues of the occult.

We repent Father and ask You to cleanse with the Blood of Jesus our

- tongues,
- vocal cords,
- voices boxes and
- lingual capacities,
- the speech centre of our brain and
- optic centers

from all evil spirit control and deliver us from all ‘ other spirits’ that would masquerade as Your Spirit.

Father forgive us for answering the counterfeit call of **Inanna, the ‘hidden goddess’** through Yoga and every other occultic practice using the Kundalini serpent as power source and not discerning the True calling of God.

Father we bring **every Chakra**, the seven

- primary,
- lower.
- middle and
- higher chakras

along our spines, in our **hands** feet and **genitals** before You now in Jesus Name.

I ask You to cleanse them and **break every kundalini fire seal** that was placed upon us to lock us up, stop us gaining Godly knowledge and power, and to keep us enslaved and ignorant.

I close and seal every kundalini seal with the Blood of Jesus.

Kundalini fire, serpent fire, will be extinguished!! I declare the Word of God: “By His stripes I am healed!”

We bring **all associated glands** under the Blood of Jesus.

1. The **Muladhara** root, seed, support charka and its 4 spokes or petals, associated with the gonads, kidneys, spinal column and the sense of smell.
2. The **Svadishtana / Swadhishtana**, sacral or pelvic, genital charka, its 6 petals or spokes, associated with the adrenal glands, the reproductive system and the sense of taste.

3. The **Manipura/Manipraka** charka navel charka and its 10 spokes or petals. Associated with the pancreas, stomach, liver, gall bladder, nervous system and the sense of sight.
4. The **Anahat heart** charka its 12 petals or spokes, associated with the thymus, heart, circulatory system and the sense of touch.
5. The **Visuddha charka** the throat charka and its 16 petals or spokes. Associated with the thyroid gland, bronchial tubes, vocal chords and lungs. The sense of hearing is also connected to this chakra.
6. The **Ajna/ Savikapa/ Samadi charka** the brow charka and its 96 petals or spokes. Associated with the pituitary gland, lower brain and left eye.
7. The **Sahasrara- Padma/ Nirvakelpa/ Samaghi/ Nirvana charka** its 1000 petals or spokes. Associated with the pineal gland, upper brain and right eye.
8. and all chakras in our **hands, feet and genitals,**

under the Blood of True Jesus.

In the Name of Jesus I destroy the serpent fire in my body. I renounce the kundalini serpent of hell.

In the Name of Jesus I dry up the flow of **occultic magic power** – it will stop now! – I renounce the so-called awakening of consciousness of the universe.

The huge volume of fire burning with intensity, hellfire, will cease now, in Jesus Name!! The Water of Your Word will cause this ungodly fire to go out!! It will shrivel up and die. The serpent fire was bruised at the Cross with the Blood of Jesus.

Father we place these seven:

- 'windows',
- gates of our soul'
- our 'inner portals/ doors'

under the Blood of Jesus.

I repent of clairvoyant magic power flowing with lust for more magic power. I break the fire serpent off my **pituitary gland and master gland**. Demonic fire on my eyes, nose, sinuses and spinal cord – it will be extinguished with the Water of the Word!!

Father we repent for allowing these **spiritual windows** to be used to block out Your True Light or to be opened through occult eastern witchcraft to allow **false light** into us.

Father where these windows have been:

- bolted,
- barred,
- locked,
- covered with shutters and blinds,

by our rebellion and sin through:

- occult programming,
- Yogic or other witchcraft,
- through emotional shut-down or by trauma,

we repent and ask You Lord Jesus that in Your perfect timing that You would

- unlock,
- unbar and
- open every window to allow us to receive the True Light and the Truth of the Word of God.

Father we petition that every assignment of Satan and his servants to use these chakras to control us as:

- wheels,
- spinning wheels,
- rotating wheels,
- discs, plates,
- flowers.

I repent of the **fire wheel chakras** releasing kundalini fire and power to:

- the sexual organs,
- colon,
- urinary tract,
- bowels,
- legs,
- arms,
- bones,
- vertebrae,
- coccyx,
- stomach,
- solar plexus,
- adrenal glands,
- muscles,
- liver,
- lungs,
- gall,
- pancreas,
- joints,
- chest,
- skin,

- immune system,
- thymus gland,
- blood circulatory system,

The fire of Hades will come out now in Jesus Name!! This demonic fire will stop burning our bodies internally and externally now!

In the Name of Jesus I command the cessation of the flow of satanic fire burning in me to cease now!

Father, I petition where the fire serpent has through the chakras:

- monitored,
- measured and
- controlled the amount of light we receive, even blocking it out,

I relinquish these psychic control centers out of the control of satan.

I renounce his ownership over my eyes, nose, ears and mouth as the centre of worship to bruise my entire being and that all serpent control will be utterly neutralized and that You will deprogrammed our chakras from all occult external control.

We cover them and all recorded information on them with the precious Blood of Jesus.

We petition Father that all our:

- chakra spinning rates,
- seeds,
- petals and
- flowering

would be now under Your control.

We petition that we will not be counterfeit flowers but the True Flowering of Your True priesthood.

We petition that every petal, seed and spoke of our flowers and wheels will be under the Blood of Jesus and that every assignment of occult forces to harness them and control and activate us for occult purposes through the **letter seals** of the **Sanskrit alphabet** and their **sound elements** will be broken.

I declare all sound portals to our chakras will be closed and sealed with the Blood of Jesus.

We petition against all forms of mind control through the using of:

- the spinning of these charkas,
- the sounds assigned to each charka,
- the numbers of each charkas,
- the musical notes,

- alphabetical letters assigned to each charkas,
 - the colours, symbols, shapes and vibrations of each charka
- will be blocked totally with the Blood of Jesus

We petition that:

- all the charka stems and
- connections to our spinal cord,
- to every nerve channel,
- to our Adrenal,
- Gonads,
- Pancreas,
- Thymus,
- Thyroid,
- Pineal and
- Pituitary glands,
- to our genitals,
- pelvic regions,
- navels,
- hearts,
- throats,
- brows and
- the crown

will be cleansed healed and restored with the Blood of Jesus.

I renounce and repent of:

- the occultic formation of the **golden triangle on my face and the bridge of the nose**,
- the spirit of death lodged in the nose and passages from the nose and
- the fires of hell burning like the lake of fire,
- the stench of death will break off my brow chakra.

Father we truly repent and ask You to Forgive us for allowing our

- God-given channels of light,
- the internal windows of Heaven and
- all our organs to be opened and used through Yogic witchcraft and by occult to allow them to control us internally.

We petition Father where these chakras can be activated by our **5 senses** that the Blood of Jesus will filter out all occult activations, that You will place within us "Holy Spirit" alarms to alert us when this is happening.

We ask Father that the Blood of Jesus will wash over and cleanse:

- our: senses,
- our olfactory organs,
- our Limbic systems,
- every receptor in our bodies,
- our brain stems,
- sacral plexus and

- every other plexus in our bodies,
- all our nerve centers,
- our central nervous systems,
- parasympathetic nervous systems,
- our navel cords,
- the mammalian portions of our brains,
- our memory banks short and long term,
- cortex,
- kidneys,
- lungs,
- hearts,
- Optic Thalami,
- the ' eye of our soul the pineal gland,
- our 'master gland'

that

- every organ,
- function,
- cell,
- the bones and marrow of our human physical bodies

will be washed clean with the precious Blood of our Saviour, Jesus Christ of Nazareth.

In Jesus Name I renounce the **throne and seat of Lucifer in the pyramid – the golden triangle.**

I renounce the **ascension to the throne on the sixth chakra of Lucifer** to take up his governmental seat on the throne to rule and reign over me.

I smash the **seat** of satan, I smash his seat of fire and decommission all his **false angelic hosts in his triangle. We send all of you to the Feet of the Lord Jesus Christ of Nazareth!!**

I smash his **triangle**, I renounce the **ascension and dissension** from the throne of satan and all excitement of kundalini fire that excite ungodly passions and turn us into monsters of depravity in the grasp of the force of the "energies of lucifer".

Father, I petition that we can be set free physically from all occult internal and external control trigger systems that keep us open to sickness and premature death.

Father where our chakras are being activated by:

- the world systems,
- media and arts of Satan and his servants

We petition that You will deactivate them with the Blood of Jesus and disconnect us from all

- satanic time-lines and
- call-back programming to the cave dwellers, cave art and shamanism,
- to tribal national identities,
- call backs to the New age,
- to the empires of Egypt, Syria, Greece and Rome,
- to the Nirvana of Hinduism
- sex magic
- sound or smell activations.

Where we are being **internally connected** to:

- the occult control charkas of Mother Earth and
- to satanic vortex points to be powered and controlled through them,
- where demons have been assigned to each chakra to:
 - block us,
 - torture us,
 - make us unable to push through to the fullness that You have prepared for us and
 - stop us praying.

We petition that the Blood of Jesus will nullify all occult connections and powers and their power through those who choose to follow occult paths who would try to influence us or control us.

Specifically we petition against every demon and satanic power, inheritance, occult energy and program assigned to:

The first Muladhara chakra – root chakra, this chakra being the ‘seat of the goddess’:

- Kuna Kunalini,
- the false bride,
- the sleeping serpent, the “sleeping beauty”,

against the **deities** assigned to this charka:

- Brahma,
- Sakti Dakini and
- Indra.

We rebuke, bind and loose ourselves from these deities and satan’s agents and petition that these deities will no longer be able to:

control these ‘gates’ to channel soul power through them against all cords that would bind us to spirit paths, connections and mind control being released from Mother Earth **first chakra** in **Mt. Shasta, California and Mt. Sinai.**

Father we ask that You will utterly destroy the powers of these evil spirits to control or block our charkas, spines, or minds and disconnect us from all occult power, transmissions and broadcasts from being released and though our chakras to control from **Mt. Shasta and Mt. Sinai** or from any other location.

We petition that the Blood of Jesus will completely cleanse this charka and the base of our spines, we ask You Jesus to break the power of all demonic seals and dismiss all demonic door keepers.

In Jesus Name I smite and bruise the head of the serpent of fire by the Fire and Blood of Jesus Christ of Nazareth forever!

Father we petition against every demon, satanic energy, inheritance, power and program assigned to

The second Swadhisthana chakra – the navel or pelvic chakra.

Against all assignments of:

- the triple goddess and
- the number 666, of this being
- the 'hara centre'
- against all powers and control of the deities assigned to this chakra –
-Varuna,
-Vishnu and
-Rakini.

We rebuke, bind and loose ourselves from all assignments of these evil spirits and from all occult control and programming being released from the second chakra of Mother Earth in the Brazilian Amazon and Lake Titicaca.

We petition against all

- cords,
- ley lines,
- wires,
- power control,
- occult transmissions and broadcasts

being released over us and through our chakras to control us from these places.

Father we petition that this chakra and our navels will be totally cleansed with the Blood of Jesus and we ask You Jesus to break every demonic seal that has been placed over it and dismiss all demonic doorkeepers.

I choose to come out of the demonic spirit realm of kundalini and the satanic realm opened through family or bloodline initiation and I command the cessation of the **flow of satanic fire flowing into my navel** to cease now in Jesus' Name!

Father we petition against every demon, satanic power, inheritance, control and program assigned to:

The third Manipura chakra- the solar plexus chakra.

We specifically petition that this 'astral gateway' will no longer be able to be used by occult forces or psychic energies that do not come from You,

We petition that this gateway will be controlled by the Blood of Jesus and that the deities

- Vahmi,
- Rudra, and
- Lakini

will no longer have any power over it.

We rebuke, bind and loose ourselves from them and from all occult control, mind control programming being released from the third Mother earth charka in **Mt. Kilimanjaro, Kenya, Africa.**

We petition against all

- cords,
- ley lines
- spirit paths that would connect us to this place and
- against all occult transmissions through our chakras to control us.

We petition that the Blood of Jesus will totally cleanse this chakra and our **solar plexus** and we ask You true Jesus to break the powers of all **demonic seals** placed over it and dismiss **all demonic doorkeepers.**

I cut **the cord of magic power and worship of the sun god and fire god** in my body, in Jesus' Name. I renounce and repent of all alliances to the **lotus** as the hindu sun god. I close all doors in repentance to all solar / sun worship.

Father we petition against

- every assignment,
- demon
- satanic control and
- program and
- inheritance assigned to

The fourth Anahat chakra – the heart chakra.

We rebuke, bind, and loose ourselves from all assignments of the **deities:**

- Vayu,
- Isha,
- Kakini

and from all their control and occult powers.

Father we rebuke, bind and loose ourselves from all them and from all:

- occult forces,
- powers,
- cords,
- ties,
- wires,
- leylines
- broadcasts and
- transmissions

from the third chakra of Mother Earth in **Glastonbury or Shaftesbury. England**, through this chakra.

We petition Father that the Blood of Jesus will totally cleanse this chakra and our hearts and we ask You Lord Jesus to break the power of all **demonic seals** and dismiss all **demonic doorkeepers**.

In the Name of Jesus I command the cessation of the flow of all satanic, luciferian **fire burning in my heart**. Father, I repent of igniting the fire in the triangle and the cold fire in the centre.

I close the seal on the centre of the triangle and I break the power of the cold fire that is destroying the Fire of God and making our hearts turn cold.

In the Name of Jesus I command that the Kundalini cold fire in the centre of the triangle will be extinguished and the shivering fevers in the body will cease now!!

(The three-in-one gods – **kundalini, kali and shiva** – cause the shivering with fevers and controls of the hypothalamus.)

I separate and break this false trinity (causing the cold fire) one from another, in the Name of Jesus.

I break the lordship of satan on the seat of the hypothalamus and his ownership to the Endocrine system.

Father we petition against every assignment demon, satanic control, inheritance and program over:

The fifth chakra Vishuddha – the throat charka.

Against the **deities**,

- Ambara,
- Sadashiva,
- Shakini.

We rebuke, bind and loose ourselves from them and from all demonic controls and mechanisms.

We petition against all assignments through this chakra and our **throats**,

- to connect us to,
- or call us back to,
- or activate us into New Age.

We petition against all:

- occult mind control programming,
- cords,
- ley lines,
- wires,

connecting us to the fourth charka of Mother Earth in **Mt. Shasta or the Mt. of Olives**.

We specifically petition that this chakra or its demons or any mind control programming will no longer be able to able to:

- pull us into the tunnel to the dark side that lies in the **netherworld** though our **tortured emotions** and
- we ask Father that the Blood of Jesus will heal our emotions
- close and seal **the tunnel to the dark side of the netherworld** forever.

We petition that the Blood of Jesus will completely cleanse this chakra and we ask You Jesus to break the power of all demonic seals and dismiss all demonic doorkeepers.

I declare that my family and I are coming off the **vehicle of kundalini!** (The Kundalini vehicle is one of astral travel into the seven heavens of destruction – to go out among the planets and the stars into total worship of the constellations.)

My body will no longer be the vehicle for the serpent! We declare we will be vessels of honour for the Lord of lords and King of king; not vehicles for the destroyer!

I renounce and break every physical repercussion of the Kundalini spirit outworking in my body.

Father we petition against every assignment demon, satanic program and inheritance over

The sixth chakra the Ajna - the third eye chakra.

We petition against all assignments over the 'eye of our soul' and all ungodly 'soul power' or psychic powers.

We petition against all assignments of

- the 'eye of shiva',
- the eye of Horus, eye of Lucifer, the throne seat in the triangle, the cold fire centre.

- the horn of the unicorn,
- and all call back programming through the temple of Maat,
- of the goddess to open our third eye.

We place this third eye of our inner vision under the Blood of Jesus and we ask You Father to take control of its sight.

I repent of all **clairvoyant magic powers**. I repent for all **occultic visions** and pictures and for **all false prophecy** that is as a result of psychic vision.

I smash the **Golden Triangle**. I renounce the **temple of satan** and his home in the golden triangle, the **temple of the Golden Dawn**.

I renounce the throne and seat of Lucifer in the triangle.

I repent of opening the doors of **clairvoyancy** and I close the doors in repentance to the psychic realm and the door of satan's throne room.

We bring all Theta, Beta and Alpha wave consciousness, and all their gates under the Blood of Jesus, and we ask You father to neutralize all forms of mind control using them.

We petition against all control over this chakra and our third eye by the goddess **Hakini Shakti** and all her many heads of the serpent. We rebuke, bind and loose ourselves from her and from all her many heads and all multiplication of her heads – (the head of the serpent is the false prophet.)

I cut every soul tie to the mouth, voice, eyes, ears and the smell of the serpent.

We petition against all

- cords,
- leylines,
- wires,
- transmissions and
- broadcasts

from the third chakra of Mother earth in **Kuh-E- Malek, Siah** through this chakra.

Father we petition that the Blood of Jesus will totally cleanse this chakra and we ask You, Jesus of Nazareth, to break the power of all demonic seals and dismiss the demonic gatekeepers.

I renounce the **office** of believing I was some **god or goddess** and I neutralize the serpent's poison that kept me in that state of bewitchment, with the Blood of the Jesus.

I smash the idol of self that formed with my eyes wide open to the carnal world that gave the Kundalini spirit a dwelling place.

Father we petition against every assignment demon, occult programming, inheritance, and control over:

The Sahasrara chakra –the crown chakra.

We petition that the Blood of Jesus will cover this

- 'star-gate'
- 'vortex',
- 'cosmic gate'

We petition against all two-way communications that would control us by Satan and his servants through this gate.

We petition against all mind control programming from the sun, moon and stars through this gate and all occult control over our Cerebellum and Pineal glands.

I renounce **the ascension alchemy of sex alchemy** of gold and silver, moon and sun worship **eclipsing at the golden triangle** and the consummation occurring at the **seat of satan** to kill us, emotionally, mentally, and physically and release his electricity into the nervous system.

I repent of **ascension alchemy**. In the Name of Jesus I break the demonic charging of electrical currents through my body.

We give our little fountains our **Fontanelles** back to You Father and where our waters have been demonized and polluted will You filter and cleanse them.

We petition against every assignment and inheritance of **deity** -Shiva-Paramamshiva to dwell in our crowns and all assignments of his **demonic marriage** to the goddess Kundalini.

We declare the **Golden Dawn of the New Age** will not rise!! The false light of the Golden Dawn will go out, in Jesus Name!

I declare that the curse of the blows to the head is broken in Jesus Name! I break the stamp of **Shiva's ownership off the top of my head of the eighth chakra**, in Jesus Name.

We rebuke bind and loose ourselves from all their powers and from the demons under them. **We declare a divorce** and we ask You to deliver us and set us free in the Name of Jesus Christ of Nazareth.

Father we petition against all

- cords,
- lines of communication,
- transmissions,
- broadcasts and
- mind control programming

from the **seventh chakra** of Mother Earth in **Mt. Kailas in Tibet**, and all powers of:

Atma Shakti Kundalini - the bestower of 'siddhis' occult power.

I agree with the reality that the Lamb of God bruised satan's head.

Freemasonry

I repent and renounce all invoking of the **psychic power** of any deity in my family line, in ritual and in the foundations of Freemasonry.

I renounce all Masonic alliance with Hinduism, and any other group with kundalini and release the Sword of the Spirit to all alliances and declare total division to the alliance with Freemasonry and kundalini to cripple us.

In the Name of Jesus I:

- break every alliance with **magic** in the **nine parts** of my body.
- cut up and divide the **idolatry of seven steps and the seven chakras of Freemasonry**.

I renounce and repent of taking the **seven steps into Freemasonry**.

Father, I renounce the **seven chakras of Freemasonry** in prophetic signs in the body to open **every seal of the seven chakras**.

I repent of the actions of the **master mason** and I rip up the foundations of kundalini in Freemasonry in my life and ask that You will replace them with the foundations and True healing power of Jesus.

I renounce and break the strong parallel of **thirty-three segments of the vertebrae and the thirty-three degrees of Freemasonry** as a total takeover of the entire spinal cord to destroy the body through fire.

I renounce and repent of **mother earth / nature** as the false holy spirit and the blasphemy of **freemasonry** to make allegiance to a false holy spirit. I repent and renounce the false holy spirit, false anointing and hatred of the True Holy Spirit from the **Masonic kundalini spirit**.

I declare the **fifth Masonic seal** be closed to stop the flow of kundalini fire of **Master Masons' occult which is** satanic fires of hell and magic burning in my throat to destroy:

- my throat,
- vocal cords,
- neck
- bronchial tubes,
- thyroid glands
- my communication

And releasing the **poison of the cobra** to my voice to destroy others and the true prophetic calling of God.

In the Name of Jesus, I cut every part of my body loose that is connected to every **planet**:

- My **Pineal** gland from **Mercury**, and the metal **MERCURY**.
- My **Pituitary** gland from the **Moon**, and the metal **SILVER**.
- My **Pharyngeal** from **Venus**, and the metal **COPPER**.
- My **Cardiac Plexus** from the **Sun**, and the metal **GOLD**.
- My **Solar Plexus** from **Jupiter**, and the metal **TIN**.
- My **Prostate / Vaginal** area from **Mars**, and the metal **IRON**.
- My **Sacral Plexus** from **Saturn**, and the metal **LEAD**.

In Jesus Name, I cut every soul tie with every demonic entity representing themselves as angels:

Raphael, Ganel, Ahael, Michael, Tzadkiel, Kamael, Tsspkriel.

I declare their hold on my life is broken!! All deception has been exposed in Jesus Name!

I cut myself loose from the **constellations (Aquarius, Scorpio, Taurus, and Leo)** with the Sword of the Spirit and I call back any parts of myself that are still stuck on these planets and constellations to be restored to me, in the Name of Jesus.

- I cut my **head** loose from **SCORPIO**
- I cut my **navel** loose from **LEO**
- I cut my **neck** loose from **TAURUS**
- I cut my kidneys, bladder and **all water** in my body loose from **AQUARIUS**.

I ask You Father, to restore all that belongs to me – send Your angels to gather up any parts of my spirit that has been scattered through **astral travel** to these **7 planets and 4 constellations**, in Jesus Name.

In the Name of Jesus, I also cut off the collar and cable tow that comes through demonic curses made by Freemasonry on my bloodline causing me to be a slave of sodomy through the rituals done to me during initiations.

Father, I also renounce the whip, the shackles and chains that go with being a slave of prostitution. Destroy these with Your Fire, Father!

Father, I bring before You any Masonic temple prostitution on my bloodline; I ask forgiveness for presenting my body as a living sacrifice to demons to be used in this way, in Jesus Name.

I call down the FIRE of God to destroy every satanic altar and idol that is still standing in the spirit and testifying against me, in Jesus Name!

Lord, please SILENCE the voices from my past and cut me free from any hooks, chains and pulleys that will try to pull me back into this type of lifestyle!!

Father, if there is any programming done in the heavenlies, written in the planets, stars and constellations prophesying against me because of the agreements made with Freemasonry by my forefathers; blot it out now with the Blood of the Lamb!!

Druids:

I renounce the office of **Druid priest, prophet or druid priestess and prophetess**. I renounce and take off the **mantel of Druid priest/ priestess**.

In Jesus' Name I repent of all **worship of trees**, unseen, hidden worship of the **druid idol Inanna**.

In Jesus Name I curse the tree of Druidism and pull up the plantations and the grove in me and my family line.

We repent for all worship of trees by us or by our ancestors, for continuing the worship of trees through **Christmas** festivities enchanted by them as Eve was in some way.

Father, I **cut every soul tie to pagan druidism**. I repent of blatant serpent worship, tree worship in my English or European ancestry. I repent of the worship of the **groves** and the ritual in the groves and the sex cult of the groves. I repent and renounce of worshipping any tree especially the **oak**.

I repent and renounce every spiritual tie to any god or goddess – especially to **Brigid of Druidism: goddess of fire**.

I renounce all pride and exaltation to her office and function of:

- false shepherd,
- false healing,
- false judge,
- false prophetess,
- false mother,
- false bride,
- false intercessor,
- false saviour,
- false light and
- the false fire of kundalini.

Therefore the **serpent kundalini** is totally defeated the head and of the serpent will not stand over my head. Where our **head has been bruised by the serpent and paralyzed**, I declare a reversal to the bruising and a total healing in Jesus' Name.

Father we petition that the Blood of Jesus will utterly cleanse this chakra and we ask You Father to disconnect us from all sources of demonic power and control.

We ask You Lord Jesus to

- break the power of all the occult power of Kundalini
- break the demonic seals and
- dismiss every demonic gatekeeper.

We declare in the Name of Jesus that this disabling kundalini spirit that tried to disable every part of us: **emotionally, mentally, spiritually and financially**; that made us spineless and weak; is now bound and rendered powerless, stripped of all authority and decommissioned to the Feet of Jesus!!

We declare we will rise up out of the stronghold of kundalini, running in the full liberty of Jesus!

Father will You set us free from

- all **mind control programming of spinning** through our **chakras** and the four elements within us,
- of all **elemental magic** released from the **four vortexes** that govern the four elements :

- **Earth** – Table Mountain, Cape Town, **South Africa**.

- **Water** – Lake Rotopounaamu, North Island **New Zealand**.

- **Air** – Great pyramid, **Mount of Olives**

- **Fire** – HaleaKala Crater, **Hawaii**.

Father we are just so sorry for what we have done, please hear our heart in these prayers.

I declare in Jesus' Name that my body is the Temple of the Holy Spirit and not a temple for satan, not a temple for kundalini.

Our bodies have been bought with a price – the Blood of Jesus Christ of Nazareth. We will not be used as a temple of darkness. We will be a sacred container for the Holy Spirit – a vessel of honour.

Just as Paul the Apostle shook the serpent off his hand into the fire and the serpent could not kill him, we declare a shaking off of the serpent's power from our hands, and a shaking of the serpent's poison and death from our bodies, in Jesus Name!!

Forgive us where we have gone wrong, teach us how to undo all of this and deliver us and set us free so that the world can see through us what a wonderful Living, Loving Father God we serve and that everything in Your Holy Bible is the Truth, Jesus **THE KING OF KINGS AND THE LORD OF LORDS!!**

We just love You Father, we love You Jesus and we love You Holy Spirit!!

AMEN.

ADDENDUM A:

Some interesting information:

It is commonly accepted that there is at least one major chakra on each continent. The cardinal seven chakras are:

- 1st chakra - Mt. Shasta

- 2nd chakra - Lake Titicaca

- 3rd chakra - Uluru-Katatjuta, Australia

- 4th chakra - Glastonbury-Shaftesbury, England

- 5th chakra - Great Pyramid-Mt. of Olives

- 6th chakra - Kuh-e-Malek Siah

- 7th chakra - Mt. Kailas, Tibet.

There are also **four vortexes that govern the four elements**. These are **spinning energy portals** where rituals done in a circle can open and “heal” the Earth, the participants and people at large.

These **four vortexes** are situated at:

- **Earth** - Table Mountain, Cape Town, South Africa

- **Water** - Lake Rotopounamu, North Island, New Zealand

Numbers.35.6; Josh 20.2; 21.13, 21; 1 Chron. 6.57,67.

WHY DO WE TALK ABOUT THE “ LORD JESUS CHRIST OF NAZARETH”?

With regard to calling Jesus the True Jesus Christ of Nazareth the Biblical references are **2 Corinthians 11.14 . Matthew 24.3-5.**

v. 5. "for many will come in the strength of My name, appropriating the name which belongs to Me, saying I am the Christ(Messiah) and they will lead many astray.

<p>2 Corinthians 11. 4 <i>"For if a man comes and preaches ANOTHER JESUS than the one we preached..."</i></p>

In the New Age movement they speak of "the Christ". This is the New Age Jesus!

Many New Agers believe in the "lost years of Jesus" the 18 year gap in the record of Jesus life in the New Testament. We have Jesus birth and one incident where He debated in the temple as a boy the next thing Jesus is a Man beginning His ministry. The New Agers believe it has the answers to these missing years.

BOOKS

1. In 1894, the Russian author Nicholas Notovitch wrote a book called the "**THE UNKNOWN LIFE OF JESUS CHRIST.**" In it he centers on a holy man called Saint Issa, who claims he is actually Jesus Christ of the New Testament.

2. Other books are "**THE LOST YEARS OF JESUS**" by Elizabeth Claire Prophet.

3. **JESUS LIVED IN INDIA** by Holger Kersten.

4. In "**OUT ON A LIMB**" by New Age Guru Shirley MacLean, she states " a lot of people think that those missing 18 years were spent traveling in and around India..... There are all kinds of legends and stories about a man who sounds just like Christ...."

5. **THE AQUARIAN GOSPEL OF JESUS CHRIST** "channeled" by Levi Downing claimed that when Jesus was in the temple debating an Hindu priest called Ravanna was also there. He was so impressed with the teachings of Jesus that he invited him to travel to Tibet, Persia, Assyria, Greece and Egypt. It was in Egypt that Jesus passed through a mystical initiation whereby he earned the title of "the Christ."

6. "**A COURSE IN MIRACLES**" another channeled New Age book states that Jesus became the Christ by seeing the" face of Christ in all his brothers!"

They believe in a Second Coming of Christ but not in the way Christians do, this is the 'christ consciousness within, the one called Lord Maitreya. It is believed this person has been living among us and when the time is right will reveal himself to us. Benjamin Creme has been traveling the world proclaiming this individual since 1982 when he put advertisements all round the world proclaiming "the Christ is now here." He proclaimed it again on 21-22 April, 1990 to world leaders in London. Creme believes that when he does come he will be visible and quotes **Matt. 24.26-27.**

Lord Maitrya is described as the enlightened teacher; ascended master; messenger of god and goddess; a mere man over shadowed for three years by "Christ consciousness" These are all names given to our Lord and Saviour the True Jesus Christ of Nazareth and are being used by the New Age in an attempt to deceive people He was not of God.

It is a satanic plot perpetrated by New Age caused to spread doubt in the minds of true believers as they spread false interpretations of the Scriptures. New Age philosophy is gaining a foothold in many churches through alternative healing, Yoga etc. They teach a "different Jesus, another Gospel."

The Catholic church also have "another Jesus" the Jesus ushered in by the apparitions of Mary who according to Father Gobbi head of the Marian Movement of priests proclaims the "Eucharistic Jesus" in the channeled words of Mary:

"Today I ask you to open the doors to Jesus Christ who is coming . I am the Mother of the Second Advent and the door being opened on the new era. This new era will coincide with the greatest triumph of the Eucharistic Reign of Jesus let the Eucharist be the centre of your lives." This is the triumph of the immaculate Heart of Mary which will culminate in the Eucharistic reign of the Sacred Heart of Jesus."

This was channeled from The Mother of the Redeemer!

The Bible refers to her as the Queen of heaven. This Jesus manifests in the flesh as a image in the wafer in the monstrance held up by the priests. Here Mary calls herself "the door".

Jesus Christ of Nazareth says" I am the door... no-one can come to the Father except through Me."

Images of "Jesus" are popping up everywhere. One on an oyster shell is being auctioned on E-Bay after an image of the Virgin Mary appeared on a 10 year old grilled cheese sandwich and sold for 28,000 dollars!!!!

Christ warns us about a false Christ in

Matt. 24. 23-25. " *At that time if anyone says to you " look here is the Christ" of " there he is" do not believe it. For false Christ's and false prophet's will appear and perform great signs and miracles to deceive even the elect- if that were possible. See I have told you AHEAD OF TIME....."*

There were different Jesus in Paul's day and have been many since then.

Not only does the New Testament make no mention of Jesus journey to the East, it indicates that Jesus stayed around Nazareth throughout His early years -hence we call Him Jesus Christ of Nazareth . **Luke 4.16** states " *and he came to Nazareth where he had been brought up....."*

The gospels also record that Jesus was identified as a local inhabitant in the area and by people who were familiar with Him. People identified Him as: "The carpenter's son" in **Matthew 13.55 and in Mark 6.3.** As "Joseph's son" in **Luke 4.22.**
